The death took place, at Pleasant Valley, on the 22d. inst. of Miss Pheobe McSwain. The deceased had been in failing health for the past year, but still her death came somewhat unexpectedly. There are left to mourn, a widowed mother, two sisters, one brother, and a large circle of friends and relatives, who although they mourn, are comforted by knowing that she died trusting in Jesus. The funeral services were conducted by Rev. J. W. McLean after which, all that was mortal of the deceased was conveyed to Hartsville cemetery. To the bereaved ones the sympathy of many friends will be extended.

Views of St. Duostan's Cathedral and the Bishop's Palace, the entrance to Government House and a corner of the gardens, showing St. Paul's Church cover three pages, on the back of which is writing space. It is expected that there will be some hard fought races between the old and new athletes next Monday evening at the Absegweil Athletic Meet on the C. A. A. A. grounds. Last evening all the old time athletes were on hand. Phil Duffy was never better, and his two years' rest will give him hard fighting power. Arthur Cameron "the good old time war horse" had a few "spins" around the track on the bike. It is rumored that Mr. Cameron will guide the bike this year. "Bob" Donohue, the ever popular all-round athlete, means business this year, and the public well know the result when Mr. Donohue "gets a-going."

BLOOD WILL TELL.
It takes lots of vitality, nervous force and strength to win a race. Blood must be pure and good.
Without good red blood a man has a weak heart and poor nerves. Thinness of the blood, or anemia, is common in men and young women, and all those who work indoors, who do not get enough good oxygen in their lungs, consequently have too my white blood corpuscles.
Keep the nerves nourished, the heart strong, the head cool, the stomach vigorous, the liver active with a tonic which has stood the test of time and has a wide reputation, such as Dr. Pierce's Golden Medical Discovery.
Tonics consisting of large portions of alcohol, iron or cod liver oil, do not bring the desired changes in the blood, because they do not enter the system and are not absorbed into the blood, with the exception of the alcohol, which shrivels up the red blood corpuscles when it does come in contact with them. Therefore do not allow the dealer to insult your intelligence by telling you he has something better than Dr. Pierce's Golden Medical Discovery.
The cost of mailing only. "The People's Common Sense Medical Adviser," 1008 large pages, is sent free on receipt of thirty-one one-cent stamps, for the paper-covered book, or fifty stamps for the cloth-bound volume. Address Dr. R. V. Pierce, Buffalo, N. Y.
For constipation, the true, scientific cure is Dr. Pierce's Pleasant Pellets. Mild, harmless, yet sure. No other pill can compare with them.
