Beaver Flour

is the cream of the wheat—the choicest Manitoba Spring Wheat and Ontario Fall Wheat.

It contains the good qualities of both, makes wholesome, nourishing Bread and Biscuits like Manitoba flour—hard light, tasty Cake and Pastry, like Ontario wheat flour. It also yields MORE of both to the barrel, than any other.

Good cooks say that their greatest help on baking day, is BEAVER FLOUR. Try it.

Losing Muscular Power

The First Sign of Mental Decay—The Warning of General Break-Down.

Changes in the nervous system manifest themselves slowly.

You show first by muscular weakness—a feeling that threatens paralysis, or by a fullness in the head that indicates approaching apoplexy.

It seems like stiffness but you soon discover there's a lack of power—that the endurance of this or that muscle is not what it ought to be.

Your friends may notice a slight thickening of speech or that your memory is decidedly failing.

Those symptoms may grow worse very quickly if they are not treated by Ferruzone. You must build up the nervous system. This can be accomplished in no other way as thoroughly and permanently as by the use of Ferruzone.

This remarkable remedy, which has cured tens of thousands of Canadian people, increases enormously the digestive power, stimulates the formation of blood, the rich, red kind that puts new life into the nerve.

The first result of these changes increased strength.

Natural circulation quickly follows, and that fullness in the head, so disturbing and alarming, too, quickly passes away.

These changes are wrought in a natural way, for the reason that Ferruzone treats that excite these troubles.

For the aged and weak who need strength—for these run-down and thin—for the sickly and nervous who lack staying power—nothing compares with Ferruzone.

No tonic gives such lasting good health, try it yourself. Sold by all dealers in 50c boxes.

DO YOU FEEL USED UP?

You're discouraged and played out—sincerely enough energy to think, and less to work on. The reason? You are run down, blood is thin, nerves are like Indian rubber, not like steel as they ought to be. Use Ferruzone and the tired feeling will go—it can't stay because rich nutritious blood and the bodily vigor Ferruzone makes, crowds out weakness of every kind. Use Ferruzone and you'll feel like a fighting king—full of energy—filled up with ambition—ever ready to work. No strengthening tonic so potent. Neglect not a day longer. All dealers sell Ferruzone in 30 ct. boxes.
