

AMONG THE HORSES

It is said that \$25,000 will buy the half-mile track star Wilkes Brewer, 2.08 1/4.

Napoleon Direct came the last quarter of one of his heats at Cleveland in 27 1/2 seconds.

Frank Bogash Jr. won the free-for-all at Allentown, stepping the third heat in 2:07 1/4.

Peter Scott's mile in 2:05 against time tells pretty plainly why Murphy kept the leading money winner of 1915 out of the soft 2:05 classes.

The Real Lady will likely be Tom Murphy's leading money this season. She looks to have \$9,000 coming in one bunch at Lexington.

Director Le went against the track record of 2:08 1/4 at Poughkeepsie on the opening day of the Grand Circuit meeting, but the best he could do was 2:09.

In the free-for-all trot at the Marshfield, Mass., fair last week James W. with Dave Warman up, placed the track record at 2:12 1/4 in the first heat. The old record was 2:14.

After winning a race at Springfield, Ohio, recently, Will Bing, by Bingola, 2:17, lowered the half-mile record for his age and gait to 2:12, in an exhibition against time. Will Bing is a half brother to Miss Jolla, the two-year-old filly owned in Fredericton.

Captain Aubrey stepped an eighth of a mile at New Assin racetrack in 34 seconds—a 2:03 clip—latched to a road cart and on a heavy track. Under more favorable circumstances he can step a quarter handily in 30 seconds, and with a style and action that are most attractive to look at.

St. Hubert, with Geers up, won the Knickerbocker \$5,000 purse for 2:08 trotters in straight heats at Poughkeepsie, N. Y., last week, going the three fastest heats ever trotted in a race over the Hudson River Driving Park track. The time was 2:07 1/4, 2:07 and 2:05. The same day Major Woolworth won the 2:09 \$1,000 pace in 2:06 1/4. Mack won the 2:10 \$1,000 trot in 2:07 1/4, and Young Todd the 2:15 \$1,000 pace in 2:05 1/4.

James K. Newbro, 2:13 1/4, the Fredericton racing machine, was taken to Quebec by Tommy Raymond, but did not start because of illness, and has been brought back to the capital city. He contracted a cold at Moncton, when he made his only start this season, and at Three Rivers he became worse. A member of Tommy's string, Miss Ketter, went lame at Quebec, and did not get into the races either. Both horses are now on the high road to recovery, but they will in all likelihood not be started until the Halifax races.

Little Nancy won the 2:30 pace at the Marshfield Fair last week in three straight heats, the fastest mile being the third, which was registered in 2:19 1/4. Second money in the event was taken by Direct Andpob, driven by M. McDermot, after several interesting brushes with the winner. As McDermot came to the wire to dismount, dressed in a green driving suit and cap, the band played "The Wearing of the Green," and the starter introduced him to the people as the veteran driver of the circuit, he being 82 years old. He was given an ovation.

Martha DeForest, of Victor Douse's stable, won the 2:30 trot and pace at Houlton, Me., last week, taking the last three heats of a five heat contest. Ben Bourbon, which won second money, took the second heat, while the fourth went to Estelle Todd, the winner of third money. The Sydney horse, Alverton Boy, and the Fredericton mare Norroway W. were also placed. The winner's best time was 2:17 1/4. The same day Miss Simmore won the 2:25 trot and pace after it had gone the limit. Lady Bell, which won the third heat, was awarded second money, the Fredericton horse Pruna Baron taking third.

Women As Brave As The Men

THEIR STRUGGLE SHOWS A REMARKABLE SPIRIT.

Talk of the bravery of men, but where you can find a finer spirit than among the half-sick women who are fighting and struggling to do their duty against the terrible odds of ill health, and who will not give up.

One woman in every three is struggling against weakness. Most of these are not exactly sick, but oh how miserable.

The burden and misery of it all has its foundation in the blood which is thin and watery. The red cells are too few. The very stream of life is reduced in vitality. Weakness and inevitable ill-health are the certain result.

Every ailing or weak woman can quickly regain her health in this very simple way. By filling the system with the nutrition that comes from rich red blood, a quick change for the better will result. To accomplish this, take two chocolate-coated Ferronone Tablets after each meal. You'll feel better immediately for the simple reason that Ferronone renews the blood. It gives you vim, vigor, endurance, restores a tired, worn-out system very quickly.

You'll feel like new all over once you get Ferronone working through your blood. It puts color into faded cheeks, brightens the eye, quickens the step, brings back that wonderful feeling of youth.

One of the finest things Ferronone does is to make you eat lots and digest it well. With keen appetite, sound sleep, strong nerves and lots of nourishing blood you're bound to regain robust health. Any sickly girl or ailing woman that Ferronone won't make well must be incurable. There's a secret power in Ferronone and it is worth a trial at all events. Fifty cents per box, six for \$3.50. At all dealers in medicine, or by mail from The Catarthozone Co., Kingston, Ont.

Frank Fox, the Medford horseman, has received an addition to his stable. Now campaigning over the Maine tracks, in Concord, 2:21 1/4, a daughter of The Peer, 2:15 1/4.

Charlottetown horsemen, who attended the Montague meeting declare the racing worth going miles to see. There were good fields of fast horses in the different classes, and some of the fastest were very close. The feature event, the 2:15 class, went to Major Todd with Sister Patch, of Summerside, a close second.

Three out of the four races carded for the opening day of the Poughkeepsie meeting went to Tommy Murphy. He won the \$3,000 2:12 pace with Jay Black in 2:03 1/4. The two-year-old \$3,000 trot in 2:08 1/4, with The Red Lady, and the 2:18 trot and pace, \$1,000, with Empress of Russia in 2:10. Cox won the remaining event, the 2:03 \$1,200 pace with Hal Boy, beating Peter Stevens.

MILITARY COUNCIL WILL LOOK AFTER INTERESTS OF CANADIANS

(Canadian Press Despatch.) LONDON, Sept. 7.—A Military Council, consisting of seven members at first, which was held to-day, will later probably be increased to ten, under the chairmanship of a Major General who from the first has done excellent work as a representative of the Canadian Militia Department in London. This is the solution of the somewhat difficult situation regarding the higher commands among the Canadian forces in England. The only question remaining is whether the Imperial authorities, who naturally have the last say regarding the training and disposition of the troops, will agree. It is thought generally that military circles that Sir Sam Hughes has shown military judgment in the solution, and that the important overlapping among various Canadian Major Generals, which certainly caused friction, will end.

SOME DAY.

Some day fresh grass will creep along the Belgian lanes.
Some day the flowers will open to the May.
And on the grave of my brave soldier boy the grass will grow—
But not to-day.

Some day the birds will build their nests again round Lille,
And on the dunes again will children play;
Some day kind time will lay her hand upon my aching heart—
But not to-day.

Some day the widows of Louvain will cease to weep,
And from the ashes of those ruins grey
Will rise a city fashioned by the love of all the world—
But not to-day.

Some day the soldiers will come back from France,
And England will be hung with banners gay,
And I shall see them marching past—the comrades of my boy—
But not to-day.

Some day, that golden, some day which the future holds,
When trumpets blow and angels sing the way,
My soldier boy will come to meet me down the glittering ranks—
And he will say:

Welcome, brave mother, heart! The day at last has dawned,
The parting and the pain have passed away;
Yes, I shall see, my ears shall hear, my heart again grow young—
Upon that day.

ON A SUMMER NIGHT.

Beautiful moon and stars!
Still white lamps of the night!
After the sun's fierce glare,
How welcome your temperate light
After the day's hot drought.

How welcome the night, that shows its soothing baptismal dews
On the drooping heads of the flowers.

Cool soft breezes of night!
From somewhere, bearing along,
A ripple of laughter light,
Or the notes of a snatch of song,
From somewhere the breath of the rose.

Or the brine of the far away sea,
Bringing delight and repose
To a day-worn humanity.

Holy peace of the night,
When the sounds of the day are still,
And the moon throws its silver light
Where we kneel by the window sill,
And we gaze at the stars and think
Of the Heaven beyond, and pray
For the kind protection and care
Of the God of the night and the day.

SPEEDY PEACE

DAILY ADVOCATED

(Canadian Press Despatch.)

LONDON, Sept. 7.—(New York Times.)—The Daily Express prints the extract from the Berlin Socialist organ, "Vorwaerts." "If the Central authorities still have any doubts as to the real sentiments of the people in regard to the continuance of this frightful struggle, they should personally attend some of the crowded meetings now being held in various parts of the Empire.

"At all of these gatherings the demand for speedy peace without any annexations is received with thunderous cheers."
"At one of these gatherings, Deputy Kappler declared that the only real guarantee against the repetition of such a catastrophe, lay in the disarmament of all states and the establishment of an international compulsory court. In the meantime, however, he added, a truce with Great Britain must be arranged, even at the sacrifice of some of Germany's chief ambitions. The Schwabische Tagblatt of Stuttgart, is quoted as saying:

"Even if the Russians, Italians and all of the continental allies were beaten, England's supremacy would not be destroyed, and we may go so far as to say that unless a miracle happens, this object will never be realized, not even though the war can only plunge us into deeper misery and expose us to the gravest perils."

The Berlin Post says: "The recall of Von Falkenhayn is equivalent to an admission by Germany of the defeat suffered before Verdun. An admission which comes more than six months after the beginning of this gigantic adventure."

"It was said that Falkenhayn would be fully justified in the sacrifice of half a million men if he could capture Verdun."
"He has lost the salt of the Imperial army, and now Verdun represents a mild defeat, the consequences of which are now seen in northern France, in Russia, in the Trentino and on the Isonzo. It further constitutes a moral defeat of which the reaction is at this moment felt so seriously in the Balkans."

OFFICER AND 90 SURRENDER TO MEN IN KHAKI

With the British army in France, Aug. 30.—Via London, Aug. 31.—An officer and ninety Germans surrendered in a body near Guillemeau to-day. They were put out, as usual, with orders to stick under the British shell fire and against British infantry attacks to the last man. But when the British worked their way up on either side of the exposed trench, which they had run up a white flag without making any fight of it. They said that they had suffered enough hardships, and had had enough of war and preferred to be taken prisoners.

The heavy downpour of rain continued all day, making ponds of the shell craters and turning the trenches into mud holes.
While the German press is saying that Roumania's entry will lengthen the war, prisoners taken say that it will shorten it, as it is evident now that Germany cannot win, and had better compromise than prolong the struggle.

"But we are not going to consider any compromise," the British soldiers tell them. The British who have seen the surrender of Germans, say that with characteristic organization they now have what the British call a "surrender drill" when they come out of their dugouts to give themselves up as in the case of the body today; they have all their letters, papers and valuables in their hands, ready as a piece of offering to their captors.

TO CONFER WITH GERMANS.

(Canadian Press Despatch.) AMSTERDAM, Sept. 6.—A despatch from Constantinople says that Halli Bey, Turkish Foreign Minister, has gone to Berlin to confer with German statesmen.

First an experiment, because nearly forty years of wonderful success has made a name for Nerviline among the people of many different nations. "It is a powerful and penetrating that it seems to get up any pain in a minute. My family couldn't get along with out Nerviline. We always keep the 50¢ family size bottle handy on the shelf, and use it to end chest colds, sore throat, coughs, earache, toothache and pain in the back. My wife swears by Nerviline. For cramps its effect is astonishing and we believe it is better and speedier than any other household family remedy."
