..\*AN ADDRESS AND PRESENTATION.—To Mrs. Robert H. Howlett, on the eve of her departure from Sydney Mines for her home in Annandale.

Dear Mrs. Howlett.—It is with both pleasure and regret that we meet this evening. We are thankful indeed for the privilege that has been ours the past few months, of having your uplifting presence among us. We have been together, dear sister, in seasons of joy and sorrow, and in each alike, we can truly say, we have seen the graces of the spirit manifested in your daily walk and conversation.

FRECKLE-FACE

Sun and Wind Bring Out Ugly Spots. How to Remove Easily.

Here's a chance, Miss Freckle-face, to try a remedy for freckles with the guarantee of a reliable dealer that it will not cost you a penny unless it removes the freckles; while if it does give you a clear complexion the expense is trifling.

Simply get an ounce of Othline—double strength—from any druggist and a few applications should show you how easy it is to rid yourself of the homely freckles and get a beautiful complexion.

Be sure to ask the druggist for the double strength Othline as this strength is sold under guarantee of money back if it fails to remove freckles.

"When Can You Deliver?"

THAT'S the customer's first question, usually. How do you answer him?

Your goods may be superior, your clerks may be courteous, your store attractive, but, after all, unless your deliveries are prompt and dependable, your customers will be disappointed and trade elsewhere next time.

Is your delivery system on a par with the rest of your business? Does it draw new trade or lose customers for you? Are your horses as suitable for you as they were at one time? If not, why do you persist in being a little behind the times, when a Ford One-Ton Truck would be more in line with your other business standards?

Perhaps your deliveries cost you too much. If you are using motor trucks, they may be too heavy for your line of business and therefore too expensive. The Ford Truck uses less fuel when handling a full load than some trucks use running empty.

The Ford One-Ton Truck is a money saver, so why not modernize this department of your business at once?
