—CONTEST.—The advertising committee of the Summerside Improvement Association is offering \$25.00 in prizes for the best essays on the subject: "Why I like Summerside." Saturday, July 5th is the last date on which entries will be received. Every person should contribute an article on the subject. It is an educational work in which every person should join and there are scores of reasons why Summerside stands alone as a most desirable residential town. Contestants should mail or deliver their essays promptly to either of the following: Creelman McArthur of Brace McKay & Co; T. D. Ramsay of Sinclair & Stewart or D. J. Bonnell of R. T. Holman, Limited.

—HOLMAN'S Sporting Goods window was the centre of attraction last Saturday evening. Many thought it impossible to conduct a Bicycle Race in a show window, but nevertheless the race was held with a full list of contestants and was a huge success. Hundreds witnessed the event and were held spellbound with the novelty of a rider coming close to the track record in a show window. The race took place on Holman's \$26.60 Reliance Coaster Brake Bicycle. The distance was one mile and was recorded by a cyclometer. The winner are in the order of merit; 1st, Frank

Daley, prize \$2.25 Base-ball Catching mitt; 2nd, Arthur Morris, \$1.50 Base ball Glove; 3rd, Harold Ramsay, Boy Scout Knife.

—THE ANNUAL MEETING of the W. F. and H. M. S. of the P. E. I. Presbytery will be held in Alberton on July 9th and 10th. Through the courtesy of the railway authorities single fare first-class tickets will be issued from all stations on July 8th, good to return up to and on July 12th if endorsed by the secretary at this meeting. Delegates are expected to arrive on Tuesday, July 8th, as the opening session will be on Wednesday morning, preceded by an executive meeting at 9.30 a.m. There will also be an afternoon session with a public meeting in the evening at which one of the speakers will be Rev. Mr. Lockhart, missionary-elect to British Guiana. The Thursday session will close in time to allow delegates to leave by the one o'clock train. It is planned that this convention shall be pre-eminently of a practical kind—where there will be free discussion as to the best methods of work for the coming year. (Patriot please copy.)

—FOXES.—There are now a great number of Guardian readers, interested in the black fox industry, who will soon be requiring their netting. Brace, McKay & Co., Ltd., Summerside, P. E. Island, (whose advt. appears in this issue) is the firm referred to on page 29 of "Fur Farming in Canada" by J. Walter Jones, recently published and distributed free by the Commission of Conservation. Brace, McKay & Co., are one of the largest dealers in fox netting in Canada. For years their firm has been gathering ideas from the most particular and most successful ranchmen in P. E. Island where this great money making industry has assumed such proportions. For some thousands of rolls they have had a large English manufacturer procure a special wire of much higher quality than what is made up under the makers regular stock brand and in many other details their netting is made specially and is, without question, one of the best articles of its kind that can be produced. This firm guarantees both quality and price and fox ranchmen should get in touch with them for their requirements of the "Red Label" quality.
