Reviews Activities Of Summerside Y's Men's Club

The following report of the activities of the Summerside Y's Men's Club during the past year was read by the retiring president, Horace MacFarlane at the annual meeting of the club held last week. "It has been my privilege to be your president during our ninth year as a service club in Summerside. During my term of office the world has passed through a series of events unsurpassed in world history. We have seen the growth of Y'sdom and the Y. M. C. A. throughout North America, and the formulation of plans for their extension throughout the world. "Our Maritime Region has added three new clubs to the fold and on October 1st the halfway mark in the Bennett trophy race. The Maritime Region stands first in International. Our own club's standing was 4th in the Maritime Region. "Our club has a most successful year. We have increased our active membership by 50 per cent with 5 members returning from active service and 7 new members being initiated into club membership. "I will now give you a brief resume of our activities during the year. "Our club had a most successful Committee under Y's Allison provided us with a variety of enjoyable and interesting programs, including outside speakers and also unearthing a wealth of hidden talent in our own club. "Our World Outlook committee under Y's Charles arranged and presented on the splendid programs they gave us on this important phase of our work. "Our Social and Activities committee under Y's George provided us with two ladies' nights, a picnic at our Fernwood camp site, a successful radio auction, and have recently engaged Mart Kenny for a third appearance in Summerside under the sponsorship of our club. "Our Publicity Committee under Y's Herb kept our activities before the public at all times. "Our Boy Scout program under Y's Bill was again carried through another successful year and this year in addition to their regular activities, copper trail, and apple day, they held a Boy Scout camp on our Fernwood camp site for the Scouts of Prince County, and also carried on a Scout soft ball league. "Our Bathing House Committee under Y's Eric carried on the project in a very satisfactory manner in spite of many difficulties. "Our genial philatelist Y's Lucas was always on the job collecting stamps from all the members. "The Bulletin Editors Y's Herb ably assisted by Y's Ross kept us well informed on all club activities. "Our Blood Donors Committee under Y's Morley brought their service to a timely conclusion. "The S. Y. C. I. jointly sponsored by our club carried on their usual activities and recently hired a full time qualified physical instructor. We had six members of our club appointed to this organization and two of these namely Y's Lowell and Y's Weck were president and treasurer respectively of the corporation. "Our pianist Y's Albert was always on hand to provide musical entertainment for our meetings and special functions. "The club also gave financial assistance and provided care for the City Girls. We conducted the Salvation Army Home Front appeal. The T. B. Seal Service with Y's Junior as chairman. Y's Allison represented the club on the Town committee. The national clothing drive with the wide club assistance in the collection. "Y's Allison, Y's Reg, Y's Lowell and Y's Charles assisted in the organization of the Community Concert with Y's Charles becoming President. "A committee under Y's Junior organized the T. B. Chest X-ray survey in Summerside and the club assisted by Kinamen and several other organizations carried on the survey. This was a big job ably carried out by the committee assisted by the whole club. "The club also gave donations to many worthwhile causes as shown in our financial report. "In conclusion I wish to thank the citizens of Summerside and surrounding communities for their kindly cooperation and support of all our service activities, our collections for charitable purposes and our radio auction; Miss Jean MacFadyen for the group of ladies organized by her for their kind assistance which enabled us to make our collections the success which they were. The press for their generous accounts of our activities and finally the officers, directors and each member of the club for their friendly support and willing cooperation in all the functions of the Club which made this our ninth year one of the most successful since our inauguration. "Let us all get behind the incoming president, officers and directors to make our tenth year better than ever."
