PAINS For Society Folk. People of fashion do things sometimes that cause pains in the stomach and aches in the kidneys. Hard work and hard pleasure have pretty nearly the same results. A sour stomach, a bad breath and pains about the heart and head are caused by gasses from the stomach. Hutch cures them quickly. You take one when you feel badly. Three at night to move the bowels next morning, then one after each meal and your trouble will go away. It is nature's own remedy for pain. They are chocolate coated and contain nothing that is injurious. There is nothing like Hutch in the world. It's a doctor for ten cents. At your druggists. For sale by all Druggists.
