## New Medal To Be Issued Canadians

(By The Canadian Press)

OTTAWA, July 11—A new medal to commemorate military service at home or abroad in the second Great War will be issued to Canadians.

Making the first public disclosure, Veterans Minister MacKenzie told the veterans committee of the Commons today that detailed regulations would be issued shortly.

It is understood that the same medal will be issued throughout the Empire to war veterans, following the example set by the Victory Medal of the first Great War.

Mr. MacKenzie said it will be known as "The War Medal 1939-1945." Colors of its ribbons were not stated, but it is believed the ribbon will be worn after that of the Canadian Volunteer Service Medal.

Among those who will receive it, the minister said, are overseas veterans of the Canadian Corps of Firefighters.

## Funeral of W.O. F. E. Jenkins Killed In Crash

Mr. and Mrs. M. E. Jenkins of Millview has received further particulars of the death of their only son, Warrant Officer, No. 1 Franklin Elwood Jenkins who was one of the 24 young R.C.A.F. boys killed at St. Donet, Quebec, in October, 1943 when their plane crashed on the way from Gander, Nfld., the young officer being on his way home to visit his parents.

It will be recalled that the wrecked plane was not located until this June although constant search was kept up. The following letter was received from Ottawa speaks for itself:

3110 Lisgar Bldg. Ottawa
July 4th, 1946

Mr. M. E. Jenkins
Millview, P. E. I.

Dear Mr. Jenkins: You will have been informed through official R.C.A.F. channels that the funeral service for your son, W.O. 1 Franklin Elwood Jenkins, was to take place at the scene of the crash yesterday, July 3rd, 1946, at 2:30 o'clock Eastern Daylight Time. It was felt, however, that you would like to hear some of the more intimate details of yesterday's doings on the slope of the mountain.

Yesterday morning the official party, consisting of a Hebrew Chaplain, Captain E. F. Mandelcorn of Montreal, W/C L. A. Costello, Principal Roman Catholic Chaplain and myself, together with S/L H. Cobb and F/O. W. Tessier, DFC., Officers in charge, accompanied by a Trumpeter, R. C.A.F. Photographer, R.C.A.F. Public Relations Officer and representatives of the Press, was conducted to the scene of the burial by the Chief of St. Donat Police, Leo Bertrand, the Mayor of St. Donat, Richard Coutu, the members of St. Donat Council and a member of the Quebec Provincial Police.

A number of the next-to-kin who had driven in also attended. These included J. A. MacDonald, and E. C. Hopkins, father and uncle of P/O Robert MacDonald, Gordon, William and Ira Beattie and James Arnold, three brothers and a brother-in-law of Corporal Harold David Beattie, Mr. G. Sanderson and Mr. W. Slack, relatives of F/O Stephen Andrew Sanderson, AFM., Mr. and Mrs. G. O. Marr, parents of Corporal Ronald Douglas Marr, Mrs. G. R. Patterson, the widow of LAC Guy Ridgewood Patterson, Mr. and Mrs. MacNaughton, parents of Sgt. William G. MacNaughton, Mr. D.S. McLean and Mr. James Stewart MacNaughton, uncles of Sgt. MacNaughton, Mr. J. A. Poirier, father of F/L Joseph Alfred Poirier, together with Joseph's brother P/O Cecil Poirier. As nearly as I can recollect the above folk comprise the representatives of the next-of-kin but as I am trusting to memory in this connection there may possibly have been some other relatives present. As well as the above, there were some hundred and fifty local inhabitants in attendance. Mr. and Mrs. MacNaughton, Mrs. Patterson, and the other womenfolk remained below at the village.

The party left the hotel at St. Donat at 7:30 in the morning, drove back along the road for six miles, crossed a narrow arm of Lac Archambault and set out in a westerly direction along the trail that the advance party had broken in locating the crash and up the two hills that had to be climbed. Arriving at 11:00 o'clock at a tiny lake the party rested, had some sandwiches and then proceeded to the scene of the crash, arriving at 2:15 o'clock. Pictures of the setting for the funeral service will be forwarded to you within a few days. These should give you a fairly good idea of where your loved one is buried.

A single red rose was then placed upright at the foot of each Cross and the Star of David by the next-of-kin present and by the Chief of Police and the Mayor who represented the next-of-kin who were not present.

The Chaplains took their places at the side of the Cairns, which had been erected by the advance party and on which a memorial bronze plaque will be permanently placed, and then proceeded to conduct the funeral services.

Captain Mandelcorn led off with the funeral rites for W.O. 1 Jacob Silverstein, singing and reading the last rites of the Jewish faith for his laddie.

He was followed by W/C. Costello, who was assisted by four priests who were vacationing at St. Donat. The full Roman Catholic Libera was chanted and read by these representatives of the Roman Catholic Church for F/L Poirier, F/O Sanderson and LAC Joseph Veilleaux. Upon the conclusion of the Roman Catholic Libera the last high offices of the Protestant Church were then conducted by the Principal Protestant Chaplain of the R.C.A.F. for the following: F/L. Robert Frank Fisher, F/O. Jay Syver Johnston, F/O. James Lamont, P/O Robert William MacDonald, WO. 1 Wilfred Howlett, WO. 1 Franklin Elwood Jenkins, WO. 2 Joseph Alexander Barabonoff, F/S. Raymond Frank Ware, Sgt. Franklin Hicks Elliott, Sgt. Eric Morgan Finn, Sgt. William Gordon MacNaughton, Sgt. Stanley Albert Wood, Cpl. Harold David Beattie, Cpl. Howard Kenneth Hambly, Cpl. Alec Clare Johnston, Cpl. Ronald Douglas Marr, LAC. Charles Laurie Dynes, LAC. Guy Ridgewood Patterson, LAC. Albert James Radcliffe LAC Edwin William Read.

The Protestant Service began with the reading of St. John 11; 25-26; Job 19; 25-27; Romans 8; 38-39; St. Matthew 5:14; St. John 14; 1 and 2; Isaiah 40; 11. These scripture verses were followed by a reading of the names of the twenty Protestant boys who had paid the supreme sacrifice on this site.

The 23rd Psalm and 121st Psalm were read, followed by the reading of some of the New Testament passages as above, together with Revelation 7:16 and 17.

Included in the funeral sermon were references to the fact that the love given to God's children will never die, and that nothing can kill it; neither principalities nor powers, nor things present, nor things to come; nor the sword nor the crash of aircraft, nothing can kill it; it will last over - Forever.

'O Valiant Hearts, who to your glory came
Through dust of conflict and through battle flame
Tranquil you lie, your knightly virture proved,
Your memory hallowed in the Land you Loved.

'O risen Lord, O Shepherd of our Dead,
Whose Cross has bought them and whose Staff has led,
In glorious hope their proud and sorrowing Land
Commits her children to Thy Gracious Hand.'

Reference was made to a somewhat similar crash that had taken place in Britain during the war, while the Principal Chaplain was overseas. In this crash the Duke of Kent had been killed and Prime Minister Winston Churchill said:

"There is something about death on active service which is different from ordinary death in the normal course of nature. It is accepted without question by the fighting men. Those they leave behind them are also conscious of a light of sacrifice and honour which plays around the grave or tomb of the warrior. They are, for the time being, uplifted. This adds to their fortitude but does not in any way lessen their pain. Nothing can fill the awful gap; nothing can assuage or comfort the loneliness and deprivation. Only faith in a life after death, in a brighter world, where dear ones will meet again—only that and the measured tramp of time can give consolation."

There followed a mention of the hope of immortality which is ours, founded on the words of our common Lord and Master; reference being made to the New Testament passages above mentioned.

Passages were then quoted from the address given by Abraham Lincoln at Gettysburg:

"We have come to dedicate a portion of this mountain as a final resting-place for those who here gave their lives that a nation might live."

"The brave men who died here have consecrated it far above our power to add or detract."

"It is rather for us to be here dedicated to the great task remaining before us, that from these honored dead we take increaded devotion to that cause for which they gave the last full measure of devotion; that we here highly resolve that these dead shall not have died in vain, that this nation, under God, shall have a new birth of freedom; and that government of the people, by the people, for the people shall not perish from the earth."

The committal took the form of the placing of twenty maple leaves, which had been picked from the trees of Canada's Capital City on the grave, one by one, with these words:

For as much as it has pleased Almighty God to take unto Himself the souls of our comrades departed, we therefore now commit their earthly remains to this grave—a maple leaf from the Capital City of our beloved nation for each one, the symbol which marked them as Canadians wherever they so journed in war—the emblem of the land they loved and for which they died. A gallant group of young Canadian gentlemen they were.

"They shall grow not old, as we that are left grow old;
Age shall not weary them, nor the year's condemn,
At the going down of the sun and in the morning
We will remember them.

The Committal Service was followed by the prayer of Thanksgiving for the hope which is in Christ Jesus, and for the willingness with which our young men offered themselves and laid down their lives for the country which give them birth.

Then came the prayer for the loved ones at home, the Lord's Prayer and the Benediction. After a brief pause, the Last Post was sounded by the R.C.A.F. Trumpeter. The service was brought to a close by the sounding of the Reveille and the saluting of each of the twenty-three Crosses, the one Star of David and the Cairn by the three Chaplains and the Officers present.

Two wreaths were then placed at the foot of the Cairn as a token of loving remembrance.

We realize most intimately that the belated discovery of the wrecked aircraft has broken open again the wounds of your sorrow and loneliness and all of us in the Royal Canadian Air Force join with you in your grief.

We must all of us recognize, however, that whether here or there, we are still in the Father's Hand and can look forward to that day when we shall know one another and love one another with a knowledge and love that are eternal in Christ Jesus our Lord.

In the meantime, it is our prayer that the Heavenly Father who gave His only and well beloved Son in sacrifice, even unto death, may grant you a peace that passeth all understanding and strength for the days ahead.

Very sincerely yours,
Sgd. R. M. FRAYNE, W.C.,
Principal Chaplain (P) RCAF

## Coal Rationing Not Contemplated

(By The Canadian Press)

EDMONTON, July 11—Despite a not-too-bright coal supply outlook for Canada this winter, nothing so drastic as coal rationing is contemplated. E. J. Brunning of Ottawa, Dominion coal controller said today in an interview.

"The domestic coal market will be tight, but I feel we'll get through next winter all right," said Mr. Brunning who is here conferring with district coal operators. He warned, however, that Canadians should heed the repeated advice of authorities to lay in coal supplies early.

The coal controller pointed out that for the first time in history all Alberta mines are operating at virtually full capacity in what is normally considered the slack summer season.

Mr. Brunning said a large amount of the briquet output from Alberta's Canmore and Brazeau fields is being diverted to eastern Canada to compensate for an acute coal shortage there which resulted from the recent U. S. coal strike.

### CAMERON — BULGER WEDDING

—St. Bridget's Church, Lot Eleven, was the scene of a pretty wedding on Monday morning, June 24th, when Clara Lavinia, daughter of Mrs. Alexander Bulger and the late Mr. Bulger, and Joseph Emmett, son of Mr. and Mrs. Phillip Cameron of Wellington, were united in the holy bonds of matrimony.

The Reverend William McDonald celebrated the Nuptial Mass and performed the ceremony.

The bride wore a street-length dress of turquoise blue, with corsage and white accessories. She was attended by her sister, Mrs. Arthur Milligan, while Mr. Milligan did honors to the groom.

The wedding breakfast was served at the home of the bride's mother, and in the evening a reception was largely attended by the many friends of the bride and groom.

The bride received many valuable gifts including linen, silverware and envelopes.

The following evening, the bridal party, and immediate relatives were guests at a quiet supper served at the home of the groom in Wellington.

Mr. and Mrs. Cameron carry with them the best wishes of their many friends as they take up residence in Charlottetown where Mr. Cameron is employed.
