Report Satellites Are Going in the Red

Western diplomats point to the fundamental economic weakness of Soviet satellite states as a clue to present Russian foreign policy. These Communist nations are valuable to Russia because of their strategic position, their resources and manpower. Many believe the Kremlin will concentrate on giving its allies an economic shot-in-the-arm. This map gives a country-by-country picture of the economic conditions and standard of living in these Iron Curtain nations.

'GUN SMUGGLERS' PART OF DOUBLE BILL AT CAPITOL, SUMMERSIDE

An unusual story of cowboys, bandits and the Army is presented in "Gun Smugglers", newest RKO Radio drama starring Tim Holt in a trigger-paced Western. On the Arizona border in the Nineties, a group of outlaws, using a small boy as a decoy, ambush an Army wagon train and make off with a valuable shipment of Gatling machine guns. The Army sergeant in charge of the train is court-martialed and disgraced, but two of his cowpuncher pals join him in an effort to find the guns and square matters with the bandits. Their exciting adventures in tracking them down and their efforts to straighten out the juvenile member of the outlaw gang, make for plenty of thrills. Holt and his team-mate, Richard Martin, portray the two cowboys, and Martha Hyer has the feminine lead as the daughter of the Army Colonel, with Gary Gray as the small boy and Paul Hurst as the sergeant. Douglas Fowley, Robert Warwick, Don Haggerty and Robert Bray also have important roles. Produced by Herman Schom, Frank McDonald directed from Norman Houston's screenplay.

To Keep Your Step FULL OF PEP

It's Dodd's You May Need! Trouble starts when your kidneys slow up. You may feel tired all the time. Backaches, headaches, can soon follow. Help keep your kidneys in good order by using Dodd's Kidney Pills—the 50-year-old remedy with a reputation for quick results. Just say "Dodd's Kidney Pills, please" to your druggist. Look for the blue box with the red band and the name Dodd's. 150

Dodd's Kidney Pills will then be widened to between 31 and 32 feet, making it one of the widest tunnels in the world. Only two other tunnels in Britain are longer—the Severn and the Tolley.

Centennial Services Held In Springfield Anglican Church

In commemoration of St. Elizabeth's Anglican Church, Springfield centennial special services were held in the church, on Sunday, July 17th, 1949. In the morning the sacrament of Holy Communion was celebrated by Ven. G. R. Harrison, Archdeacon of P. E. Island, assisted by the newly arrived rector, Rev. S. J. Armstrong. Rev. E. Freeman, rector since 1944, early this year, received the appointment of curate at St. Paul's, Halifax, and was unable to be present. Of special interest at this service, was the dedication of two beautiful vases, and a cross, of burnished brass. Given in loving memory of Mary S. Haslam Bagnall, R. Phillip Bagnall, L. Gertrude Bagnall, Harriet Bagnall Grosow, and William Austin Bagnall, by M. Elizabeth Bagnall and M. Edna Essery; and a fine new communion table, given in loving memory of Robert Haslam and Jane Weeks Haslam, by their family. Beautiful flowers in the new vases, and elsewhere further enhanced the tranquil beauty of the little church, on this bright Summer morning. The organist, Miss Marjorie Haslam, and the church choir, led in the singing of the hymns of dedication and praise. Mrs. Stefford Mullins and Mrs. John MacQuarrie of Craipaud, sang with sweet expression, the selection, My Father Knows, with accompaniment by Miss Ethel Inman.

Rev. Mr. Armstrong welcomed the Archdeacon and friends from other churches, read greetings from Archbishop Kingston, Primate of All Canada, and acknowledged congratulations from other friends who could not be present. Archdeacon Harrison brought greetings of the Diocesan Church Society held recently at Kensington. Taking for his text, Psalm 28, Lord, I have loved the habitation of Thy house, Mr. Harrison told his hearers that love of God had inspired the worship in the church, through the years and the giving of the gifts dedicated here today, and would continue to be an inspiration to worship, in the years that lie ahead. "The presence of God is the most sustaining force that we can have here, and one who does not realize the presence of God must be a very lonely person—so from this house, may the presence of God, go with each of you." He said, in effect, that this church was built by "your forebears for though God is present everywhere. He is present, here in a special sense, as He was in the Manger at Bethlehem, and at the Cross, and those who were with him received a special blessing. Worship, he portrayed, as "body, soul and spirit, our whole personality", in union with God, responding to Him, and losing ourselves "in that great ocean of the Divine Love." But we must give Him, not only praise, not only devotion, but the gift of ourselves; "as this house is an outward expression of that inward devotion, that zeal of love for our God, "we, all of us feel unworthy, and only as we find ourselves united in that sacrifice of the Almighty, then our small sacrifices become worthy, in the sight of God—"We may be permitted to suffer with Him so that at the last, we may be permitted to walk with Him to the very heights of Eternity."

Appealing to the people to keep the house of God worthy, that His presence might be the reality of life, he concluded his stirring message, with an invocation of blessing on church and congregation. Evening Service. The evening service was attended by a congregation so large as to overflow the capacity of the church, to which the rector extended a welcome. Mr. Armstrong also welcomed Rev. J. T. Ibbott, rector of St. Paul's, Charlottetown, who preached the sermon, the men's choir of St. Paul's with their organist, Mr. Royston F. Mugford, A.R.C.O., and Mr. Richard Meecham, a divinity student, who read the lessons. Rev. Mr. Ibbott brought greetings and congratulations from St. Paul's. Taking for his text, verses 6 and 7 of the 2nd. chapter of Colossians: "As ye have, therefore received Jesus Christ, the Lord, so walk ye in Him, rooted and built up in Him, as ye have been taught, abounding therein with thanksgiving," he spoke on the part the church has played in the life of the community. "The influence of a church does not depend on the size of the church or the congregation" the speaker said. He told of visiting the historic church at New London, with its old and always well cared for cemetery, then the Geddie Memorial Church, from which the Rev. Dr. Geary went to the New Hebrides, "where there was not a Christian, and when he left, there were no heathens", and his name is known throughout the world, and this

Grand River C. W. L. Meeting

The monthly meeting of the Grand River C.W.L. was held at the home of Mrs. Neil McLellan on Tuesday evening, July 12, with 17 members and a large number of visitors present. The president, Mrs. Angus Gillis opened the meeting by prayer. The minutes of the June meeting were read and approved. The president gave her report which was followed by reports from the secretary, treasurer, and the various conveners. The treasurer's report showed the amount of \$43.90 on hand, including \$14.00 membership fees since last meeting, plus \$1.00 donation. It was moved and seconded all bills be paid; it was also moved and seconded Mrs. Sank Praught and Mrs. N. J. McLellan assist in caring for the Sanctuary. It was decided to donate the usual Catechism prizes, for pupils of the parish making the highest marks in the Diocesan examinations. The majority of the lottery books were sold; several papers were read, and a discussion followed on ways and means to raise money for church purposes. Mrs. report showed the amount of \$43.90 on hand, including \$14.00 membership fees since last meeting, plus \$1.00 donation. A special feature of the evening was a presentation to a former member of the League, Mrs. John J. McNeill, now residing in another parish. An appropriate address was read by Mrs. J. A. Brown and a beautiful stirling and crystal rosary and missal was presented by Mrs. Angus Gillis. In her address Mrs. Brown referred to Mrs. McNeill as a valued member of the C.W.L., and also made reference to a few of her many outstanding acts of true Christian charity. Mrs. McNeill replied in her usual gracious manner and invited everyone to visit her in her new home in Miscouche, after which all joined in singing "For She's A Jolly Good Fellow", accompanied by Mrs. Joseph MacDonald.

Mrs. Marshall McLellan kindly invited the members to her home for the next meeting, roll call to be answered by "A penny an inch around the waist". Meeting closed by prayer. Those assisting in serving lunch, were Miss Mary C. McInnis, Mrs. Ben Peters, Mrs. Sank Praught and Mrs. Angus Gillis. church, "with its wondrous contribution to the missionary church," by Dr. Haslam and Miss Florence Haslam. He reminded his hearers that "the church of England in Canada, today, worship in churches, which did not cost us one cent", but were built by the sacrifices of our forefathers, who lived for their children's children, that they might leave them a greater heritage, and declared that "if the church is to survive, we must open our eyes to reality". Meeting closed by prayer. A broader viewpoint, "We need to go out with a great spirit of determination to fulfill our mission," and put to fuller use, our God given talents, for from seemingly little people, do come great things. In closing the minister asked God's special blessing on the congregation. St. Paul's men's choir led in the singing of the Churches grand old hymns, and for the offertory, sang the selection Guide Me, O Thou Great Jehovah in a special arrangement for the Laymen's choir, by the organist and choir master, Mr. Mugford. The Anglican church of St. Elizabeth's in Springfield, in Queen's County, has stood for one hundred years, as a beautiful memorial to a beloved woman, for whom it is named, and no less, so, to the man who erected it, to the glory of God, so that he, and those about him, might have a fitting place in which to worship. Standing as it does, beside the ribbon of road, which is part of the province's main highway, it's steeple, rising above the surrounding trees, may be seen from afar. St. Elizabeth's was founded in the year 1849 by Thomas Haslam. Thomas Haslam and his wife Elizabeth (Moore) emigrated to Prince Edward Island, from Ireland, in the year 1818. They moved to Springfield in 1823. In March, 1848 Mrs. Haslam passed away, and was buried in land set aside for church purposes, by Sir Gabriel Wood, this being the first burial recorded. In 1849, Thomas Haslam, assisted by his seven sons, erected a church, which has ever since, borne the name of St. Elizabeth's, in memory of his late wife. The church was consecrated by the bishop of Fredericton in 1849. A chancel was added later, and was consecrated by Bishop Binns in 1865. The church was renovated in 1889, and re-opened in 1890. The first baptism recorded in the register, took place in 1848, and the first marriage, in 1851.

Fresh or dry - it's FLEISCHMANN'S YEAST for finest baking results!

A tasty batch of tender, fragrant dinner rolls . . . or sweet spicy buns hot from the oven! With such perfect results, no wonder Fleischmann's Yeast has been the favorite with Canadian women for over 3 generations. If you bake at home, whenever you bake, you can always depend on Fleischmann's Yeast to give you superb rising action . . . speedy table satisfaction!

THREE-MILE TUNNEL BEGUN IN ENGLAND

MANCHESTER, England, July 19.—(CP)—Work has begun on the largest railway engineering project to be undertaken in Britain this century—a new tunnel in the Woodhead region between Manchester and Sheffield. More than three miles in length, it will carry a double set of tracks for electric trains. It is expected to be ready by the end of 1952. The first tunnel will be an 11-foot pilot tunnel which will take about 18 months to complete. It

will then be widened to between 31 and 32 feet, making it one of the widest tunnels in the world. Only two other tunnels in Britain are longer—the Severn and the Tolley.
