A Definite Proposition

If you are ailing you may take the most highly recommended pills, tinctures or elixirs, but you have to take chances on deriving any benefit. If you take FERROL, however, you take no chances; you must receive benefit, for the simple reason that FERROL contains in palatable and easily digested form the essential elements that go to the production of health, vim and energy. If you burn coal you get heat; if you take FERROL you get increased weight, strength and energy with just as great certainty.

FERROL

is phosphorized Oil and Iron. It is suitable to all seasons and all conditions. It is just as readily digested and just as much required in hot weather as in cold. It is taken with advantage to every one at every stage of life from infancy to old age.

To those who are threatened with lung trouble, who are suffering from coughs, colds, bronchitis or any kind of trouble or whose system is run down or weight impaired FERROL is a prime necessity, because it is the only preparation which can be absolutely depended upon to effect a permanent cure.

BODY OF SAGE WELL GUARDED

New York, July 26.—Encased in a hermetically sealed copper envelope, placed within a solid mahogany coffin, the body of Russel Sage will to-day be placed in a riveted steel case four inches thick, chilled with steel bolts, locked with a lock which can never be opened, and lowered into a grave carpeted and lined with evergreens on which the clouds will be heaped and the mound built.

The steel case weighs three tons. It is seven feet eleven inches in length, two feet six inches in depth, and three feet six inches in width. Ten strong men find it a task to lift it. Immediately after the steel box and the contents are lowered into the grave electrical connections will be made and will be strung, so that an immediate alarm will be given if any attempt is made to tamper with the remains.

The extraordinary efforts to thwart attempts by grave robbers was taken at the instance of Chas. L. Medl, sexton and funeral director of the Collegiate Church, and was sanctioned by Mrs. Sage.

The coffin will cost \$1,000, and the steel case with its unpickable lock \$22,000.

Mrs Sage has had a dread of a violation of sepulchres ever since the stealing of the body of A. T. Stewart, and she readily consented to the proposal for safeguarding the grave of her husband.

THE LATE REV. DR. SNODGRASS

The news of the death of the Rev Dr Snodgrass, recently called from Canobie, Dumfriesshire, Scotland, will recall to many Guardian readers the Rev gentleman, who was Presbyterian missionary in this Province in 1832, and was well known in Charlottetown.

LATE DR. SNODGRASS.

Dr Snodgrass is spoken of as a man of sterling worth, and his influence for good was most marked during his stay in Prince Edward Island.

He was closely identified with the establishment of the Young Men's Christian Association in Charlottetown and wrote the inaugural address for that institution which was delivered fifty years ago.

Proper Medicine For The Blood

Drives Away That Tired Feeling; Makes You Feel Brisk.

To every one it is sure to come that tired, exhausted feeling. When the blood is weak, thin and debilitated, circulation is slow, and in consequence the system is congested with poisons and wastes that should be driven off.

The sensible person acts on the teachings of experience and cleanses his system with a course of Dr. Hamilton's Pills of Calomel and Butternut.

From Chebogue Pt., N. S. comes the following from Mrs. W. A. Reynolds: "A year ago my health began to fail, I lost appetite, became nervous and sleepless. My weight ran down, I became thin, under my neck, and had black rings under my eyes. I really felt as if my springtime arrived I was in the 'Blues.' I read of Dr. Hamilton's Pills, and got five boxes at once.

"Within a month my appetite and color were good. I gained strength and felt like a new woman. New life and vigor returned, and my friends scarcely knew me." A medicine that will do this should be in every home.

Good health means much to you. Success and happiness depend upon it. The maintenance and source of health is found in Dr. Hamilton's Pills, 25c per box, or five boxes for \$1.00 at all dealers, or by mail from N. C. Poirer and Co., Hartford, Conn., U. S. A. and Kingston, Ont.

MINARD'S LINIMENT CO., LIMITED.
GENTLEMEN.—In June, '98, I had my hand and wrist bitten and badly mangled by a vicious horse. I suffered greatly for several days and the tooth cuts refused to heal until your agent gave me a bottle of MINARD'S LINIMENT, which I began using. The effect was magical; in five hours the pain had ceased and in two weeks the wounds had completely healed and my hand and arm were as well as ever.

Yours truly,
