Absolutely Unshrinkable

Stanfield's Underwear can't shrink. We've seen to that for you. Every fibre of the wool is tested for strength. Then we take the shrink out of it. After the wool is woven, we again try to shrink it. And when the Underwear is completely finished, the third trial for shrinkage is made. Every garment goes through the same process.

Stanfield's "Unshrinkable" For Men.

Stanfield's "Truro-Knit" For Women.

All sizes to perfectly fit every figure. All weights for all climates, from Nova Scotia to the Klondyke.

We—and your dealer—guarantee Stanfield's "Unshrinkable" for men and "Truro-Knit" for women to be absolutely unshrinkable, with the only guarantee worth giving—"money back if they shrink."

Leading dealers everywhere sell Stanfield's Underwear for Men and Women.

NO ARGUMENT NEEDED.

Every Sufferer from Catarrh Knows that Salves, Lotions, Washes, Sprays and Douches do not Cure.

Powders, lotions, salves, sprays and inhalers cannot really cure Catarrh, because this disease is a blood disease, and local applications, if they accomplish anything at all, simply give transient relief.

The catarrhal poison is in the blood and the mucous membrane of the nose, throat and trachea tries to relieve the system by secreting large quantities of mucus, the discharge sometimes closing up the nostrils, dropping into the throat, causing deafness by closing up the Eustachian tubes, and after a time causing catarrh of stomach or serious throat and lung troubles.

A remedy to really cure catarrh must be an internal remedy which will cleanse the blood from catarrhal poison and remove the fever and congestion from the mucous membrane.

The best and most modern remedies for this purpose are antiseptics scientifically known as Red Gum, Blood Root and Hydrastin, and while each of these have been successfully used separately, yet it has been difficult to get them all combined in one palatable, convenient and efficient form.

The manufacturers of the new catarrh cure, Stuart's Catarrh Tablets, have succeeded admirably in accomplishing this result. They are large, pleasant tasting lozenges, to be dissolved in the mouth, thus reaching every part of the mucous membrane of the throat and finally the stomach.

Unlike many catarrh remedies, Stuart's Catarrh Tablets contain no cocaine, opiate or any injurious drug, whatever and are equally beneficial for the children and adults.

Mr. C. R. Remondt of Rochester, N. Y., says: "I know of few people who have suffered as much as I from catarrh of the head, throat and stomach. I used sprays, inhalers, and powders for months at a time with only slight relief and had no hope of cure. I had not the means to make a change of climate, which seemed my only chance of cure.

"Last spring I read an account of some remarkable cures made by Stuart's Catarrh Tablets and promptly bought a fifty cent box from my druggist and obtained such positive benefit from that one package that I continued to use them daily until I now consider myself entirely free from the disgusting annoyance of catarrh; my head is clear, my digestion all I could ask and my hearing which had begun to fail as a result of the catarrh, has greatly improved until I feel I can hear as well as ever. They are a household necessity in my family."

Stuart's Catarrh Tablets are sold by druggists at 50 cents for complete treatment and for convenience, safety and prompt results they are undoubtedly the long looked for catarrh cure.
