

A Really Wonderful Taffeta Silk Suit \$22

There's really not so very much to be said about it. It is simply wonderful value.

The taffeta silk is good, nice weight, fine weave. The coat is made with a trim little belt to tie in front—two side patch pockets, fastens with self covered buttons and silk loops. The skirt is a new model—cut fairly wide—short, plainly made. Coats are satin lined.

We offer these in BLACK, NAVY, COPEIN

—WORD FROM WOUNDED SOLDIER.—Mr. James C. McKendrick received a letter yesterday from his son Gunner Howard McKendrick, who was recently reported wounded. His many friends will be glad to know that the wound was by no means serious. A bit of shrapnel struck him in the foot making a pretty bad gash. He was operated on in a French Hospital and the shrapnel removed. He speaks highly of the kind treatment received in this hospital both from doctors and nurses. He was later transferred to an English Hospital where he is progressing favourably. He expresses the hope that he shall be able to get back to the front in the course of about three months. He will be glad to get back, he says, as he and more than he are needed there.
