

HELPLESS 3 WEEKS

HANDS COVERED WITH ECZEMA AMPUTATION FEARED BUT ZAM-BUK SAVED.

"For three long months I was not able to attend to my own needs; and for three weeks the eczema on my hands was so bad that I was unable to feed myself. I had to be fed as one feeds a baby, because I could not hold knife, fork, spoon or cup." So says Miss Violet McSorley, of 75, Gore Street, Sault Ste. Marie, in telling how Zam-Buk cured her of eczema. She adds: "Hands, wrists and arms up to the elbows were covered with eczema. The itching and the soreness were high unbearable. As the disease developed, the skin actually peeled off leaving raw sores. The palms, fingers, backs of my hands and wrists were all in this shocking state, and I was forced to sit in agony all the while."

"The raw sores were soon in a foul condition, and my finger nails, all except two, fell off. During the different stages of my trouble, I sought the advice of three different doctors and received treatment, but although getting slight relief at first there was no cure. Amputation was at one time thought necessary but the timely introduction of Zam-Buk prevented this fearful ending."

"Zam-Buk was recommended by a friend and we bought a supply. The first few applications gave me a little ease, but it was not until I had continued with it for some time that I felt a decided improvement. After that my cure went on quickly. Zam-Buk did what everything else had failed to do. Now my hands and arms are quite freed from the terrible eczema."

Are you suffering from skin disease? If so, take Miss McSorley's advice and try Zam-Buk.

A VALUABLE PRIZE CONTEST

The Charlottetown Guardian has secured the right to use the International Newspaper Bible Study Club Lessons each week for the term of one year, commencing with the lesson for August 23rd, 1908. But one paper in each town can use these. The Guardian takes pleasure in being able to present to its readers such a valuable help along one line of Bible study. They will be published each week in the Morning Daily and the Rural Daily. Only paid-in-advance subscribers to either paper are eligible to join this club. There is no fee for entrance, and no conditions other than those stated below. Every body stands the same chance and has the same opportunity to get the valuable prizes without the investment of a cent. There is one condition that must in every case be complied with and that is, that every one entering the contest must be a regular subscriber as above.

MEDALS, BIBLES, BOOKS, GOLD AND SILVER

Persons may join the club at any time during the year, but must, of course, answer the 52 questions hereinafter explained, to qualify for the prizes. It is however, desirable that the questions be answered as the lessons are studied.

The International Newspaper Bible Study Club is for the purpose of promoting, in an unlettered way among the masses, a wider study of the Bible, the basal truths of Christianity and the problems which enter into every man's life. It is composed of all those who join a Local Club, and take up the single course herein outlined during the year, and the same opportunity to get the valuable prizes without the investment of a cent. There is one condition that must in every case be complied with and that is, that every one entering the contest must be a regular subscriber as above.

The Guardian is authorized to form a Local Newspaper Bible Study Club for its readers, and guarantee to all who join and fulfil the conditions that everything here promised shall be faithfully carried out.

CONDITIONS OF THE CONTEST

1. Each contestant, or his or her family, must be a paid in advance subscriber to The Guardian, during the continuance of the contest, in order to qualify for membership in the International Newspaper Bible Study Club and this Local Club.
2. Each contestant in this Local Club must answer each of the written questions for 52 consecutive weeks, commencing for Sunday August 23rd and the answers must all be two weeks of the close of the period, which allows two week grace after the close of the contest.
3. Each question must be answered separately, and the paper will be on one side only. No answer must contain more than five hundred words and may be less. It will be a convenience if students will write their answers on letter paper about 8 1/2 inches by 11 inches.
4. Each answer must have the name and address of the writer at the bottom of the answer, together with the date label of a current issue of The Guardian so it can be identified, giving a number, registered, and then the name will be put out so the examiner may know by number only.
5. Students should be careful to understand the question before answering. To do this the lesson text must be read and especially the verses or verses, upon which the question is based.
6. The answers from this Local Club must be delivered to The Guardian office, and they will be collected at the close of the contest and forwarded to headquarters for independent examination by competent examiners. The prizes will then be awarded according to the highest number of marks, won by members of The International Newspaper Bible Study Club, and prizes which may be awarded to members of this local Club will be given out from this office.

All who can write, and have ideas are urged to take up these studies, regardless of the degree of their education, as the papers are not valued from an educational or literary standpoint, but from the point of view of the cogency of their reasoning ideas.

PANDORA RANGE

"Friend to Friend"

"You're going to be married, girlie, and want me to recommend a range."

"Pandora" Thermometer
"Pandora" Fire-box and Grates.
"Pandora" Emery Rod and Towel Drier.
"Pandora" Enamelled Steel Reservoir.
"Pandora" Ventilated Oven.

"Well, the important part of a range to a woman is the Oven. This should be made of steel so as to properly absorb, retain, circulate and dispose of heat from the fire-box. Meats will then be firm, yet juicy, and biscuits, etc., sufficiently raised, with crust even all around."

"The Fire-box should be substantially made, be wide, roomy, and allow perfect freedom for the manipulation of the grates."

"An Emery Rod and Towel Drier helps the housewife with her knife sharpening and towel drying."

"An accurate Thermometer can be set at the necessary heat required for a baking and will save you all sentry duties."

"The Reservoir should be constructed of steel, lined with white enamel, so as never to burn out or rust out."

"The 'housewife' features I have mentioned mean **Maximum Service, and you get them at Minimum Cost in 'Pandora' Range.**"
