MACLACHLAN in Winnipeg. The Winnipeg "Town Topics" referring to MacLachlan's appearance in that city last December says.—It is hardly necessary to say that everyone who attended the first of two concerts, to be given by Scotland's greatest songstress Jessie MacLachlan, came away delighted. It would be strange indeed if this famous vocalist who has charmed thousands should fail to enthrall a Winnipeg audience. MacLachlan is a great artist in every sense of the word. The Gaelic numbers were much appreciated. But her rendering of the "Hundred Pipers" fairly electrified the audience bringing them to their feet with enthusiasm. To hear this wonderful Scottish Singer, and in conjunction with such an interesting singer the silver voiced American tenor Mr. Harry McClaskey is an event of a life time for Charlottetown, and the concert which occurs on Oct. 2nd. will undoubtedly be patronised by one of the largest audiences ever seen here.

A QUARTER OF A CENTURY.
A Long Time to Suffer with a Very Painful Disease.

ECONOMY POINT, N. S., Sept. 1.—(Special)—Mr. George S. McLaughlin suffered for over 25 years with Lumbago. He had sought relief in very many treatments and medicines but never succeeded in finding anything to help him till he used Dodd's Kidney Pills. He says:—

"Sometimes the pain in my back was so severe that I could not turn myself in bed. A slight cold or hard lifting would bring on a fearful painful attack. I commenced a treatment of Dodd's Kidney Pills and in a short time the pain left my back and it became as strong and stout as ever, and I have not since had any return of the Lumbago.

"I am satisfied it is cured forever, and I believe Dodd's Kidney Pills will cure any case of the kind."
