

Our New Hats Are Birds

The Hat of the World
The Stetson

Just as it appears on the surface, so it is right straight through. Its beautiful finish has back of it the highest quality of materials and skill of workmanship. It is always the standard of style in all countries; everywhere you go well-dressed men wear them.

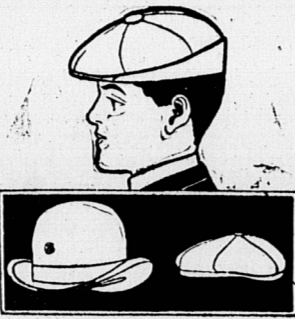

Every Stetson Bears the Stetson Name
We carry the Stetson in all styles—Belt and Derby.

The showing is so large that it is impossible for us to give you a faint idea of the extensive line we carry. This season our store will be headquarters for stylish hats. In addition to the celebrated Buckley, England's best, we have added a nice line of the celebrated John B. Stetson hat, America's Pride. If you have worn a Stetson, you know its true worth.

The arrival of our new caps is always hailed with great interest by the young men of our city.

This season's grand showing surpasses any former effort made by us, to show the finest line of caps in the city.

Young man, we now ask you to see them, and we will allow you to be the judge as to our claim, that they are the noblest caps ever shown in this city.

S. A. McDonald

Now Shirts. In full dress, fancy white stuff and soft bosom, fancy coat shirts and otherwise. My shirt display this season will be away ahead of preceding years. Don't forget that I am the only exclusive and up-to-date furnisher in the city. H. H. Brown The Young Men's Man.

Thanks

We wish to thank our customers for their liberal patronage during the year 1908 and trust by our best attention to their requirements to merit a continuance of same for 1909.

We also extend our best wishes for a Bright and prosperous New Year.

SOUVENIR NIGHT AND NEW SINGER AT

New Wonderland This Evening. Bixley and Holcomb, Souvenirs For All.

There is such a combination of good things at New Wonderland this evening that space will only just permit of enumerating them generally. First, every one who buys a ticket gets a pretty Souvenir of the hall itself and of the capable entertainers there this week.

Then, it is the initial appearance of T. A. B. Watterhall, New Wonderland's new singer, and as he is just from one of the largest theatres in Canada, is highly recommended and has a beautiful voice, there is something worth knowing in this bit of news. He will sing the illustrated song of the evening, and Bixley and Holcomb will appear in one of their clever specialties.

The new reel for the night is:—The Somnambulist, followed by the Tale of a Thanksgiving Turkey.

Commencing Monday evening if transportation allows it, The Dancing Hogans, America's favorites, and among the swiftest vaudeville teams on the stage today, open an engagement at New Wonderland and any step they do not know, any dance which is past their capabilities, is hard to find. Come to New Wonderland tonight, for Bixley and Holcomb play but one evening more, and they certainly have made the biggest bid for patronage of any vaudeville act ever played here. Ten cents for adults. Five for children.

ANOTHER DUTY ON SUGAR.

LONDON, Feb. 18—It is rumored in the Commons that Lloyd George Chancellor of Exchequer, might again impose the duty on sugar. Such a measure is being defended on the ground that Naval requirements might compel it.

NATAL ACT DISALLOWED.

OTTAWA, Feb. 18—A special issue of the Canada Gazette announces the passing of an order disallowing the Natal Act passed by British Columbia in February last. The Government is satisfied that the question of Asiatic immigration as evidenced by the very small arrivals of Japanese and Hindus during the past year, is now settled, and is anxious to prevent the possibility of further action by the McBride Government.

RECIPROCITY OF TRADE.

LONDON, Feb. 18—Negotiations for the reciprocity of trade between the West Indies and Canada are still proceeding. Enough of the West Indian Islands are now agreeable to justify united action.
