FOR CONSTIPATION

A Medicine that Does Not Cost Anything Unless It Cures.

The active medicinal ingredient of Rexall Orderlies which is odorless, tasteless and colorless is a comparatively new discovery. Combined with other extremely valuable ingredients, it forms a perfect bowel regulator, intestinal invigorator and strengthener. Rexall Orderlies are eaten like candy and are notable for their agreeableness to the palate and gentleness of action. They do not cause griping or any disagreeable effect or inconvenience.

Unlike other preparations for a like purpose, they do not create a habit, but instead they act to overcome the cause of habit acquired through the use or ordinary laxatives cathartics and harsh physic, and permanently remove the cause of constipation or irregular bowel action.

We will refund your money without argument if they do not do as we say they will. Two sizes 25c. Rexall Store. The MacKinnon Drug Co.
