FUNERAL TODAY.—The funeral of the late Mrs. Stewart Mutch will take place today (Tuesday) the 17th from her late residence in Earnscliffe service commencing at 12 o'clock. Interment Cross Roads cemetery. Lot 48.

GIFTS MUCH APPRECIATED.—All who kindly sent remembrances to 70 Prince St., in December for the boys of the 98th Siege Battery, now No. 2 Siege Battery, will be pleased to know that a letter dated March 15th, from Major W. B. Plowse to Miss Stanway, states everything had arrived and had been distributed. The Major asks that the thanks of the battery, both officers and men, be extended to all the donors. This shipment, consisting of ten small cases was unfortunately caught in the congestion of supplies on both sides of the Atlantic, but came in splendidly after the boys' Christmas parcels were used up and was none the less welcome.

MR. WRIGHT ANSWERED

Sir,—In Mr. Horace Wright's letter in the Guardian of the 16th inst. he mentions my name in connection with a trip to Bedeque in my auto at his instigation. In so far as he promised that the Anti-Auto Association would not prosecute under the circumstances of the case, this is quite true. But he is mistaken in stating that a horse and wagon could have made the trip as fast. I made the trip in 45 minutes from Summerside to his home. I am told it took three and a half hours in daylight to take a nurse out from Summerside the same day. The other doctor he referred to took two and half hours going and three and a half returning and tells me his horse was no good for four days afterwards. I know that if Mr. Wright had to follow a doctor day and night for one month he would soon be in favour of the cars for doctors. I think, Mr. Wright was under the impression that I inspired "Islander" which is not the case.

I am, sir, etc.
E. T. TANTON, M. D.

The Cause of Sickness

Apart from accident or illness due to infection almost all ill-health arises from one of two reasons. The great mistake that people make is in not realizing that both of these have the same cause at the root of them namely poor and impure blood. Either bloodlessness or some trouble of the nerves will be found to be the reason for almost every ailment. If you are pale, suffer from headaches or breathlessness, with palpitation of the heart, poor appetite and weak digestion, the cause is almost always bloodlessness. If you have nervous headaches, neuralgia, sciatica and other nerve pains, the cause is run down, exhausted nerves. But run down nerves are also a result of poor blood, so that the two chief causes of illness are one and the same.

This accounts for the great number of people, once in indifferent health, pale, nervous and dyspeptic, who have been made well and hearty by Dr. Williams' Pink Pills; for no medicine ever discovered is so valuable for increasing the supply of rich red blood and giving strength to worn out nerves. Men and women alike greatly benefit from a course of the splendid blood builder and nerve tonic.

If your dealer does not keep these pills you can get them by mail at 50 cents a box or six boxes for $2.50 from The Dr. Williams Medicine Co. Brockville, Ont.

NAVAL RECRUITS.—The latest recruits for the navy are: Messrs. John E. McKenzie, of Bradalbane; and James A. Rogerson, of Clifton, New Londen.

COUNTY COURT.— The case of Wood vs. Smith, action for assault, before Stipendiary Magistrate Shaw, on Saturday, was adjourned for a week.

C. G. S. PRINCE EDWARD.—The Car Ferry Steamer left Georgetown at 7.25 a. m. yesterday and docked in Pictou at 10.30. She returns to Georgetown today as usual.

THE MAILS.— Boats crossed both ways at the Capes yesterday. They left Cape Traverse at 10.45 a. m. with 13 sacks of mail and Tormentine at 8 a. m., with 61 sacks. The mail arrived in Charlottetown at 5.30 p. m.

PRINCE EDWARD THEATRE.—One of the breeziest and most jolly comedies seen in Charlottetown for some time was "Miss George Washington" shown at this Theatre last evening. In this exceptional photoplay the dainty irresistible Marguerite Clark plays the title roll. There are also to be seen a bevy of very winsome young ladies pupils of a young women's academy all full of fun and mischieous pranks. The picture has been well described as one that will smash to smithereens the worst case of the blues. For pure, unadultered fun—this is a picture that no one should miss. It will be repeated tonight along with another decidedly good picture, "The Pride of Jennico."

BLANCHARD-CRAIG.— The following from the Brooklyn, N. Y., "Home Talk" of April 11th, will be read with interest by the bride's relatives and friends in this province:—"One of the prettiest weddings of the spring season was solemnized last Wednesday evening, when Miss Stella Maud Craig, daughter of Mr. and Mrs. George Whitfield Craig, and William Albert Blanchard, son of Capt. and Mrs. A. N. Blanchard, of 1064 Eighty fifth street were married at the home of the bride's parents, 758 Fifty-fourth street, the Rev. W. J. MacDonald, of the South Reformed Church officiating. The bride, who was given away by her father, was unusually beautiful in her bridal robe of white satin charmeuse, with court train trimmed with tulle, embroidered with pearl. Her veil was tastefully arranged with orange blossoms and pearl bandeau; she carried a shower boupuet of orchids and lilies of the valley. Miss Margaret Swan in her capacity of bridesmaid was daintily gowned in hand embroidered shell pink chiffon over silver cloth, and carried an arm bouquet of bride roses. The groom was attended by J. William Craig, brother of the bride. The wedding march was played by Miss Florence Craig. The ushers were Hobart Blake and Dr. Russell E. Craig. Following the ceremony a wedding supper was served after which the happy couple left on a honeymoon trip through the Southern States. They will be at 1044 Eighty-fourth street, Dyker Heights, after June 1."

KIDNEYS FAIL TO WORK

Galette, Ont.

"My husband used GIN PILLS for Backache and Kidney Disease which formerly troubled him a great deal. The pain in his back was dreadful and the kidneys failed to do their work properly. After taking one dose of GIN PILLS he found them to be exactly what he needed, and after taking two boxes of GIN PILLS was completely cured. We heartily recommend GIN PILLS at every opportunity to our friends and relatives.

Mrs. James B. Milford."

NO PAIN AT ALL!
CORNS DO LIFT OUT

No humbug! Apply few drops then lift corns off with fingers.

Just think! You can lift off any kind of a corn or callus without one twinge of pain or soreness.

A Cincinnati man discovered this ether compound and named it freezone. Any druggist will sell a tiny bottle of freezone, like here shown, for very little cost. You apply a few drops directly upon a tender corn or callus, Instantly the soreness disappears, then shortly you will find the corn or callus, so loose that you can lift it right off.

Freezone is wonderful. It dries instantly. It doesn't eat away the corn or callus, but shrivels it up without even irritating the surrounding skin.

Hard or soft corns between the toes, as well as painful calluses, lift right off, there is no pain before or afterwards. No soreness or smarting. It is truly astonishing. It always works. No humbug or foolishness. Genuine freezone is only sold in these small bottles, packed in a little sealed wood case, bearing a yellow wrapper. Beware of imitations.

Pure honey in ½ lb and 3 lb bottles, also in the combs at Beer & Goff's. 7019

ATTENTION
Mr Stockman

We are at the close of Winter—your animals have been closely housed and on dry feed.

They may eat well—but do not seem to turn their food to good account.

It is up to you to supply the tonics and blood purifers, which your stock would receive if they were on pasture.

Dr. Croken's Condition Powder is just the article.

This Powder has been used and endorsed by all the leading horsemen and stock-raisers in the province.
