Bad Bidding
 North's bidding in today's deal was bad from start to finish, and the result was that a vulnerable game was lost.

South dealer.
 Both sides vulnerable.

The bidding:
 South West North East
 Pass Pass 1♣ Pass
 1♥ Pass 1NT Pass
 2♥ Pass Pass Pass

West opened the spade deuce, which was allowed to ride around to the closed hand. East won with the king and declarer now took and lost the heart finesse. East shifted to a club, but declarer put up the ace, entered dummy with the trump, took out East's last trump, and discarded the club nine on the spade ace. He then ruffed a club and led the diamond ten through West, intending to take two finesses (the proper play). West had one diamond trick, but declarer lost, in all, only a spade, a heart and a diamond.
 To begin with North's first bid

should have been one notrump instead of one club, inasmuch as he had the ideal honor strength and distribution for the notrump opening. That, however, might not have mattered if he had made the proper second-round bid. His one notrump over his partner's one heart was far too weak for his holding, and since two notrump would have been too strong, he should have selected the compromise bid of two hearts. South would have bid at least three hearts in response to this, and North then could go to game.
 As it happened, however, North had still another chance when South bid two hearts over one notrump. Surely, North might finally have found a heart raise at that point, instead of passing!

CUT DOWN ON TAKING LAXATIVES THIS WAY

See How Regular You Can Be Every Morning

Try taking Carter's Pills this way: Start with 3 and set a definite time every morning. When you get regular every morning cut down to 2. After a few days, try 1.
 Then try taking Carter's every other day. You may even find you can keep regular without any laxative.
 You see, Carter's are so tiny you can cut down the dose—from 3 to 1—to fit the needs of your individual system. Without disappointment.
 Carter's help clean out your intestinal tract not halfway, but thoroughly. They are doubly effective because made with two vegetable herbs compounded properly for thorough, easy action.
 Thousands can cut down on laxative pills by taking Carter's. Ask for Carter's Pills by name to get the genuine at any drugstore—35¢. Start the Carter graduated dose method tonight, and jump out of bed tomorrow feeling good.
