

## One Cent Brings It

**Furnace Facts**

WOULD-YOU-LIKE-TO-READ-THE-STORY OF THE FURNACE? —Just how correct principles say it should be constructed? —Just why no other plan of construction will do? —Just wherein lies its ability to be easy on fuel, quick in action, simple in operation?

The story is briefly told in a little booklet called "Furnace Facts." It's not an advertisement. No furnace name is mentioned, and you can read the whole story in 5 minutes.

To the party contemplating purchasing a furnace it points out the traps and pitfalls, and shows exactly what to demand of an architect, contractor or dealer, in furnace construction and installation.

### Get Rid of the Dust Nuisance in Your House

Floor-dust carries most of the germs that make doctor's bills mount up. Floor-glaze makes floor-dust not worth reckoning with.

Because Floor-glaze, the can't-wear-off enamel in ten shades, practically DOES GLAZE a floor. And dust won't lodge on a Floor-glazed floor. Saves a lot of housework, and banishes a plenty of disease.

Floor-glaze and rugs, with the smallest care, insure the health of the household and make a better-looking house. Anybody can apply Floor-glaze, a gallon does 500 square feet.

Just as good outdoors as indoors, and nothing else does so well for either. Why don't you get four floors disease proof?

Your dealer should have Floor-glaze. Let us know if he hasn't. You would find our Free Book interesting reading. May we send you a copy? Ask on a postcard, Imperial Washable Color Co., Limited, of Toronto.

### YOUNG BARRISTER.

This well-known draft stallion will make the season of 1908 at Park Stables, corner of Queen and Euston Streets, Charlottetown.

YOUNG BARRISTER was sired by the king of draft horses old Barrister, and his dam the imported pure bred Clydesdale mare "Myosotis," her son, the world-renowned McGregor of Scotland.

As a getter of draft stock he stands unequalled in the Province today, having to his credit nine draft stallions sired by him now in the stud. Last year 12 magnificent young draft mares got by him sold at high figures for breeding purposes to parties in Nova Scotia, where Young Barrister stood for two seasons. Combining as he does the blood of the two most illustrious sires of draft stock the Old Country has produced, breeders of heavy stock here should avail themselves of this opportunity to secure his services.

Trained for the season, secured by approved note of hand. Unsprung as usual. Mares at owner's risk.
