Sterns' Fashionable Livery

Fashionable Livery means stylish rigs; that they are rubber tired, drawn by live and well groomed horses; that we have every style of wagon and carriage that a man of reason could ask for—in fact rigs that compare favorably with those from the finest private stables in town. Our turn-outs haven't got that "livery stable-rig" stamp about them.

This is very reasonable weather for driving—roads are excellent and the air bracing. Use telephone if you like—100.

As a Food For the Skin

Powders may cover up the disfiguring eruptions, but can never cure them, and are positively injurious, because they clog up the pores of the skin. Dr. Chase's Ointment is a food for the skin. It is readily absorbed, and thoroughly cures each and every skin disease, making the skin smooth, soft and clear. No woman's toilet is complete without Dr. Chase's Ointment, for, besides being the most perfect skin beautifier obtainable, it can be used in a score of different ways. It absolutely cures eczema, salt rheum and the itching to which women are especially subject. When the feet are sore and chafed with walking an application of Dr. Chase's Ointment takes out the smarting and allays the inflammation in a surprisingly short time. Then for burns, scalds and every sort of chafing, irritation or eruption of the skin, Dr. Chase's Ointment affords a safe and certain cure. It has come to be indispensable in scores of thousands of homes; 60 cents a box, at all dealers, or Edmansson, Bates & Co., Toronto.
