PICTURES AT THE PEOPLE'S THEATRE—An excellent program of pictures at the People's Theatre tonight. See ad in this issue. 226.

GOING OVERSEAS.—Messrs. Clifford A. Conrad and Harold H. Nicholson both of Georgetown, P. E. I., have arrived in Charlottetown to join the No. 5 Siege Draft lately organized under command of Lieutenant Beer. Gunner Conrad has one brother, Gunner Benjamin Conrad of the 98th Siege Battery who was wounded some time ago and though he is the only remaining son Gunner Clifford has nobly responded to the call. Gunner Nicholson is but a mere boy yet he has shown a man's courage and a man's example and goes to reinforce the boys in France undauntedly.—J.

AT PEOPLE'S THEATRE.—The program of pictures for tonight and all this week will be put on at the People's Theatre instead of the Prince Edward on account of the Gladys Klark Co., playing at the latter Theatre. 226.

ISLAND NURSE HONORED, Miss Winifred McLeod, nursing sister, daughter of Mr. and Mrs. John McLeod, of Charlottetown, was one of the Canadian nurses who recently had the honour of being received by their Majesties the King and Queen at a party given in Windsor Castle. The nurses were afterwards conducted through the State apartments and before leaving partook of tea in the dining room. The following day their Majesties visited the Duchess of Connaught Hospital, where the King decorated one of Miss McLeod's patients with a military medal.

MOTHER? YOUR CHILD IS CROSS, FEVERISH, FROM CONSTIPATION

If tongue is coated, breath bad, stomach sour, clean liver and bowels. Give "California Syrup of Figs" at once a teaspoonful today often saves a sick child tomorrow. If your little one is out-of-sorts, half sick, isn't resting, eating and acting naturally—look, Mother! see if tongue is coated. This is a sure sign that his little stomach, liver and bowels are clogged with waste. When cross, irritable, feverish, stomach sour, breath bad or has stomach-ache, diarrhoea, sore throat, full of cold give a teaspoonful of "California Syrup of Figs" and in a few hours all the constipated poison, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again. Mothers can rest easy after giving this harmless "fruit laxative," because it never fails to cleanse the little one's liver and bowels and sweeten the stomach and they dearly love its pleasant taste. Full directions for babies, children, of all ages and for grown-ups printed on each bottle. Beware of counterfeit fig syrup. Ask your druggist for a 50-cent bottle of "California Syrup of Figs"; then see that it is made by the "California Fig Syrup Company."

105TH CIRCLE CLUB.—The 105th Comfort Circle which will be situated in the centre of the Exhibition Building just opposite the big front door, promises to be a most interesting attraction for the coming Fair next week. Here the 105th Commemoration Buttons will be sold to assist the Circle's praiseworthy work of forwarding necessities and comforts for 140 of the brave Island boys overseas. Everyone is now aware of how much this work means to the boys and in addition to assisting the good work, each person who buys a button also secures for himself or herself an historic little war souvenir. Sample parcels of comforts ready for mailing will be displayed and any questions regarding how to do up parcels for the front will be gladly answered. There will also be a table of field comforts in order to show the sort of donations they are always most acceptable for forwarding. Directions for knitting the new sleeveless sweater and half gloves were received from England by the Secretary of the Circle a short time ago. Copies of these have been printed and will be distributed without charge to any patriotic worker who would care to know how to knit these most useful articles. Relatives of any of the old 105th boys (or the last Drafts which left in May) who are in the City Exhibition week will have an opportunity to inquire into the work the Circle is doing and if interested they may enroll as members when visiting the Comforts Circle Booth. There will also be a Soldiers' Register and the Circle would be proud to have the names of these in khaki who visit the Fair.
