REVIEW

"Entire Town Is Behind Us"

Says Yarmouth Ball Moguls with Regard To N. S. Newspaper Reports.

YARMOUTH, Sept. 25.—The deadlock which existed for several days between the local baseball players and the Abegweit's of Charlottetown as to where the first games in series for the Maritime championship would be played was finally settled yesterday morning. Last evening a night letter was wired the management of the Charlottetown team suggesting that the problem be settled by each organization appointing representatives to meet at Moncton and make a drawing. This was agreed to by the Abegweits and this morning by the flip of a coin at the railway town it was decided that the series should open at Charlottetown and Yarmouth is scheduled to play there on Sept. 30th, and Oct. 1st. The Abegweits will play return games in this town on Oct. 4th and 5th, while should it be necessary to play a fifth game it will take place at Truro. This arrangement has been accepted with much satisfaction.

Much indignation is felt here this evening over a report appearing in today's issue of a Halifax paper regarding the financial standing of the local team and purporting to have been sent by some person in this town. Just what the idea may be in sending out such a statement positively cannot be understood here as there has never been any mention made during the deadlock that Yarmouth was holding off owing to finances. Far from it the entire town is now back of its ball players and are anxious that they should go to Charlottetown or any other town to play should it be necessary. Employers have willingly given their consent for their employees connected with the ball team to leave their work at any time and besides that have offered every encouragement to the boys to "play the game."

As for the financing of the trip what is practically an after consideration. Yarmouth for many years past has always been ready to finance its sporting propositions and not for years has there been so ready a response as there has been in the present instance. This is the second time that the Halifax press has seen fit to endeavor to belittle the Yarmouth team from a financial standpoint.

NEW YORK, Sept. 25.—The battle of the "loquacious larperers" took on new life today under the encouraging rays of a warm sun. The steady flow of customers passing the Madison Square Garden box offices, brought forth smiling predictions that Jack Sharkey, the talkative Tar-

and Tommy Loughran, the expanded light heavyweight champion, will wage their 15 round leather warfare before 30,000 persons, and a gate of \$300,000 in the Yankee Stadium tonight.

Two days' mild weather has doubled the interest in the final heavyweight show of the outdoor season.

GOLF TIE

(Canadian Press)
PARIS, Sept. 25.—Two British stars, Archie Compson and Aubrey Boomer tied for the French open golf championship on the St. Cloud course today. Both had 72 hole score of 238. The question of a playoff has not been decided as both players are engaged in the Anglo French team matches beginning tomorrow at Biarritz.

STAGE BEING SET FOR THE MAR. SERIES

Stores May Close At 2.30 For Monday's Big Opener — Pack The Ball Park!

The Maritime title chances of the Abegweits furnishes a topic of discussion everywhere in the City. Baseball which was gradually losing its drawing power is regaining many of its old friends and probably a number of new ones.

Our local team with "Putty" Connors in the star role has caught the favor of the fans. A winning team is always a popular team and that is doubly so in this case because the locals were never conceded a chance to get into the finals.

Regular workouts are being held every other day with stress being laid on batting. Manager Lou Campbell plans to have someone serve them up to the boys in every practice session from now until local batmen face Yarmouth pitching. Base-hits win ball-games and thus far some of our local fence-busters have been rather off in their stick work. Hence the emphasis on batting practice.

It has been suggested that because of the City-wide interest in the coming series that possibly local merchants would close their stores at 2.30 p. m. on Monday the 30th for the opener. Another suggestion advanced is that the game start at 3 p. m. instead of 3.30. Regarding closing the stores, our merchants certainly can be relied on to do the right thing. Their cooperation can most likely be had for the asking.

The Abegweits are relying on the receipts of the two games here to take the team to the mainland. This will involve the expenses of eighteen men transported both ways and hotel accommodation for 4 days. Generous patronage of both fixtures at our local ball-park would relieve both players and managers of a bundle of financial worries.

Luke-warm support will sap the morale of the team and Charlottetown appreciation should not be withheld from the aggregation now preparing for a Maritime pennant battle. The biggest crowd in the City's baseball history should greet our boys on Monday afternoon. A packed stand will be worth several runs to them and these runs may win the game.

What about a little boost?

Peter Patch Sets New Race Mark at Rochester, N. H.

ROCHESTER, N. H., Sept. 24.—(Special)—On the opening day's card of the Rochester Fair, Maine, Canadian and Massachusetts speed contended. Pierce Chapelle with the Bangor pace, Peter Patch, outraced the Canadian entry, Etawah the Great, the favorite in the 215 pace, but the Patch horse was forced to a new mark of 2:09 1/4. In the named race, substituted for the colt race which didn't fill, Earl Wilkes, driven by his owner, Ernest Stewart, of Boston, beat out Gaiety McGregor, of A. M. Newbart's stable, of South Weymouth, Mass., "Red" Hanafin up.

The summary:

Record Crowd Assured For Bout

Thirty Thousand Fans Will Pay \$300,000 To See Battle

CHERRYFIELD, Me., Sept. 24.—(Special)—A record first day crowd at the Cherryfield Fair saw some good racing. Vic Douce, veteran Attleboro, Mass., and Aroslook, trainer, had a good day but after five hard heats in the .17 class, split first and second money with Tom Vincent, of Bangor, driving Brian J., 2:09 1/4, settling by agreement the card. Douce won the 2.20 class with David Hal but had to drive hard to beat Nellie Review.

Frederick Breaks Batting Record

NEW YORK, Sept. 25.—The Giants defeated the Braves twice here today by scores of 5 to 4 and 6 to 5, though the Giants made five errors. In the second game Melvin Ott's 42nd homer, which tied Hornsby's National League record made in 1922, gave the New York team the decision.

The Phillies won a wild hitting game from Brooklyn today by 8 to 6. Brooklyn rallied to force ahead with four runs in the eighth, but the Quakers came back to win out by scoring five times against Johnny Morrison in the home half.

Johnny Frederick set a new modern National League record for doubles, by hitting his fifty-first in the fourth inning.

Defeating Cincinnati 3 to 1 the Cardinals won their second straight victory of the three game series. Lucas held the Cardinals to five hits, but they were delivered at timely moments. Bottomley scored on Harry's 27th home run of the season in the fourth and Selph hit a single to centre in the same inning, scoring High to give the Cardinals their total of three.

NO MATCH FOR GLENNA COLLETT

(Canadian Press)
HAMILTON GOLF CLUB, Ancaster, Ont. Sept. 25.—Miss Dora Virture of Whitlock, Montreal, proved no match for Miss Glenna Collett, of Pebble Beach, California, in the second round of the Canadian Women's open golf championship today. The former holder of the Canadian and United States titles ended the match on the fourteenth green, where she was six up.

Tryon Tid Bits

The weather has gone very fall-like during the last week, causing many a shiver to scurry up and down our anatomies. It impels one to go searching for our last winter garments, placed so carefully away in the spring, that it takes some little time to discover their whereabouts, but we must expect a change as September is almost gone and winter not so far distant.

Their many friends are very glad to welcome back to Tryon Mrs. Bertman Kelly and Mr. James Dawson of Saranac Lake, New York, who arrived home on Tuesday, September 17th, to visit their mother who has been seriously ill, but who we are glad to know is now well on the road to recovery. Mrs. Kelly and Mr. Dawson have not visited P. E. I. for a number of years, and it has been very pleasant for them to visit once more the land of their birth and to renew old friends and acquaintances of their earlier life. Everyone regrets, however, that their stay is

THE MIGHTY ATOM PASSES

By Alna J. Guold, A. P. Sports Editor.
NEW YORK, N. Y., Sept. 25.—Miller Huggins, the mighty atom of baseball is dead. The barn-burner manager who knew how to handle the heavyweight home run kings, who manipulated the play of the most powerful team ever known to baseball, winning six pennants and three world championships in eight

years with the New York Yankees died this afternoon at St. Vincent Hospital.

The end to one of the most remarkable careers of Major League leadership came at 3:16 p. m. the diminutive manager had a gallant, but losing fight against complications of maladies, he was years old.

The number of entries was very large and I may say that several visitors present expressed as their opinion that it was one of the best, if not the best held in Tryon for years.

Congratulations to Mr. and Mrs. Russell Thompson of North Tryon, the arrival of a bouncing baby.

Rev. and Mrs. M. Brinton and family of Tryon, have returned after spending a well earned vacation with relatives and friends on the mainland. His congregation and friends are glad to see him back to take his duties as pastor, once again.

Miss Edith Lord of Tryon, left Monday morning, Sept. 23rd, for Calgary, Alta., where she will visit her sister, Mrs. Joseph Stirling. Mr. Lord intends remaining in Calgary where a position awaits her.

Many friends will regret the continued illness of Mr. John Thomas of Tryon. It is pleasing to note, however, that there has been a slight improvement since last week.

Tryon School Fair was held on Monday, Sept. 16th, three schools, Augustine Cove, North Tryon and Tryon Consolidated, participating.

These Alterations won't be expensive

AN EXTRA BEDROOM
Use space now being wasted by applying broad, ceiling-high sheets of New, Improved Gyproc to joists or studding of your attic. They'll give you an attractive extra bedroom at almost negligible cost.

FIREPROOF SUMMER COTTAGE
Gyproc walls, ceilings and partitions will make your summer cottage fifty per cent. more attractive, more liveable and completely fire-safe. Gyproc is fireproof and cold and heat resistant.

CHILDREN'S PLAYROOM
Gyproc makes it easy to change waste space into a comfortable playroom for the children. The sheets of solid Gyproc rock cannot warp, shrink, crack or burn. Takes any decoration.

BASEMENTS
Transform your basement into clean, fire-safe extra rooms. By erecting Gyproc partitions and ceilings you can have a fruit closet, a workshop, a furnace room or a modern, sanitary wash-room. These alterations will increase the comfort and fire-safety of your whole house.

A WARM GARAGE
Why run the risk of a cracked radiator by housing your car in a freezing garage? Gyproc-lined garages keep cars in good condition through spells of cold weather.
