Cleanliness is Next to Godliness

If you want your home thoroughly clean and healthy, have it done scientifically. Ordinary disinfectants give only a false sense of security. Microbes and bacteria lurk beyond the reach of the most particular housewife. I use only the latest approved method which is a perfect germicide and endorsed by all Boards of Health and Health officers.

Charges moderate.

—A fire occurred in John Campbell's blacksmith shop, Wellington, Saturday, burning the building and its contents, consisting of tools, sleighs and a disc harrow. The fire was discovered at ten o'clock and a number of people rushed to put it out. They succeeded by strenuous efforts in saving the adjoining buildings. Mr. Campbell's loss is about $250.

—Harry Hodgson, Charlottetown, has resumed his work in the P. E. I. R., Summerside.

—Cushing, right wing on the Victoria hockey team and formerly of Summerside was taken to the hospital after the last game at Moncton, his left eye being in bad shape. He was struck in the eye by the puck during the Marysville game when a severe cut and bruises were inflicted, and early after the other game started, he received a blow from a puck in exactly the same place. He showed great pluck in continuing to play with the sight of only one eye.

—A large and appreciative audience upwards of three hundred, were present at the lecture on Rome given by Rev. E. J. Rattee, B.A., in St. Malachi's Hall, Kinkora, recently. Murphy, Dr. McGuigan and others, was tendered to the reverend gentleman by the chairman, Rev. J. J. McDonald.

—Fairyland has a rich treat in store for its patrons in Summerside tonight and tomorrow night, in the persons of Boulden and Quinn, the great musical wonders. Their act consists in the playing of several musical instruments and in the manipulation of bells of all kinds including the Swiss Chimes, out of which they produce most pleasing music. Their running fire of sallies and jokes during the performance adds an element of comedy which makes it bright and sparkling. The time occupies sixteen minutes and together with the splendid pictures will afford a solid hour's enjoyment. The program begins at 7 o'clock thus giving the skaters ample time to attend Fairyland before rink.
