All Star teams Battle to draw

NEW ORLEANS, Jan. 4.—(AP)—The Eastern Stars and their powerful line exactly balanced the West's jinx and passing attack Saturday as the All-Star college football teams battled to a thrilling 6-6 tie in slick mud before a disappointing and shivering crowd of 35,000.

SATURDAY'S GAME

MONTREAL, Jan. 4.—(CP)—A Detroit goalie, standing up like a stone wall for two periods, crumbled completely in the closing stages last night to allow Canadiens to score three goals for a 4-1 National Hockey League victory before a home crowd of 8,163.

Canadiens came from behind a 1-0, first-period deficit to earn the victory against a Detroit team, vastly outplayed and saved from a more convincing setback only by the sensational goaling of Johnny Mowers.

It was little Pete Morin, scoring hero of the night with two goals, who got the payoff marker for Canadiens when he beat Mowers at 5:29 of the final session on a play with his razzed-dazzle mates, Berry Heffernan and Buddy O'Connor.

From there on Detroit seemed powerless in trying to stem Canadian rushes and Mowers had little chance as Ray Gettiffe beat him neatly and Morin came through two minutes later with the fourth Habitant tally. The veteran Charlie Sands and Johnny Gully assisted on Gettiffe's goal, while defenceman Jack Portland set up the play for the final score.

Gus Gelsebrecht had given Red Wings the advantage midway through the first period when he scored on a rink-length sweep with Joe Carveth and Adam Brown, both making their first appearance here since coming up from the Wings' American League farm team—Indianapolis.

Veteran Toe Blake got the equalizer for Canadiens in the middle session while defenceman Jimmy Orlando was serving his third penalty of a rough period in which 12 banishments were handed out. Ken Reardon and Butch Bouchard were credited with assists on Blake's tally.

Leafs down Amerks 4-2

TORONTO, Jan. 4.—(CP)—Toronto Maple Leafs, who couldn't win on their recent road trip, found things much better at home Saturday night. They beat Brooklyn Americans 4-2 for their first National Hockey League victory in four starts.

Gordie Drillon, who has had to bolster his scoring figures this season with more than the usual number of assists generally expected of such a sniper, picked off two of the Leafs' goals.

The other Toronto tallies went to Sweeney Schriner and Pete Langelle. However, the point-collecting plum of the game was plucked by defenceman Bucko McDonald who engineered the plays for the first three of the winners' goals.

Les Ramsey Ruled ineligible

MONTREAL, Jan. 4.—(CP)—Two late third period goals by hard-shooting Ted Saunders gave Ottawa Senators a 3-1 win over Canadiens in a Quebec Senior Hockey League game here today. This was the second straight victory for the Senators over Canadiens as they defeated the Canucks 3-1 Saturday night. Royals and Pats fought to a 1-all draw in the second game of the Sunday twin bill.

Les Ramsey, Canadiens centre-line player, was dressed for the Ottawa-Canadiens game but just before it started the Canadian club was told by Quebec Amateur Hockey officials that Ramsey was ineligible to play. He was replaced by Irvin McGibbon on the Canadiens lineup.

Les Ramsey was declared eligible to play for Canadiens at a meeting of the Q.A.H.A. two weeks ago, but the Q.A.H.A. received word today from George Dudley, President of the Canadian Amateur Hockey Association, that this case was being considered by the C.A.H.A. and that he could not play until it has been settled.

Ramsey started the season with Glace Bay Miners of the Cape Breton League and was ordered to report here for military training. On coming here he joined the Royal Canadian Air Force and was immediately given a six months leave. Manager Jimmy McCaffrey of the Ottawa Senators had protested Ramsey's playing for Canadiens but he was declared eligible to play by the Q.A.H.A.

Bruins purchase Busher Jackson

NEW YORK, Jan. 4.—(CP)—Brooklyn Americans announced tonight that Harvey (Busher) Jackson, veteran of National Hockey League warfare, has been sold to Boston Bruins for \$7,500. The deal was a straight cash sale.

Jackson, a holdout with the Americans this season, has been with the team for three years. He turned professional in 1929-30 with Toronto Maple Leafs. Jackson did not play this season reporting to Port Arthur, Ont., for fall practice in excellent condition. He was understood to have demanded more money from Manager Red Dutton. When this was refused, he declined to play in the regular season.
