THE MARKETS

(Canadian Press)

Dominion Live Stock.

MONTREAL, April 6.—Cattle receipts 685. At the opening of the market the best cattle were picked out at prices ranging from \$7 to \$8. In these lots were included an occasional choice heifer up to \$8 and a few lots of good killed steers, one of the best heifers sold was shipped from Ayers Cliff. One weighed 1365 pounds and brought \$3. The demand today was principally for kinds of stock that could be used for the Easter trade. Sales on other lines were a little drab.

Quotations:—Butcher steers, good \$7.50 to \$8.00; Medium \$6.75 to 7.25; Common 6.75 to 6.50; butchering heifers, good 6.75 to 7.50; medium 6.00 to 6.50; common 4.00 to 5.50; butcher cows, good 5.75 to 6.75; medium 4.00 to 5.25; canners 2.00; steers 2.50 to 3.00; butcher bulls, good 5.00 to 6.00; common 4.00 to 4.75.

Call receipts, 146. A few good heavy veals were picked out for local butchers at \$7.50 and \$9 but the general run of calves sold from \$6 to \$7. Medium ones realized from \$6.50 to \$7 and the common lots \$6 to \$6.25 with a few of the poorest at a lower figure. Bulk of sales \$6 to \$6.50. There were no straight lots of good calves offered.

Quotations:—Good veal, 7.50 to 8.00; medium 6.50 to 7.00; common 6.00 to 6.50; sheep receipts 142. A number of common quality yearling lambs were received and these sold together with fair quality sheep at \$7 and \$7.50. An odd good weight spring lamb brought from \$9 to \$11 each.

Quotations:—Ewes 7.00 to 7.50. Hog receipts 2,318. Hog prices were a shade easier with last week end. Selects realized \$14.25. Mixed lots of good weight and fair quality sold from \$13.50 to \$13.75. Hogs of poorer quality and weights \$13.25. Sows were \$11.25 to \$11.50.

MONTREAL, April 6.—There was a fairly good enquiry from the United Kingdom and the continent for Canadian grain here today, but owing to the further strength in the Winnipeg market, the bulk of the firm bids received were out of line and little business of importance was accomplished. There was some demand on spot for sample oats and sales of a few odd loads were made at one cent per bushel under the Winnipeg May option c.f.f. Montreal. In sympathy with the further strength in oats at Winnipeg. Local prices were advanced another cent per bushel. The feature of the local flour trade was the advance of 20 cents per barrel for spring wheat grades. This was attributed to the further strength that developed in the Canadian cash wheat situation. There was no improvement however in the volume of business in any direction, there was also a better feeling in the market for winter wheat grades and prices were advanced ten cents per barrel. There was no change in the condition of the millfeed, market prices being steady with a moderate amount of business reported. The market for rolled oats was inactive, but the tendency was steady. A weaker feeling developed in the egg market and wholesale jobbing prices for all grades were reduced one cent per dozen, which was due to the increased arrivals and the

fact that supplies are now in excess of the daily requirements, with the result that some houses have commenced storing operations owing to the fine quality of the goods now coming to hand. The receipts were 2,331 cases as compared with 1,999 on the same day last week and 4,125 for the corresponding day a year ago. The volume of business transacted in butter was fair and prices were steady. The trade in cheese was quiet with a fair demand for No. 1 white and colored grades at 22 to 22 1/2 cents per pound and No. 2 grades at 21 to 21 1/2 cents per pound.

OTTAWA, April 6.—(EGGS) —Receipts of eggs are reported to be increasing fast and prices declining today. Ontario country shippers are paying extras 27, firsts 25, seconds 21, and making sales of extras 30, firsts 28, seconds 24. The market should be good this week for live fowls as the Jewish Passover comes on the 9th and for this fat heavy fowl is in demand. Toronto jobbing extras 34, firsts 33, seconds 29 to 30. Montreal jobbing extras 37, firsts 35, seconds 30 to 32. Winnipeg dealers quoting delivered extras 26, firsts 24, seconds 22. “Joe” Pope Retires

The Montreal Star pays the following tribute to Sir Joseph Pope, Uncle of Mr. Percy Pope.

In the retirement of Sir Joseph Pope, Under-Secretary of State for Foreign Affairs, Canada loses one of the best equipped and most capable of her public servants. Sir Joseph is more than a master of the methods of diplomacy in which department of world affairs his later years have been spent; he is himself a natural diplomat who would have graced any of the historic services of the older European countries.

He learned his first lessons in a good school. Those of us who have been long in the field of political journalism, remember him as “Joe” Pope, the always urbane and popular private secretary of Sir John Macdonald—and by far the best of his biographers. To know Sir John Macdonald intimately was in itself a liberal education in the arts of handling men and issues. No one could have given the young Pope a better start in the delicate, the intuitive tactfulness, the penetrating knowledge of human nature required in the positions he was later to fill.

In our “Foreign Office” Sir Joseph has been invaluable. He has been the guide, philosopher and friend of many Ministers. He has been the acceptable representative of Canada in greeting and unostentatiously guiding through our country countless distinguished visitors. Whenever the Government had to send a man on some such errand of peculiar delicacy, they invariably sent “Pope.” His place will be very difficult to fill. Diplomats are not only born, but very laboriously made. Our Foreign Office must at least understand foreigners and foreign affairs—and these are the last things with which most Canadian politicians busy themselves.

MRS. CHAS. TRIMPER

Bear River, N.S.—It is a pleasure to me to write a few lines about Dr. Pierce's Golden Medical Discovery. In August 1923 I was taken sick and a doctor was called. He pronounced my case inflammation of the stomach and attended me for about a week, but I was getting worse. My son advised me to try Dr. Pierce's Discovery. I did so, and am glad to say in twenty-four hours I was out of bed. I am still taking Dr. Pierce's medicine. I have not had a doctor since. I am feeling well for a woman past sixty. I would highly recommend Dr. Pierce's Discovery to any similar sufferer.—Mrs. Charles Trimper, Route 1, Golden Medical Discovery is put up in Dr. Pierce's Laboratory in Bridgeburg, Ont., and sold by all druggists in both tablets and liquid. Send Dr. Pierce 10c for trial pkg.

Stomach Distress

TULLOCHGORUM

To the following incident his most popular song, “Tullochgorum” owed its origin: In the course of a visit he was making to a friend in Ellon (not Cullen, as has been stated on the authority of Burns), a dispute arose among the guests on the subject of Whig and Tory politics, which, becoming somewhat too exciting for the comfort of the lady of the house, in order to bring it promptly to a close, she requested Mr. Skinner to suggest appropriate words for the favorite air, “The Reel o’ Tullochgorum.” Mr. Skinner readily complied and, before leaving the house, produced what Burns, in a letter to the author, characterised as “the best Scotch song ever Scotland saw.” The name of the lady who made the request to the poet was Mrs. Montgomery, and hence the allusion in the first stanza of the ballad:

TULLOCHGORUM

Come gie's a sang Montgomery cried,
And lay your disputes all aside;
For what was done before, them?
Let Whig and Tory all agree,
Whig and Tory, Whig and Tory,
Whig and Tory all agree.

To drop their Whig-mis-morum;
Let Whig and Tory all agree
To spend the night wi' mirth and glee,
And cheerful sing along wi' me
The Reel o' Tullochgorum.

O Tullochgorum's my delight,
It gars us a' in ane unite.
And ony sumph that keeps a spite,
In conscience I abhor him;
For bythe and cheerie we'll be a'
Blythe and cheerie, blythe and cheerie.

Blythe and cheerie we'll be a',
And mak' a happy quorum;
For bythe and cheerie we'll be a',
As lang as we hae breath to draw,
And dance to we like to frae,
The Reel o' Tullochgorum.

Gleanings Here And There

On Tuesday evening, March 3rd, a number of young people from Clyde River and vicinity gathered in the home of Capt. W. C. and Mrs. MacArthur to bid them farewell in view of their leaving soon for New York State where they purpose to reside. Speeches suitable to the occasion were made by Dr. Randolph Murchison, Edward MacPhail, Gordon McMillan. A valuable purse of money was presented to Capt. and Mrs. MacArthur by Dr. Randolph Murchison on behalf of the young people who had come to show their high appreciation of them as citizens of Clyde River. Capt. MacArthur on behalf of his wife and himself thanked the donors for their remembrance of them and welcomed all to his home. The evening was pleasantly spent in games and dancing. Excellent music was furnished and all were pleased to honor a worthy young couple. Capt. MacArthur is a returned soldier, who at the close of the war purchased a farm in Clyde River. He was one of the first of the brave boys from this province to volunteer for service during the recent war. He went overseas as a private and gained the rank of Captain, being promoted on the field of battle. Both Capt. and Mrs. MacArthur are very highly respected by a large circle of friends and acquaintances who regret very much their leaving this province for the United States. They intend to leave the first week in April.

Mr. Thomas Bell of Lower Tryon recently sold his valuable farm to Mr. Ross Boulter of the same place. The purchase price reported to be eight thousand dollars. The farm is a beautiful property consisting of one hundred and forty acres. Mr. Bell last year was a victim of a severe form of paralysis which has incapacitated him from carrying on farming on a large scale. Mr. and Mrs. Bell are well known and very highly esteemed.

Mr. E. G. Saunders of the firm

of Saunders & Newson, Charlottetown, a short time ago visited Crapaud, Hampton and surrounding districts buying fat cattle and is paying good prices for superior stock. As Mr. Saunders has been dealing with farmers here for a number of years his is a welcome visitor more especially when the prices are high.

Mr. Cam. Holland of Tryon, has bought from Mr. Boyd Lowther of Crapaud his trotter, “Darkwood Beauty.” It is rumored Mr. Lowther is contemplating a move to the west.

The many friends of Mr. Wallace Toombs of Tryon, who was seriously injured in the back by kicks from his horse are much pleased to know he is improving rapidly. Mr. Toombs has passed the three score and ten mark and fears were expressed that his injuries might prove fatal. On the night of March 16th on going up beside his horse with a lantern he accidentally stumbled and the lantern going out his horse became frightened and started kicking. Mr. Toombs fell on his stomach and the horse kicked him several times in the back fracturing six ribs and giving him bad bruises. Though wounded badly Mr. Toombs was able to walk into his home and will soon be around as usual. During his illness his son Roy of Rustico and his brother Hammond of Kensington visited him.

Mrs. F. M. Pidgeon and her daughter Thelma are visiting her mother, Mrs. H. Bowness, Kensington.

Mrs. Pearl Snow and her daughter Myrtle of Victoria have recently returned to Brookline, Mass.

Mrs. Elizabeth Lang, of North Tryon, who spent the winter in Summerside, with her sister, Mrs. Waite has returned to her summer home.

Mr. Ralph Darrach, son of Mr. and Mrs. Hector Darrach of Clyde River left for Dorchester, Mass., on March 27th where he purposes learning the plumbing business
