LETTER FROM THE FRONT.—Mr J. R. Munn, Marshfield, received the other day the following letter, which speaks for itself. Mr Munn, in bagging his contribution of oats for the Army Feild Service Fund, placed in each bag a prospectus of the Belmont Black Fox Company, of which he is president, and the request that the receiver communicate with him on receipt. The following letter shows not only that the oats were gratefully received but that the quality was good:—Dear Sir,—On the 5th of Jan. 1915 I was supplied with a ration of oats for my horses. On opening one of these sacks of excellent oats, I found a book, presumably one of yours, of the Belmont Black Fox Co., with the request that you should be notified by the user, to which I have much pleasure in replying and thanking you for the kind gift to our dumb friends. Hoping you will receive this letter. I am, sir, etc., Sergt. R. N. Evans, 31st Battery, R.F.A., 37th Brigade, 4th Division, British Expeditionary Force.

La Grippe and Colds

In La Grippe and Colds, Anti-kamnia (A-K) Tablets are unexcelled, as they stop the pains, soothe the nerves, and bring the rest so greatly needed by nature to restore the system to health. Physicians have used these tablets for over twenty years, in the treatment of colds, fevers and la grippe, and have found no other remedy more useful in these conditions. Anti-kamnia Tablets are so inexpensive, so pleasant to take, so satisfactory in their results, and so useful in all conditions where there is pain, that A-K Tablets should always be kept in the house for the time of need. Many of our ablest physicians obtain perfect results in la grippe and colds, by cleansing the system with Epsom salts or "Actoids", a very good cathartic, putting the patient on a limited diet, and administering one A-K tablet every two or three hours. This treatment will usually break up the worst case in a day or two, while in milder cases, ease and comfort follow almost immediately. These tablets are also unexcelled for Neuralgia, Rheumatic Pains, The Pains of Women, Indigestion and Insomnia. All druggists have them.

Genuine A-K Tablets bear the AK mark.

HAMPSHIRE.—The Rev. S. Trevett will hold service in the Methodist Church, Hampshire, on Sunday next, January 31st, at 7 p. m.

SPECIAL TRAIN.—A special with reduced rates leaves Charlottetown, Friday, January 29th, at 2.30 p. m., in connection with the presentation of "Prince Chap" in "Happyland" Theatre, Summerside, returning after the play. 8393

CARDIGAN, ETC.—Rev. James C. Martin will preach in his churches at Cardigan and Lorne Valley next Sabbath day, January 31st, at the usual hours of service. The pastor returns after an absence of nearly a month, having visited New York and Boston.

BOAT SPECIALS. — The mail special from Cape Traverse arrived in Charlottetown yesterday at 1.35 p.m. and left again last evening at 8.45 o'clock. The train from the Stanley reached Charlottetown at 1.15 p.m. and left again for Georgetown at 7.15 o'clock last evening.

NEW ASSOCIATION.—The people of Cumberland District have organized a Stock Breeders' Association for the purpose of securing one of the Shorthorn Bulls, which are being supplied by the Dominion Department of Agriculture. James Hogan was appointed President; Wellington Murphy, Vice-president; Joseph Murphy, Secretary-treasurer; Francis Smith, John R. Murphy and Patrick Foley, Directors.

RACES TOMORROW.— At a meeting of the Charlottetown Driving Club last evening it was decided to hold races tomorrow (Thursday) afternoon at 2 o'clock, provided the ice is in good condition. Following are the classes: 2.25 trot and pace, and trot and pace for horses that have never started more than once on ice or clay. These two classes should bring together a large number of the best horses. Entrance fee will be as usual. Entries will close tonight with the Secretary, at Mr. J. A. Henderson's forge at 8 o'clock.

EXCELLENT CARNIVAL.— The Carnival at the Arena Rink last night was a splendid success and the attendance, both of skaters and promenaders was the largest at any first carnival for some time. The costumes were varied and artistic. Naturally on account of the war there were to be seen many ladies skating as Red Cross nurses and many males (and even some females) masquerading in soldierly attire. The ice was good and the music excellent, the band rendering extras to the great delight of the skaters. The affair was one of the most successful yet held and everybody enjoyed it to the utmost.

BURNS CONCERT.—Burns anniversary concert was repeated last night to even a larger house than on the previous night, when the production of the programme was as delightful and as enthusiastically received. A regrettable feature was the fact that the hall, although the largest available in the city, was not large enough to accommodate all who wanted to be admitted and as a result many were turned away. The programme was the same as on the previous night and, as reported in yesterday morning's Guardian, the managing committee are being congratulated on the splendid entertainment and the unqualified success which attended it. A special train from Murray Harbor brought about 250 excursionists, all of whom were delighted with the performance.

POLICE COURT.—In the Police Court in Charlottetown yesterday at 3.30 p.m. the preliminary hearing of Walter Berrigan, charged with assaulting Mary E. Monaghan, so as to cause her bodily harm, came up before His Honour Stipendiary Martin. For the prosecution several witnesses gave evidence to the effect that the defendant threw a bottle, which struck Mrs Monaghan on the head, inflicting a wound. The incident occurred at the Railway station on Friday night last as Mrs Monaghan was in the act of boarding the Crystal hockey special. The case was adjourned until this morning at 10 o'clock, when two witnesses will be called to give evidence on behalf of the defence. Mr A. A. McLean appeared for the

ANNUAL HORSE SHOW—The Directors of the Horse Breeders' Association are again preparing for the Annual Horse Show, which is to be held this Spring. A meeting will be held at an early date to prepare the prize list. At the last annual meeting it was suggested that a class for Percherons should be opened, also a class for Standard Bred Stallions, and for roadster mares. Several suggestions have already been made to the directors. One is that there should be an agricultural class open to mares and geldings; another is that classes for light horses should be for carriage stallions and mares registered, and for carriage mares sired by registered stallions, and not eligible for registration. A third suggestion regarding light horses is that there should be a class for carriage stallions and carriage mares; for standard bred stallions and standard bred or roadster mares. The committee will welcome suggestions, which can be handed to any of the Directors: H H Acorn, Souris; David Reid, Victoria Cross; W W Crosby, Cornwall; T P Cass, North River; John Richards, M. L. A., Bideford, and Jabez Lee, Victoria.

SUPREME COURT.—The Supreme Court was engaged yesterday in resumption of the case of the P. E. Island Fox Exchange and Realty Co., Ltd., versus John R. Oliver, of Alberton. The action was brought to recover the sum of $1,400 being a deposit paid by the plaintiff to the defendant for the purchase of three foxes—2 male and 1 female—which were to be delivered by defendant to plaintiff in the month of September, 1914. The defendant had 3 foxes, 2 males and 1 female. The female had a crooked leg, or, as the fox dealers described, "down in the leg." The plaintiffs refused to accept this, as not being in accordance with the contract, which called for foxes in "good, healthy physical condition," and therefore contended that the contract was indivisible, calling for 3 foxes of that description; and inasmuch as the defendant could not supply the three foxes answering the dscription called for by the contract, he was liable to return the $1,400 deposit paid by plaintiff at the time of entering into the agreement in June, 1914. On the other hand, the defendant adduced evidence to show that a fox with a crooked leg was a fox in compliance with the contract sued on and claimed the right, under the terms of the contract, to claim the $1,400 as a forfeit against the plaintiffs for non-fulfilment of their part of the contract to purchase the foxes for $14,000. Evidence on both sides was received and the case went to the jury yesterday afternoon, with the result of a verdict in favor of the plaintiff for the full amount claimed, viz., $1,400. After the plaintiff's case had been closed, a motion was made by Mr. R. H. Rogers, of Alberton, formerly an advocate of the British Columbia Bar, for a non-suit on a number of points. Mr. Saunders, for the plaintiff, very briefly replied and before he had finished his argument the presiding pudge stopped him and called on the defendant to go on with his defence, with the result above mentioned. Counsel: Messrs. McCallum and Saunders, for the plaintiff, and Messrs. R. H. Rogers and K. I. Martin for the defendant. The Court meets again this morning at 10.30.

::St. Dunstan's College Skate on Wednesday, Jan. 27. Special leaves city 7.15 p. m., returning at 10.30. Music by League of Cross band. Coffee and cake served. Everybody welcome. 8376-1-26M2i.

A SAILOR'S YARN.

Some men in a public house were inventing stories to pass the time away. They had all had a turn at it except an old sailor who had remained silent all the time, until pressed by the others to spin them a yarn. He began—

"I was once in a dreadful storm. All the provisions were washed overboard. I was very ill and ate nothing for four days; at the end of that time I began to feel hungry, and the steward gave me beef, chicken, port wine and eggs."

"But you said all the provisions were washed overboard. Where did you get the beef from?"

"From the bullocks" (bulwarks), said the old sailor.

"And where did you get the chickens from?"

"From the hatch."

"And the port wine?"

"From the port hole."

"And the eggs?"

"Eggs, said the sailor. "I didn't say eggs, did I?"

"O, yes, you did, said the men. "We've caught you now."

The old sailor thought he was caught and had to consider. At last he said, "Oh, yes, I did have eggs. The captain ordered the ship to lay to and he gave me one."

To Put On Flesh And Increase Weight

A Physician's Advice.

Most thin people eat from four to six pounds of good solid fat-making food every day and still do not increase in weight one ounce, while on the other hand many of the plump, chunky folks eat very lightly and keep gaining all the time. It's all bosh to say that this is the nature of the individual. It isn't Nature's way at all.

Thin folks stay thin because their powers of assimilation are defective. They just absorb enough of the food they eat to maintain life and a semblance of health and strength. Stuffing won't help them. A dozen meals a day won't make them gain a single "stay there" pound. All the fat-producing elements of their food just stay in the intestines until they pass from the body as waste. What such people need is something that will prepare these fatty food elements so that their blood can absorb them and deposit them all about the body—something, too, that will multiply their red blood corpuses and increase their blood's carrying power.

For such a condition I always recommend eating a Sargol tablet with every meal. Sargol is not, as some believe, a patented drug, but is a scientific combination of six of the most effective and powerful flesh-building elements known to the chemistry. It is absolutely harmless, yet wonderfully effective and a single tablet eaten with each meal often has the effect of increasing the weight of a thin man or woman from three to five pounds a week. Sargol is sold by good druggists everywhere on a positive guarantee of weight increase or money back.

We Want Money

As our fiscal year is now drawing to a close we would kindly ask our many customers who are indebted to us to try and arrange for a settlement of that bill mailed you recently. It is well known that the past few months have owing to prevailing conditions, been very severe on business in general so much so that we were obliged to meet our obligations at those terms of credit thus necessiating prompt settlements and a lowering of our funds. We therefore WANT MONEY and would appreciate your calling and arranging for a settlement of your account.
