ACKNOWLEDGED — The Trustee Board of the Protestant Orphanage gratefully acknowledges receipt of $500.00 from the estate of the late Florence Eliza Crabbe, City; also $5.00 from the Ebenezer Women's Institute, per Elizabeth Bowen.

HOSPITAL CAMPAIGN — The Campaign Executive acknowledges with thanks the sum of $100 donated by the Ladies' Aid of Trinity United Church, being the proceeds of two banquets.

POLICE COURT—At the Police Court yesterday morning, a man charged with being drunk and incapable, was fined $10 and costs or twenty days. A drunk and incapable was fined $5 and costs or ten days.

P. S. S. LITERARY CLUB—The Prince Street School Literary Club meets this afternoon at 3.15. A paper on Sir Rabindrinathe Tagore will be given by Mrs. K. S. Rogers. Some of Masefield's shorter poems will be read by Miss Weeks and Miss Bennett.

TWO FIRE ALARMS—The firemen were called out about noon yesterday to the residence of James McDonald, 96 Sydney Street, where an electric wire was sparking in the cellar and causing considerable smoke. The firemen were called out shortly after six o'clock yesterday morning for a fire in a barn in the rear of the residence of George Power, 92 Sydney Street. The blaze was over the door around electric light wires, which were cut after the arrival of the firemen, and a stream of water directed on the blaze. After about half an hour's work the men returned to the Fire Hall. The fire was discovered by Geo. Carr, who keeps his horse in the barn.

ISLANDER WINS OUT—Led by their brilliant captain, Edmund Duffy, again this season, the School for the Deaf Soccer team came close to winning the Junior Soccer title says the Halifax Mail. The School for the Deaf boys were the lightest and youngest team in the circuit, but despite these handicaps they were successful in winning four out of eight matches, lost but three, and drew one. All of which is not so bad for "school boys", when it is considered that they met stiff opposition in older, heavier, and more experienced players, but refused to "give" even under these conditions. The team this season consisted of the following players: Wilfred Melong, Harrison Robble, Sydney Edison, Edmund Duffy, Fenwick Langthorne, George Begg, Sydney Chapman, Matthew McPherson, Francis Fraser, Sylvair Arsenault, Arthur O'Keefe. Early in the school term Duffy, who is a son of Mr William Duffy, Bunbury, P. E. I., was proclaimed winner of the School for the Deaf goodfellowship prize an award given annually and decided by a vote of the student body to the pupil displaying the highest traits of good fellowship. He has been a pupil of the School for several years during which time he has played on the Soccer team. He is popular and well liked with teachers and fellow pupils alike.

BY THEIR OWN PRIVATE WIRE

NEW YORK, Dec. 8—The stock market was reactionary in tone all day, particularly the rails shares in which group there was heavy selling in New York Central and Atchison, both selling down about five points. The other portions of the list established lows of from a fraction to a full point under Saturday's close, remaining there for most of the trading hours. Good resistance, however, was offered by the Motor shares, encouragment evidently being derived from the success that has attended the Chevrolet division of General Motors, with the introduction of its new models there seems to be a feeling that the industry will enjoy a recovery in the spring. The final prices in the general market were slightly improved over the lows of the day, New York Central and Atchison recovering about a point from their lows while the other rails netted losses of from one to two points. In other portions of the list net losses of from a fraction to a full point were the rule, the Motors, however, maintaining their steadiness to the end of the selling in the high class rail issues was not accounted for by anything in the news but seemed to be either the activity of professional bears or clearing up of some special situation. An encouraging feature in the news was the prophesy that U. S. Steel unfilled tonnage as of Nov. 30th would show an increase of greater proportions than that at the end of October and would make the second successive increase, a fact of favourable significance.

PERSONALS

The many friends of Miss Mary Lappin will be glad to know she is convalescing nicely in the City Hospital.

Mr. and Mrs. M. R. Raymond spent a few days at the Hotel Montclair, in New York, before their departure for Europe on the Aquitania.

The many friends of Mr. Frank Jay, St. Peters, are pleased to learn that he is improving rapidly and are looking forward to his early, complete recovery.

Mr. Allan Forsythe has returned from the Prince Edward Island Hospital somewhat improved but he will still be confined to his room for some time. Under physician's orders he is retiring completely from business cares. His many friends will still look forward to meeting him after he has had a chance for a complete rest after which he will be able to receive visitors.

SAID THE MINISTER

I have been hearing complaints about the length of my sermons. Hereafter, the collection will be taken and counted before I begin to talk. The smaller the collection, the longer the sermon.

In midocean a girl who had been watching a miserable-looking man said to the women beside her: "Your husband is a poor sailor, is he not?"

"Certainly not," replied the woman; "he's a rich stockbroker."

The Wrong Man

A Negro woman who lost her husband was attending his funeral.

Rastus had rarely followed the straight and narrow path, but the parson conducting the service could do nothing but enumerate the deceased's virtues, the majority of which the Negro woman had never heard. She listened for some time, but at last could not stand it any longer and burst out: "Parson I think yo're burying the wrong man."

IN MEMORIAM

MR. FRANKLIN BOVYER

The death occurred at his home in Bunbury at 11 o'clock yesterday forenoon of Mr. Franklin Bovyer in the 81st year of his age.

Mr. Bovyer had been in delicate health for the past five or six years and for about a year had been confined to his bed gradually growing weaker until he peacefully passed away.

The late Mr. Bovyer was born in August 1850, at Bunbury. He was the son of the late Stephen and Catherine Norton Bovyer.

His great grandfather was a United Empire Loyalist, who, after the conclusion of the War of Independence, removed from Providence, Rhode Island, and took up land at Covehead in this province where he carried on farming until his death.

His son, John Bovyer, subseqnently removed to Bunbury and took up a tract of land named after the ancestral home of the family in England.

He too, carried on farming and here his son, Stephen, father of Franklin Bovyer, was born.

The latter like his father, grandfather and great grandfather continued farming on the Bunbury property and by his intelligence, industry and enterprise, achieved much success.

For a number of years he was engaged in the breeding of Clydesdale horses, which he imported from Scotland, visiting that country himself to select his stock.

In 1907 he took up fruit raising, specializing in strawberry culture, shipping large quantities of choice stock year after year.

He was regarded as one of the best authorities in this industry in eastern Canada.

In 1912 he went into the fox business and acquired a large number of animals, carrying on the business under his own name, then under the name of the Bunbury Fox Company, and the Bovyer Fox Company. In 1926 he disposed of his ranching interests. Since 1913 he and his wife have been living in a bungalow which he built on the Bunbury farm, the latter being carried on by his son-in-law, Mr. J. Walter Jones, the well known breeder of Holstein cattle.

On March 15, 1886. Mr. Bovyer married Miss Theresa Baker, daughter of the late John F. Baker of Summerside, and to them was born one child, Catherine Francis, wife of J. Walter Jones.

Mr. Bovyer possessed many fine personal qualities and had a very wide circle of friends. He always took a very deep and active interest in every measure tending to advance the welfare of the community. For a number of years he was secretary of the MacDonald Consolidated School of Bunbury. He was a deacon in the Christian Church at Cross Roads, a strong supporter of the Liberal party a prominent member of the Temperance Alliance and a consistent supporter and advocate of Prohibition.

Every worthy cause was generously supported by him and he was known for his deeds of charity.

Recently he gave a bequest of $25,000 to the Prince Edward Island Hospital, thus putting into effect a plan which he had in mind for some time, and this will be a worthy memorial to his benevolence.

He was the last surviving member of a family of six.

One of his brothers the late Frederick Bovyer, resided in Georgetown Royalty and was a successful live stock breeder specializing in Shorthorn cattle and sheep. He also carried on fruit growing extensively.

A sister, Louise, was a physician at Lincoln, Nebraska, and had the honor of being the first lady physician from Prince Edward Island.

By the death of Mr. Bovyer, Prince Edward Island has lost one of her most intelligent and upright citizens, whose career should prove an inspiration to all who have faith in this beautiful province.

To his widow and only daughter who today mourn the loss of a loving husband and father, the Guardian extends its deep sympathy.
