Our fireworks will be the finale to our evening's entertainment. Triple columns of National Colors—Three gigantic batteries of Roman Candles.  
Fountain Number—This consists of six Fountains that produce lovely sprays of Golden Spangles over 15 feet in height.

Niagara Falls—With sparks, spangles and coruscations will be the finale and it will light up the surroundings like a veritable fairyland—  
And the night shall be filled with gladness.  
And the cares that infest the day  
Will fold their tents like the Arabs  
And as silently steal away.
