Hundreds of persons are searching the mountains around Downieville, Calif., following mysterious disappearance of Dickie Tum Suden, 3, since early Thursday morning, Nov. 1. Only trace found of him was a mitten discovered high on a crag which he probably could not have climbed alone. The boy is shown with his mother, Mrs. Joseph Tum Suden.

Stock Markets At A Glance

CHICAGO, Nov. 9 — (AP) — The sharp upturn in grain futures continued today, with December wheat hitting that $1.80½ ceiling for the first time and December rye selling higher than wheat for the first time since the frst world war.

NEW YORK, Nov. 9 — (AP) — Buyers shifted to utilities and specialties in today's Stock Market pushing these to peaks for nearly nine years with gains of fractions to more than three points while many industrial leaders were thrown for further losses. Transfers tapered to 1,830,000 shares from 1,960,000 Thursday.

The Associated Press 60-stock average was unchanged at 74.7.

TORONTO, Nov. 9 — (CP) — The mining groups and the Western Oils moved ahead today on the Toronto Exchange. Trading speeded up on firming prices in the final hour and the aggregate turnover was 2,463,000 shares.

Giant Yellowknife was a leader in the late trade and it touched $8.85 on turnover of 10,000 shares. The close at 8.65 was up 15 cents net.

WINNIPEG, Nov. 9 — (CP) — An aggressive demand for rye futures sent prices to the highest level in some years on the Winnipeg Grain Exchange today.

At the high points the July future advanced the five cent daily limit, and December came within ¾ cents of the limit.

MONTREAL, Nov. 9 — (CP) — After cautious and sluggish trading with trends downward for most of the day, prices on the Stock Exchange and Curb Market turned upward in late deals as bargain hunters began to pick up depressed issues. Industrials finished at a new eight-year high in the indices. Papers, while showing strength near the bell, were off on average. One-third of the day's transactions were made in the last hour.

Trading box score: Total sales 255,600 shares; mines 156,800; industrials 98,800; stocks higher 69; lower 63; unchanged 68.
