

S' Side Track Racing Record Broken

S' Side Record Lowered To 2.09 By Hal McKinney Believe Athletes Play Big Part To Maintain Country's War Morale

Yesterday's race card at Summerside was one of the most exciting of the season. It was filled with surprises from start to finish with horses turning up with new records.

Hal McKinney, 2:06 1-4, owned by Milton Bell, Charlottetown, clipped a second and a quarter off the track pacing record of 2:10 1-4, made by Uscita Britton, 2:09, Labor Day, Sept. 7. Hal McKinney's mile was in 2:09 and shows that he is getting back to the form he displayed over Michigan race tracks last season and the previous one.

Although two of the races were won by the straight heat route, the finish was close and exciting with the horses bunched more or less closely in every heat.

Highlights of No. 1 classified were the performances of Winnie Scott who took a record of 2:20 1-2 Labor Day and lowered it to 2:13 1-2 yesterday. Silent Mac paced better than his record in that heat. Notable too was the good performance of the trotter Miss Belle Aubrey who finished second to Winnie Scott in the first heat. Kelly's Nightmare trotted a great third heat finishing right up with the leaders, Winnie Scott and Silent Mac.

Free For All Most everyone expected this race would be won by Millie Kalmuck or Uscita Britton but Hal McKinney nicely driven by E. Moreside, made every heat a winning one and closed by pressing in the third by Millie Kalmuck to set a new track pacing record of 2:09. In the first heat Uscita Britton, was second, Millie Kalmuck third and Paul Abbe fourth with Bedford Gratton fifth. The first heat positions were identical except that Millie Kalmuck was the runner-up to Hal McKinney with Uscita Britton third. The last heat was a "run danger" with everybody trying desperately to reach the wire first. Hal McKinney won by a neck, Millie Kalmuck second, Uscita Britton third, Paul Abbe fourth and Bedford Gratton fifth. Paul Abbe showed sensational bursts of speed but breaks lost him much ground placing his summary at fourth.

No. 2 Classified This turned out to be one of the best races of the season with every heat surprisingly good. In the first Bebe McElwain came home in high style with Boy Barnett handling her in great style. Jack Clyde put up a bang-up effort to land a close second; the trotter Scottie Watson third, with the Coveted pacer Silent Sam fourth and Bonnie Scott fifth. In the second heat Bonnie Scott showed her best form since coming to the Maritimes beat-

ing out Bebe McElwain and Jack Clyde in a rousing finish with Scottie Watson fourth and Silent Sam fifth. In the third heat Scottie Watson snowed down his field in the last quarter and won by a neck from Silent Sam with Jack Clyde third, Bonnie Scott fourth and Bebe McElwain fifth. In the fourth heat Scottie Watson lowered his record by two seconds. The three heat winners raced a fourth heat to decide the winner of the race and Bonnie Scott showed the most brush landing first with Scottie Watson second and Bebe McElwain third.

Four Brooklyn Fans charged With assault BROOKLYN, Sept. 16—(AP)—Charges of assault were brought against four Brooklyn baseball fans today following a free-for-all at Ebbets Field in which three ushers and Dixie Walker and Mickey Owen of the Dodgers also were involved.

Charges were filed against Michael Vigilante on complaint of Chester Beves, Walker suffered bruised knuckles on one hand when he and Owen took up the light after one of the four had passed disparaging remarks about the Brooklyn outfielder.

According to the four spectators, they intended to ask all the Dodgers to autograph photographs which had been hanging on their club walls. They said Whitlow Wyatt and Walker had signed one each when the three ushers started to throw them out.

After the ushers gave ground, the two ball players took up the fistful argument and in a few minutes were surrounded by several of their teammates while members of Pittsburgh Pirates piled out of their dugouts to watch the fight.

By John Dauphinee Canadian Press Staff Writer OTTAWA, Sept. 16—(CP)—Behind the decision to give the go-ahead signal to wartime professional sport in Canada and the United States is the belief of manpower authorities that athletes can—and do—play a big part in maintaining morale.

Elliott M. Little, director of National Selective Service, made that clear today in a one-paragraph statement relayed to the press by a member of his staff. He was talking specifically about the National Hockey League, now making plans to function in its fourth season of wartime hockey.

This is what he said:— "The number of men involved is so small that it is not considered desirable to destroy the existing media of relaxation through which hundreds of thousands of people—many of them war workers—find enjoyment which permits them to contribute their maximum to production while they are on the job." Yesterday's announcement—simultaneous in Ottawa and Washington—put the stamp of approval on continuation of professional sport but did not preclude consideration will be given to paid athletes under mobilization regulations. It was a joint decision by selective service heads in the two countries. Plenty of thought went into it, too.

It came at a time when the manpower situation in Canada and any rate, is nothing short of critical. A drive is under way to get women out of the home into industry. There have been announcements that non-essential activities will be curtailed or eliminated—the emphasis on the latter.

Spokesmen in Little's office said all these matters were taken into consideration before Ottawa and Washington said yesterday that:—"While neither country has any intention of granting exemption from military service to hockey players or other athletes, there is objection to allowing men who are not subject to military service to continue their professional athletic activities unless and until they are requested to engage in some non-military war duty."

Joe O'Brien, skilful Charlottetown harness racing driver, drove winners in every heat of four races in which he performed at the final program of the Truro harness racing season today. He was not entered in the fifth race on the card.

With Dudy Patch, owned by the New Glasgow Racing Club, O'Brien took two straight heats from Victor Lee, owned and driven by A. Langille, Hartland, N.B., in a match race featuring the program.

Driving Al Gratton, owned by George Gray of Moncton, he took the \$300 free-for-all in straight heats. In the \$300 No. 1 classified trot and pace, he guided June Evans, also owned by Gray, to three straight wins. In the \$250 No. 2 classified trot and pace, he won out with Peter Reamore, owned by Dr. Clough of Inverness, N.S., in straight heats.

Jacob Withrow, owned by W. Jacob of Halifax and driven by William Hood won the \$250 No. 3 classified trot and pace, placing first in the first two heats and running third in the final.

Remember When Cards drub Braves to Protect lead Yanks whip Tigers 5-1

NEW YORK, Sept. 16—(AP)—Bobby Riggs and Alice Marble completed a sweep of the Wimbledon and United States tennis singles championships at Forest Hills, N. Y., three years ago today. Riggs turned back young Wilby Van Horn in straight sets to succeed Donald Budge as national champion, while Miss Marble defeated former champion Helen Jacobs, 6-0, 8-10, 6-4.

NEW YORK, Sept. 16—(AP)—St. Louis Cardinals protected their two-game National League lead by drubbing Boston Braves 6-2 today at Boston behind the effective nine-hit pitching of Ernie White, their ailing southpaw.

Showing no ill effects from their furious home-stretch pace in the pennant parade, during which they have won 33 of their last 39 games, the Red Brds climbed on Jim Tobin early and were in front all the way as they handed him his 20th defeat of the season.

Backed up White, they tagged Tobin for nine hits altogether, but they bunched five of these in the sixth inning for a game-winning four-run outburst to maintain their bulge over the second-place Brooklyn Dodgers.

At St. Louis, although there was nothing at stake in the matter of that standings, the large-place St. Louis Browns shut out Boston Red Sox 3-0 on a seven-hitter by Jojime Niggeling.

Tribe Ends Losing Streak At Cleveland, Jim Bagby's five-hit pitching defeated Washington 5-1, gave him his 16th victory of the year, ended the Indians' losing streak at six games and strengthened the Tribe's wavering hold on fourth place.

At Chicago, the White Sox lost a 4-2 decision that Philadelphia Athletics took with an eighth-inning rally.

At Philadelphia, Chicago Cubs split a doubleheader with the Phils. The Cubs won the second game 4-1 after losing the opener 3-1.

Reds Conquer Giants Here in New York, home runs by Frank McCormick and Max Marshall carried Cincinnati Reds to a 3-1 victory over New York Giants, the Reds' sixth straight triumph on the current eastern swing.
