The Guardian deeply regrets to learn that Jack Rogers, son of Charles R. Rogers, Summerside, was taken seriously ill on Sunday night. Last night his condition was unchanged. A sad feature is the absence from home of both father and mother, the former on a business trip in Sydney and the latter attending her sister, Mrs. Woodman, who is ill in Montreal. Mr. Rogers was telegraphed for yesterday.

The West Prince Board of Trade protested against the cancellation of the regular trains with mails at Charlottetown, what the one train west, with clearing the track in snowdrift sections. They say that the service west, this winter has been deplorable. If the snow had come early the roads must have long since been closed to traffic. It is time they protest, that in all justice the second train went on.

TO IMPROVE ILL TEMPER. Believe the physical suffering of corns, quickly done by the reliable Patman's Corn Extractor. Beware of so-called "imitations" and insist on "Patman's" as the one sure and painless cure.
