

Bigger Crops

More profit from POTATOES, better LAWNS, FLOWERS and VEGETABLES.

No matter where you use Soilgro—on your potatoes, corn, grain—on your lawn, flowers or in your garden, you'll be amazed at the growth it promotes.

Soilgro feeds any plant that has roots. It is the new scientific method of hastening and increasing growth. It is cheap—for six dollars you get a package that will do for a good sized lawn and garden, or an acre and a half of roots or grain—for all summer. It is easy to apply and eliminates for the man in town, the difficulty of procuring and the objection to applying barnyard manure or other fertilizer. On farms it can be used with manure with splendid results.

Here's what one man says about Soilgro
Ternsaming, Que. Sept. 4, 1924.
"I take much pleasure in saying that I got very good results from Soilgro as we had a very bad summer for flowers. I am pleased to say that my flower garden took first prize at the Exhibition and as there is but one other here that has used Soilgro we both had the best gardens."

The original of this letter is in our files. We will be glad to give the writer's name if desired.

Soilgro

To make two blades grow where only one grew before is the work of Soilgro

A Striking English Bathing Costume

All the freak bathing suits are not exhibited at Atlantic City or Palm Beach. Here is one of the latest English novelties which will be seen at English seaside resorts this season.

DUNTING IN THE GOOD OLD STYLE

The Freeholders of Newbiggen-by-the-Sea rode and perambulated the "nuts and raisins" were of which they are the Lords of the boundaries of Newbiggen Moor. A Freeholder was duly initiated Manor. According to ancient custom which according to local history distributed along the route and four and five hundred years by "dunting" on the Dunting Stone of "Dunting" one of the new Free has been in use as such, between The photograph shows the process holders on the old dunting stone.

Union Commercial College Closing

The Union Commercial College closed for the term on Friday morning. Prin. Moran congratulated the students on the work done during the term and their excellent conduct in class rooms. There was a large attendance. He congratulated Miss Julie Gallant on winning the Remington Gold Medal for Typewriting with a speed of 58 words a minute. Other tests were now being examined. The work in the Penmanship Department was very satisfactory and 18 certificates were secured from the World's famous Penmanship Institute. "The Zenerian" in closing, the Principal stressed the great importance of punctuality.

Gold Coin for highest standing in Shorthand Department awarded to May Johnston.

Special prize for application and neatness in work awarded to Wm. Ling, Wheatley River.

AN APPRECIATION

To the Rev. Dr. Davidson,
Dear Sir—We, the members of your church and congregation of Caledonia, although only knowing you for one year short tenure of service, can not allow you to leave us, without an expression of our esteem and admiration for your self and gratitude for your labors in our behalf. We deplore the circumstances which have arisen in our congregation as well as in many others which have led up to your resignation from your pastoral charge here, when you were beginning to be congenially situated and we admire the principle you have shown in not allowing anything to swerve you from the path you believed was right. We will always remember your kind and conciliatory conduct. Though a learned scholar and possessed of literary gifts, you have made yourself an interesting companion with the humblest and your cheerful spirit will not soon be forgotten. Your influence, example and ministrations will no doubt have a moral and spiritual uplift in this community and we will try to remember and profit by the lessons you have given us. We will also remember with gratefulness Mrs. Davidson whose general manner and amiable disposition endeared her to your parishioners.

We will not forget the boys who made themselves so much at home amongst us. No matter where your lot may be cast, we can only commend you to the graces of God who maketh all things to work together for good to them that love and serve Him.

As a token of our good wishes and admiration we ask you to accept of this small gift, not for its intrinsic value but for our sincere appreciation of your labors in our midst.

Signed on behalf of Caledonia congregation,
M. R. Macleod, James R. Collins
M. C. MacGowan, George A. MacLean.

Cuticura

Soap And Ointment Best For Children

Teach your children the Cuticura habit that they may have clear skin and good hair through life. The constant use of Cuticura Soap, assisted by Cuticura Ointment, keeps the skin and scalp clean and healthy.

THAT CAR OF YOURS

BY HARRY E. PORTER

This is a series of articles pertaining to maintenance and repair of your Automobile. We will be glad to answer through this column, questions regarding your car or its mechanism. Send your inquiries to "Automobiles," The Guardian Publishing Co., Ltd., Charlottetown.

DIAGNOSIS OF KNOCKS

Knocks in motors are caused by either excessive clearance or irregularity of operation. The former can be diagnosed in detail. The first to consider is the connecting rod knock. This knock presents itself when idling with retarded spark or when the car is traveling at about 20 m. p. h. at "float" or "balance." This means that the engine is not under labor or is being thrust by the car. It is figuratively floating. The knock then is quite pronounced and is of a medium dull sound.

This knock can often be checked by shorting the plugs. The knocking rod will knock only when the plug is shorted.

A waist pin is identically the same under diagnosis except that the time is somewhat higher.

The centre and front main bearings will knock under the same conditions as a rod or pin especially at 20 m. p. h. when a double dull thud more pronounced.

The next article will deal with the diagnosis of main bearing knocks in combination with rods and pins and the checking for the actual knock.

for Economical Transportation

Supremacy of Value Endorsed by Chevrolet Popularity

DEFINITE proof of Chevrolet leadership in the low-price, quality field is established by the overwhelming increase in public acceptance of Chevrolet values.

Spring, 1924, established sales records for Chevrolet in Canada—but already these, and all former records, have been broken. Here, in these 1925 figures, is the evidence of Chevrolet popularity:—

March	7%	Increase
April	56%	"
May	70%	"

over same months last year

The public has unanimously accepted the NEW Chevrolet as the outstanding automobile value of 1925. Your nearest Chevrolet dealer will give you a demonstration and tell you about easy terms for purchase.

KING'S PLATE WINNER
J. S. Fletcher, the proud owner of Fairbank, the King's Plate winner with Jockey Lang up. Fairbank is by Amner (formerly owned by his Majesty the King) out of Rock On, and in a thrilling finish with Duchess, the Fletcher entry won by a nose. Jockey Lang is a former Hamilton boy, and his win was a decidedly popular one with the "sports" who were there to the tune of twenty-five thousand.

KING RIDES ON MINIATURE RAILWAY
Cheer after cheer was given when Their Majesties inspected the Canadian Pacific Railway's Miniature Station at Warshaw.
