Moderato. *on grand*

Lord I would de-light in Thee, And on Thy care de-pend; To  
Thee in ev-ry trou-ble flee, My best, my on-ly Friend When  
all cre-a-ted streams are dry, Thy ful-ness is the same; May  
I with this be sat-is-fied, And glo-ry in Thy name Why  
should the soul a drop de-moon, Who has a fountain near? A

## A FOOD AND A TONIC

What the leading Medical Journal of the world has to say about FERROL.

After making a thorough test of FERROL in its own laboratory the London (England) *Lancet* published an article from which the following is taken:

# FERROL

"This is a successful combination of the well-known valuable remedies, Cod Liver Oil, Iron and Phosphorus. The formula is no secret, and our analysis showed the presence and amount of constituents as described. The preparation is a good one and of distinct therapeutic value. The association of an easily assimilable oil, in a fine state of division, with a phosphatic salt of iron which does not disturb the digestive functions and which is easily tolerated, determines its success as a food and tonic in wasting diseases."

What the London *Lancet* recommends as a food and a tonic in all wasting diseases must have very special qualities.

No higher endorsement is possible. The results following the use of FERROL for the past ten years have proved that this endorsement is well deserved.

FERROL is not a patent mystery. The formula is freely published. It is prescribed by the best Physicians. It is endorsed by the most eminent Medical Journals. It is used in prominent Hospitals, Sanitariums, etc.
