

The Longest War on Record...

Is that waged between a boy and his clothes—the result is generally in favor of the boy.

He is a bundle of aggressive activity, is the boy. He sails in to knock out that new suit on sight.

He usually succeeds all too well.

His energy and activity are hard to beat, but the passive resistance of our boys' clothing will do it.

We sell **Shorey's** make of Boys and children's clothing. The material used in these garments is all shrunken. They are sewn with the best linen thread and we furnish a guarantee with each garment.

If you buy your boys' clothing from us you can tell your boy to go ahead and enjoy himself.

NERVOUS AND SLEEPLESS.

Two horrors crowd into one life, the product of poor digestion and the poisons that are thereby formed within the body. There's just one method of care for this terrible condition—plenty of food, but mind food properly digested. That's the difficulty—the digestive power of the stomach must be improved. Rich, red blood formed, strength given to the organs to drive out poisons; then comes strength, vigor and endurance. Ferronose does all this and more; it makes sick people well; weak people strong. Sow Ferronose and you reap health. Sold by all druggists.
