Executorships

Too great importance can not be attached to the choice of the right Executor to administer your Estate after you are gone.

No man would entertain the idea of insuring his life or property with a private individual. Then why should he place his Estate in the hands of a person who, for any one of a number of reasons, might lose a considerable percentage of its value?

With a most efficient organization, the Dominion Trust Company solicits the management of your Estate now or the appointment as Executor. The cost will be no more than that charged by the individual and oftentimes less.

We Take the Risk

We know you will be delighted with the O-Cedar Polish Mop. We know you will welcome the relief it brings. We know you will appreciate the hard work it saves. We know you will be pleased with the way it dusts, cleans and polishes—all at the same time. That is why we say:— Try the O-Cedar Polish Mop for 2 days at our risk. If it is not satisfactory, we do not want you to keep it. The price—\$1.50—will be returned without question if it is not all, and more, than we claim. You to be the judge.
