With Frequent Sick Headaches and Much Pain After Eating—Dr. Chase's Nerve Food Cured.

This letter is from a lady who gained 14 pounds by using the great food cure. It did wonders for her in improving her general health. She is enthusiastic in its praise, and refers to her neighbors as witnesses of the splendid results obtained. Mrs. Susan Dobson, Spring Hill Mines, N. S., writes:—"It is with pleasure that I write to you in praise of Dr. Chase's Nerve Food. I was troubled with dyspepsia, and could not eat without suffering much pain; also had sick headaches frequently, and my nerves were in bad condition. About ten years ago I took a thorough treatment of Dr. Chase's Nerve Food, using altogether 21 boxes, and since then can eat anything, have been freed from headaches, and my health has been greatly improved in every way. I gained 14 pounds in weight, and feel sure I owe everything to Dr. Chase's Nerve Food. You may use this letter, and my neighbors can tell you of my condition before using this treatment."

A Few Reasons Why

The Premier Silver-Black Fox Co is The "Premier" Co.

Because:—

- (1) Its foxes are the best obtainable.
- (2) The directorate is composed of thoroughly reliable men who have large holdings in the Co.
- (3) Mr. Thomas Moyses, one of the most successful ranchers of today, has charge of the foxes.
- (4) It was under Mr. Moyses's management that the Peerless Co., paid 900 p. c. dividend in 1913.
- (5) A very large percentage of foxes ranches by him have produced litters the first year.
- (6) With Mr. Moyses's usual success the the Premier Co., should pay about 100 p. c. next year.
- (7) The investor may rest assured that he will get every dollar that he is entitled to.
- (8) The ranching cost is only 7 p. c. of the increase.

Now is the Time to Invest:—

Up to July 1st anyone applying for stock directly to the Co., gets a discount of 10 p. c. which makes the capitalization only \$16,200 per pair.

APPLICATION for stock may be made to any of the directors, accompanied by 10 p. c. of the amount. Shares \$50 each.
