

Want to try an experiment?
Then take any one of the hundreds of new medicines on the market. They come, they go, and are soon forgotten.

Or want to be cured?
Then take a medicine that has been tested and tried, generation after generation. A medicine that has been a household remedy for sixty years. Ayer's Sarsaparilla.

Intelligent, thoughtful people are relying more and more upon this old standard preparation.

ATTENTION is called to the ad in this issue of Herbert Gray & Co. Exporters and Commission Merchants, who will devote particular attention to the shipment of canned lobsters and meats. Mr. Gray who has become well and favorably known in Charlottetown and throughout the Island in his work for the great firm of Robert Simpson & Co. severed his connection with the house when in England on the first of January. Mr. Gray was with them for seven years and previous to entering their employ had a large experience in the lobster business. The Guardian extends to him best wishes for success in his new venture. Comfortable offices for the firm are now being fitted up at the corner of Water and Queen Streets in the office lately occupied by W. W. Clarke.

LAST evening J. A. Messervy addressed the students of the C. B. C. on the subject of office work. It was prolific with many helpful remarks regarding the duties of the various members of a firm's clerical staff. It, coming from such a practical man, will be of the greatest benefit to those now preparing for the mercantile work, and it has been the lot of few to listen to a more educative and instructive address.

THE Charlottetown Foundry & Machine Co. have just completed a pile driver for Thomas Campbell which will be used in connection with his contract in building the Grand River Wharf. The driver weighs 1000 lbs. and yesterday while being tested was viewed by a large number of people. The new wharf for which Mr. Campbell has the contract is at the mouth of Grand River, opposite Annandale wharf and will be 700 feet long and one of the most up-to-date on the Island. Steam, horse, or hand power, can be applied to the driver.

The two months term of the Eastern Dairy School at Kingston, Ont., has just been brought to a successful close. Those who have taken the full course have written their final examinations during the past few days, and now have scattered to their homes throughout the provinces of Ontario, Quebec and Maritime Provinces. Those from the Maritime Provinces were George A. Drake and A. E. Murphy of Prince Edward Island. The course has included milk testing, cream separators, dairy bacteriology and general dairying. When the closing exercises ended, the students assembled together in the lecture hall to have their last meeting of Literary and Debating Society, where a very pleasant feature took place in the presentation of a handsome reclining chair and an address to the genial Superintendent, Mr. Mitchell. The address was read by A. E. Murphy, President of the Literary and Debating Society. An enjoyable evening followed. Mr. Mitchell expressed himself in good style as usual. All parted by singing God Save the King.

EVERYBODY KNOWS HIM

Winnipeg Man Who Never Tires of Telling What Dodd's Kidney Pills Did for Him.

WINNIPEG, Man., March 14.—(Special).—No railroad man running out of Winnipeg is better known than Mr. Ben Rafferty, C. P. R. engineer, whose home is at 175 Maple street. And there are few who know him who have not heard him tell of the great benefit he received from Dodd's Kidney Pills.

Nearly everyone knows of the hardships railway men endure. Mr. Rafferty got his full share of them and they left him almost a wreck. He had pains everywhere and was tired to death but could not sleep. He had to lay off work. Then he started to use Dodd's Kidney Pills and the first night after taking them he slept. They cured him completely.

Remarkable Curative Properties of a Remedy for Indigestion and Stomach Weakness.

Stuart's Dyspepsia Tablets, a preparation for the cure of dyspepsia and the various forms of indigestion and stomach trouble, owes its great success as a cure for these troubles to the fact that it is prepared for disease and weakness of the stomach and digestive organs only, and is not recommended or advised for any other disease.

It is not a cure-all, but for any stomach trouble it is undoubtedly the safest, most sensible remedy that can be advised with the prospect of a permanent cure. It is prepared in tablet form, pleasant to taste, composed of vegetable and fruit essences, pure pepsin and Golden Seal, every one of which act effectively in digesting the food eaten, thereby resting and invigorating the weak stomach; rest is nature's cure for any disease, but you cannot rest the stomach unless you put into it something that will do its work or assist in the digestion of food.

That is exactly what Stuart's Dyspepsia Tablets do, one grain of the digestive principle contained in them will digest 3,000 grains of meat, eggs or similar wholesome foods, they will digest the food whether the stomach is in working order or not, thereby nourishing the body and resting the stomach at the same time, and rest and nourishment is nature's cure for any weakness.

In persons run down in flesh and appetite these tablets build up the strength and increase flesh, because they digest flesh-forming food which the weak stomach cannot do, they increase the flow of gastric juice and prevent fermentation, acidity and sour watery risings.

Stuart's Dyspepsia Tablets can be found at all drug stores at 50 cents per package.

A DRUG STORE THAT IS A DRUG STORE

There are lots of drug stores. You may wonder whether it makes any difference where you take your prescriptions or where you buy your goods.

Our best promise is our drug store itself. Come in and investigate it from front door to back, from top to bottom. Bring in anybody else who is competent to judge and let them investigate methods, quality of drugs, prices and everything else. If you do, you are bound to become one of our customers because you will find that this is a real drug store worthy the name.
