Taking the lead in the first period and holding it throughout Junior Rangers last night drew first blood in the Junior Hockey League by defeating the Abegweits 4 goals to 2.

Marvin Trophy Remains Object Of Competition

(S.A. by Guardian's Special Wire) SAINT JOHN, N. B., Dec. 25.—(C.P.)—For more than ten years Marvin challenge trophy has been passing among Maritime bowling teams and the competition is still strong although in recent years it has been confined to New Brunswick. Since the trophy, open to any group of bowlers in the Maritime Provinces, was donated at Moncton in April, 1925, a total of 252 games has been rolled by 81 different teams for the silverware now held by Central Alleys, Saint John.

Before defeated 1,515 to 1,479 by Saint John Y.M.C.I., an All-Hall-fax team was the last one in Nova Scotia to possess the prize. Other Nova Scotian teams which engaged in Marvin trophy contests were Conn and Martel's of Halifax, Dartmouth, Amherst and Joggins.

Of 480 men who have competed, Saint John bowlers hold individual high averages and Porter's of Saint John holds all team records for one year, according to figures compiled by Foster C. Thurston, local trundler.

The record for consecutive wins also is held by Porter's. On Feb. 2, 1933, they lifted the trophy from Black's of Saint John. Maritime and Eastern Maine champions, and held it until June 21, 1933, when they were defeated by the Palace Alleys of Fredericton.

In the 30 times they defended the cup Porter's rolled two games over 1,700, 16 over 1,600 and 12 over 1,500. Their total pinfall during that period was 48,318, or an average of 168-450 per man.

Morris Black of Black's holds the high three strings record with 402 (124, 137, 141), established June 21, 1934. Arthur Porter and Percy Lawson, Saint John, are deadlocked for the highest single string with 157 each.

Two tie games have been rolled: Conn and Martel vs. C.P.R., Halifax, and Saint John Y.M.C.I. vs. Admiral Beatty, Saint John. Conn and Martel and Y.M.C.I. won the roll-offs.

Mrs. Raymond's Aces of Moncton have been the only women's team to compete for the cup. They were defeated by McDonald's, Moncton.

Porter's rolled the team total and single records of 1,768 and 673 when bowling against St. Stephen on June 16, 1933.

East And West Share Amateur Hockey Titles

(By Elmer Dulmage) (Canadian Press Staff Writer) (Copyright, 1935, by The Canadian Press)

The success of Canada's 1935 amateur hockey season will be determined in Germany early next year at the Olympic Games. The business has been placed in the hands of Port Arthur Bear Cats, a team of light weights that wasn't quite good enough to win the Allan Cup last April.

As long as the players were on the ice, fighting among themselves in senior and junior divisions across the country, amateur hockey was as colorful a spectacle as ever, in 1935. Difficulties arose long after the title had been decided, months after Halifax Wolverines had won the Allan Cup and Winnipeg Monarchs had lifted the Memorial Cup.

Out of general chaos in the once-powerful Maritime hockey sector, the Wolverines salvaged a brilliant machine that struggled through the semi-final and final skirmishes of the Canadian senior playdowns and kept the Allan Cup beside the Atlantic. It was won in 1933 and 1934 by Moncton Hawks.

With the disbanding of the great Hawks, most of them turning professional, the Maritime Hockey League closed down and Wolverines performed in an industrial league before entering the playdowns as Nova Scotia's representatives. Their only serious opposition on the home front came from Charlottetown Abegweits.

Then it was Montreal Royals in the eastern final. In a torrid three-game series on home ice, Halifax won. They defeated Port Arthur in two straight games in the final, by a single-goal margin each time. It was a great triumph for Wolverines, but when the campaign was over it developed that all the players didn't care much about going to the Olympics after all.

Two turned professional, three went to northern Ontario to work and play hockey. When the Canadian Amateur Hockey Association was ready to plan for the trip, it found the Wolverines badly weakened. The Olympics might have been a lure to Winnipeg Falcons in 1920, Toronto Granites in 1924, University of Toronto Grads in 1928 and Winnipeg in 1932, but the trip to Germany hadn't sufficient appeal to keep together the Wolverines.

So the C.A.H.A. did the next best thing. It selected Port Arthur's runner-ups as the team to defend Canadian supremacy at hockey and strengthened the lakehead outfit with four players from Halifax and two from Montreal Royals. For the first time, Canada will send a patched-up team to the Olympic Games.

Here is the line-up: Goal, Jackie Nash, Port Arthur; defence, Herman Huber, Halifax; defence, Herman Murray, Montreal and Ray Milton, Port Arthur; centre, Len Sinclair, Port Arthur and Ernie Mosher and Vince Ferguson, Halifax; right wing, Alex Thompson and Arnold Deacon, Port Arthur and Dave Neilson, Montreal; left wing, Num Friday and Gus Saxburg, Port Arthur and Chummy Lawlor, Halifax.

Albert Pudas, former Port Arthur Allan Cup star in the days of Bill Brydge and "Phat" Wilson, will coach a team that has yet to prove itself. No Canadian team ever has lost an Olympic game. Winnipeg were held to an overtime tie in the final game of the 1932 games at the Lake Placid, N. Y., by the United States.

Port Arthur's speedy, light team won its hardest series in the west from Northern Saskatchewan, hailed as one of the best prairie senior brigades in years, easily defeated the Bear Cats in the first of the three-game series, but surprisingly succumbed in the next two.

Kimberley Dynamiters from British Columbia, Edmonton Superiors from Alberta and Winnipeg Monarch form Manitoba were eliminated in the playdowns that led to the Saskatchewan-Thunder Bay final.

The west regained the junior title, however, when Winnipeg Monarchs upset Sudbury Wolves in a great series in the Manitoba capital. There was no outstanding favorite this year, since the break-up of the great St. Michael's College machine of 1934, and Monarchs and Wolves started at even money.

On their way to the final, Sudbury defeated Oshawa, Ottawa and Verdun Maple Leafs, Quebec champions. Ex-King George of Vancouver, Edmonton Canadians and Saskatoon provided the opposition to Winnipeg in the west.

Cook Counters Twice As Rangers Defeat Bruins 3-2; Chihawks Blank Wings

(A. P. By Guardian's Special Wire) BOSTON, Dec. 25.—The veteran Bill Cook set the pace for New York Rangers as they came from behind to gain their second triumph in four days over Boston Bruins, 3-2, tonight before 13,000 at Boston Garden.

Three goals in about 16 minutes of third period play accounted for the New York victory. Bill Cook slammed in a pair of tallies and Lynn Patrick, speedy son of the Rangers' manager, Lester Patrick, clinched the game with a brilliant solo rush.

The Bruins scored in the first period, Charlie Sand driving a long shot that bounced off goalie Dave Kerr's pads and dropped into his net to end a lively scrimmage in the visitors' zone. The last Boston tally was made during the last three minutes of play when the Bruins put on a gallant closing drive. Bill Cowley and Eddie Shore handed the puck before it was poked through the Rangers' defence to Peggy O'Neill, who found a large opening for his close-up shot.

The Rangers, although they trailed the Bruins for a half-hour, put on many blistering attacks that were ruined by "Tiny" Thompson's brilliant net play. The pressure, however, became too great for him when Bill Cook hit his scoring stride and countered his first goals of the current season.

Aston Villa Turns Back Huddersfield

(C. F. Cable by Guardian's Special Wire)

LONDON, Dec. 25.—Adverse weather conditions in many parts of the country did not materially hamper the Christmas-day English Soccer League program. In the four divisions only five games were postponed.

Aston Villa, studded with high-priced players but heretofore lacking in scoring power, provided the biggest upset of the day, overwhelming Huddersfield Town 4-1, Derby County, in second position, had a splendid chance to gain a couple of points on the idle Sunderland team, but Portsmouth, one of the weaker clubs in the loop, shut out the Rams 3-0.

Arsenal straddled Huddersfield Town in third place with a 1-0 win over Liverpool on the latter's grounds. Leicester City went into a one-point lead over Doncaster Rovers in the second division when the city decisively defeated Bradford 5-0. The Rovers had to be content with a 0-0 draw with Notts Forest. Nets Some \$371,645 In 18 Months

(A. P. by Guardian's Special Wire)

DETROIT, Dec. 25.—How to get rich in the boxing business, the untold story of Joe Louis' rise to wealth with a pair of leather boxing gloves, would be among the best sellers of 1936 if the Brown Bomber of Detroit should suddenly turn author.

Statisticians here quit counting Louis' unbroken string of ring victories to check up on the wealth he has accumulated in the 18 months of his professional career, and their calculations indicate that the heavyweight sensation has collected \$371,645 for 26 ring appearances.

They figured out that Louis has round and stands in a fair way to name his own price now for every fight where he is to be the drawing card.

Louis started out as a \$50 preliminary fighter in Chicago on July 4, 1934, after a brief but successful turn through the amateur ranks. That first \$50 was given him for knocking out Jack Kracken. His second fight brought him \$60 and the promoters paid him \$75 for his third.

Louis' earnings, of course, are not net. There is a split with his managers and training expenses.

Benny Bass, former world's featherweight titleholder, knocked out Johnny Cravan, 138, Conshohocken, Pa., with a right hand punch in the second round of the main preliminary.

Mt'l. Aldred Wins 1935 Soccer Honors

(By Alex Bell) (Canadian Press Staff Writer) (Copyright, 1935, by The Canadian Press)

Topped by as dramatic a title series as the Dominion Football Association has seen in years, the 1935 soccer season in Canada was noted for its even distribution of high-class talent across the country as Montreal Aldred travelled to bring a second straight championship to the Eastern City.

There were few soft spots for title-seekers as they went along the trail of inter-sectional play-offs that led to Winnipeg and the final for D. F. A. Trophy held by Montreal Veron last year. Most of the play-offs went the three-game limit and the final was forced to an extra game before a battling eleven from Nanaimo, B. C., was doomed.

Bobby Campbell's goal four minutes before the final whistle of the fourth game blasted the British Columbia champions from the title-picture and gave Montreal national honors for the fourth time since 1919. Before that devastating goal by Campbell each team won one game and one had been tied.

Aldred won the first game 3-2, dropped the second by a crushing 7-3 score, then proved their right to the championship by coming from behind to tie the third game 1-1 and force an extra game. Campbell's goal was the only score in the decisive fourth game.

Four of the Aldred team are youthful Canadian-born players, featured by the three Fitzpatrick brothers—Alex, Sam and Peter. They played their part in the defeat of St. George's Aces of Halifax, Falconbridge and West Fort William Wanderers as the Montreal team moved forward relentlessly to the final.

After eliminating St. George's from the Maritimes in two straight games, Aldred met tougher opposition when they clashed with Falconbridge, who had been victors in a tough four-game series with Toronto Scottish for Ontario's title. Falconbridge won the first game 1-0, lost the second by the same score and were hurled from contention 4-1 in the final game.

Against the Wanderers at Port William, Aldred won in two straight but only after hard-fought games. After blanking the Lakehead team 2-0 in the first game, the Montrealeers came right back to hurdle the last obstacle in their path to the final with a 2-1 victory.

While Aldred was eliminating Falconbridge, Wanderers, Quebec and Lethbridge Supinas in the Western semi-final 3-1 and 2-1 after sweeping the Saskatchewan champions from their path and the stage was set for the gruelling final series which went four games for the first time in years.

In addition to the Dominion title, Aldred won the Quebec title and the Dunning Cup, emblematic of the National Soccer League's Eastern Section championship. The Montreal Charty Cup was the only major trophy they failed to win and it went to their city rival, Montreal United, only team to beat Aldred before the Dominion play-offs started.

Regular line-up of the champion Aldred team was: Goal, James Felsos; full-backs, Waneone White and Ronald Low; half-backs, Alex Fitzpatrick, Robert Lumsden and Robert Campbell; forwards, A. R. Bejshak, Joe Bardell, Peter Fitzpatrick, Dave McLean and Sammy Fitzpatrick.

Low and Campbell played in Scotland before joining Aldred. Campbell with Dunfermline in the Scottish League. Lumsden learned his soccer in Ireland while McLean was born in the United States but came to Montreal when still very young. All the others were born in Montreal including Bejshak, brother of the well-known jockey.

The 1935 soccer champions: Dominion, Montreal Aldred; Maritimes, St. George's Aces; Quebec, Montreal Aldred; Northern Ontario, Falconbridge; Ontario, Toronto Scottish; Lakehead, West Fort William Wanderers; Manitoba, Winnipeg United Weston; Saskatchewan, Saskatoon Thistles; Alberta, Lethbridge Supinas; British Columbia, Nanaimo.
