Macklin and his popular young bride-to-be will be followed with the very heartiest good wishes of their friends in this city.

Catarrh Leads To Consumption
 Catarrh is as much a blood disease as scrofula or rheumatism. It may be relieved, but it cannot be removed by simply local treatment. It causes headache and dizziness, impairs the taste and hearing, effects the voice, deranges the digestion, and breaks down the general health. It weakens the delicate lung tissues and leads to consumption.
