BAIDE 16 GROOM 80.

JACKSON, Ky., July 28.—In the adjoining county of Owsley, near Sturgeon D. L. Whitaker and Miss Bertha Robin son became infatuated with each other.

Whittaker is eighty years of age, a widower, and is the father of twelve children, while Miss Bertha is sweet sixteen. Whitaker is rich, while the young lady is poor in this world's goods, but she is very handsome.

The children of the old man objected to the match, and they went so far as to keep him under lock and key for the past week or more. The old gentleman was determined, so was the young woman.

Last night she got a ladder, and went to the house where the venerable lover lived, and with the assistance of her two brothers, and while the inmates slept, succeeded in landing the old gentleman on terra firma from a two story window.

Two fleet horses were hitched near by, and on the steeds they sped away to the county seat of an adjoining county and were married.

The family did not discover the old man's absence until the dawn of day, and the ladder left under the window told the story of his departure.

B. F. Keith's steam yacht Courier was in Portland harbor on Saturday, enroute to Yarmouth, and from there will come to Halifax, calling at Shelburne and Liverpool. The party on board consists of Mr. and Mrs. B. F. Keith, E. M. Wood, of Natick, Mass., Miss M. Louise Fynes, Brookline, M. J. Keating. The Courier is 110 feet in length, steams 12 knots and is one of the handsomest yachts in American waters. She cost about \$45,000.

Mr. Keith has theatres in Boston, Providence, Philadelphia and New York. His visit to Halifax may possibly be in connection with the new theatre project. From Halifax the Courier goes to Canoe, where the party will visit the cable station; thence through the Bras d'Or Lakes, over to Charlottetown and up the St. Lawrence to Montreal, winding up at Buffalo.—Halifax Echo.

MEDICAL SCIENCE ADVANCES.

It is not more than half a century ago that physicians considered a surgical operation with its risk, expense and pain as the only cure for piles. To-day it is only the out of date doctors that think of such treatment. It is cruel and extravagant to operate for a disease which is far more certainly cured by the application of Dr. Chase's Ointment. You may be skeptical, but for proof you are referred to tens of thousands of cases that have been cured by this famous preparation.

ELECTRIC SPORTS

At the C. A. A. Grounds Last Night

BUT FAIR ATTENDANCE

Good Recreation—The Several Events and Winning Athletes.

The sports held by electric light on the Athletic Grounds merited a much larger attendance last night, yet there were perhaps over 300 persons present when the program began at 8.30. The directors of the C. A. A. ought to be encouraged in their efforts to promote athletics in our midst, and crowded houses should be their reward for the fortnightly sports conducted under their auspices.

Those who wended their way to the grounds last night were well satisfied for excellent sport was furnished by the competitors in all the events.

The placing of the novice bicycle race was wise, for the new riders should receive encouragement. The Fourth Reg. Band was in attendance, and added greatly to the evening's pleasure.

The following is a summary of the events:—
100 yards dash.—1st, Ritchie, 2nd, Donahoe, 3rd, E. Ritchie, time 10.2.5 sec.
A. W. Anderson, Duffy, Creamer, also started.

1 MILE BICYCLE.

The starters were Cameron and Picton Brown. All the other entries were scratched. This was a well-contested and most exciting race, Cameron winning home by inches, Brown second. Time 2.51.

1 MILE BICYCLE (NOVICE).

Starters—Harold Henry, Leo Harrington, J. Gaudet, Ryerson Reid, Ryerson Reid secured first place, Gaudet second, H. Henry third. Time 2.52.

3 MILE BICYCLE.

Cameron, P. Brown, and Gaudet started. Brown won by several yards, Cameron second, Gaudet third, Time, 1.20.3.5.

HALF MILE RUN.

1. Donahoe, 2. P. Duffy, 3. H. Toombs, Time, 2.10.

3 MILE BICYCLE.

P. C. Brown and A. Gaudet were the only starters in this event, Cameron who was not feeling well did not start. Gaudet won by about 1 yard, Brown, second time, 8.35.

In order to give our customers and ourselves every advantage we have concluded until further notice to open our place of business at the market on Saturday from 9 a. m. to 10 p. m. This is only an experimental test to ascertain if sufficient business can be done to warrant the extra expense and time thus taken up. The advantage of this move is that should any one overlook supplying themselves with vegetables on Friday for Saturday, Sunday and Monday they will have every opportunity to do so on Saturday at our market stalls.

A Word With the Examiner.

SIR.—I am more than surprised that the editor of the Examiner would allow the writer signing himself "Communicant" in last evening's issue of that paper to insult nearly one third of the communicants in this province, by assailing at "the little wafer." I care not who this narrow bigot may be, or how great his influence, the Editor of the Examiner has no right to allow any man to sneer at the mode of communion used in any Christian Church and I call upon him to apologise for this wanton insult to the thousands in this Province who partake of the Sacrament in this manner.

Breadful Kidney Pains. Could Not Rest or Sleep.

A. C. P. B. Conductor's Sufferings.
He is Now Well and Gives Dr. Chase's Kidney-Liver Pills Credit for the Cure.

Mr. W. H. Berryman, Conductor on the C.P.R., St. Stephen, N.B., writes:—"I have been railroading for 23 years, and for ten years suffered from a severe case of Kidney Disease and Backache, a trouble common to railroad men. It used me all up to walk and after walking up hill I would have to lie down to get relief, my back was so bad. I could not sleep more than half the night and then didn't seem to get any rest. I had used all sorts of medicines and was pretty badly discouraged when I heard of Dr. Chase's Kidney-Liver Pills. After using two boxes of this treatment I found it was helping me and five boxes have made a complete cure. I now rest and sleep well, my back is strong and the old trouble has entirely disappeared. Many people to whom I have recommended these pills have been cured. Anyone wishing further particulars write me." The sale of Dr. Chase's Kidney-Liver Pills far exceeds that of any similar remedy. One trial is enough to convince anyone that this is the greatest family medicine that money will buy. One pill a dose, 25 cents a box, at all dealers or Edmanson, Bates & Co., Toronto.
