**HOME FOR BURIAL.**—The remains of the late Mrs. A. L. Anderson, Resisdale, Mass., are expected to arrive on Tuesday evening, and will be placed in St. John's Church, St. Eleanors. The funeral will be held on Wednesday, June 16th, at 2.30 p. m.

**VIOLATORS CONVICTED.**—Fishery Officer Palmer of West Prince is getting after the violators of the fishery regulations, and secured convictions last week against four men in Alberton, for buying smelts caught during the close season.

**JUNE 23rd FOR RACES.**—The Charlottetown Driving Club has always been fortunate in the patronage they have received from the ladies of Charlottetown and vicinity. This year they hope to have the ladies attend in large numbers on Wednesday afternoon, June 23rd. The racing will be good.

**COD AND MACKEREL PLENTY.**—Codfish are reported very plentiful from Blooming Point to Souris and large catches of mackerel are being taken all the way from Minginash to Souris. Two cars of mackerel were shipped last week from Alberton to the Boston market.

**DIED IN VANCOUVER.**—A telegram received by Mr. H. R. Hillson, this city, announces the death in Vancouver, B. C., yesterday morning of Mrs. Isabella Cairns, formerly of this city. There are left to mourn two daughters, Mrs. George E. Lightheart, (Louis), and Miss Winnifred, both of Vancouver, and who will be kindly remembered by many friends in this city. One sister, Miss Margaret Scott, of Vancouver, and one brother, Walter M. Scott of Winnipeg, also survive, to all of whom the Guardian tenders sincere sympathy.

The many friends of Mrs. Sybil Essery, wife of Stanley Essery, 924 Fourteenth avenue west, Calgary, Alta., were greatly shocked by her sudden death at the early age of 30 years. While nursing her only child of six years through scarlet fever, Mrs. Essery contracted the disease in a severe form. The deceased was a native of Prince Edward Island, the daughter of Mr. and Mrs. Alex. McMillan, now of High River. Besides her parents she is survived by two sisters, Mrs. Fulton Thompson of High River and Mrs. Davis of Calgary; and one brother Vernon McMillan of Prince Edward Island.

Rev. A. D. Red of Grace church conducted the funeral services and interment was made in the Union cemetery. Many beautiful floral wreaths were offered, a silent tribute of love and esteem from her many sorrowing friends.

**PRETTY JUNE WEDDING.**—A pretty marriage took place on June 9th in St. Patrick's Church, Fort Augustus, of Miss Mary Josephine Roach, daughter of Mr. Edward Roach of Auburn, to John Ellsworth son of Mr. and Mrs. Edward Ellsworth of Cornwall, Reverend Father A. J. McDonald performed the ceremony. The bride looked pretty wearing a gown of white charmeuse trimmed with georgette and silk lace and carried a bouquet of white lilies of the valley. The bride's sister, Flossie as bridesmaid wore a dainty Orchid colored frock of frilled organdy, with hat of the same shade. Hon. David McDonald furnished the music during the mass and played the wedding march as the happy couple retired from the church. After a pleasant drive to Pownal the bridal party returned to the bride's home where relatives and friends gathered to tender them their congratulations. The evening was willed away with dancing and music, supper being served at a late hour. Mr. and Mrs. Ellsworth will reside in Cornwall. The happy young couple received numerous gifts from admiring friends including a beautiful rosary from her pastor, Rev. Father McDonald.

**DEPLORABLE ROADS.**—The roads and bridges in many sections of the provinces are now—when they should be at their best—in a deplorable and even dangerous state. Especially is this the case in many sections west of Summerside says the Agriculturist and Cocker. When is the much needed repair work to begin? A trip by team or auto from Summerside to Tignish by the Commissioner of Public Works, should be a worthy while one. With the head-ache, back-ache, stomach-ache and several other kinds of aches, following this trip, the Commissioner surely would be in the mood to see things just as they are. True, all the roads and bridges are not bad, many of them are excellent—but a strip of bad road here and there along the way makes travelling uncomfortable, to say the least.

**FROM CALIFORNIA TO P. E. I.** by auto.—To motor from California by Prince Edward Island is an undertaking which is not accomplished every day. This lengthy journey has been completed by Mr. Ben. Williams, who with Mrs. Williams is now visiting Mrs. Williams' father, Mr. Albert Tanton, St. Eleanors.

**WELL KNOWN RESIDENT DEAD.**—The death occurred Monday afternoon in the Prince County Hospital of Mr. John L. McKinnon at the age of 91 years from aged infirmity. Mr. McKinnon was born in the Isle of Skye but came to Canada, a very young man. In early years he was one of the leading educationalists of the province and taught school in different parts of the province including Summerside. He founded the Pioneer in Alberton in 1874 which he conducted for some time latterly in Summerside.

**BACK TO CHARLOTTETOWN.**—The many friends of Dr. H. D. Johnson and Mrs. Johnson, who left here nearly five years ago will be pleased to hear of their return to Charlottetown, to again make their home here. They arrived in the city on Monday night. Dr. Johnson has been assistant director of Medical Services at Ottawa. That unit was demobilized yesterday. The doctor was overseas for two years, in 1915 and 1916, with the Canadian Army Medical Corps.

**LEMON EXTRACT.**—One of the commodities for which a wonderful demand has lately come into vogue is lemon extract. Some of the grocery stores are besieged with demands for the hitherto supposedly harmless and little sought after article. It is now a well known fact that lemon extract imparts a jig of particularly odious nature. Some of the seekers after this stimulant in order to get it, send children to the store for it. A little boy called at a grocery store some days ago and purchased six bottles of a well-known brand of extract at one time. It hardly seems reasonable that any house-keeper would be buying such a supply for ordinary uses. The opinion is that there should be some regulations governing the sale of lemon extract.

**CHRISTOPHER — SULLIVAN WEDDING.**—The Halifax Herald of the 14th, says: St. Thomas Aquinas church was the scene of a happy event on Friday morning, when Miss Annie E. Sullivan, a popular Halifax nurse, was united in marriage to Harvey Christopher, of Stellarton. Father O'Sullivan officiating. Though the home was early, a large number of friends were present to witness the ceremony and extend best wishes to Mr. and Mrs. Christopher, who left on the Ocean Limited for an extended visit west. On their return they will reside in Stellarton. The many beautiful gifts gave evidence of their popularity amongst a wide circle of friends. Mr. Christopher, above referred to resided in Charlottetown for a number of years previous to taking up his residence in Stellarton. Mr. and Mrs. Christopher are spending a week in Charlottetown before returning to their home in Stellarton. The bride, formerly Miss Sullivan, is a trained nurse. It will be remembered that for her excellent and capable service in connection with the Halifax disaster she received special commendation from the Governor of Massachusetts. The Guardian joins in congratulation.
