A NORTHUMBERLAND BOY EATEN BY BEAR.

CHATHAM, Aug 17.—The Chatham Commercial publishes the following:

"The report of a particularly sad occurrence has been received from Portage River (parish of Alwick), the details of which are meagre. Two little boys were playing in the vicinity of their home and discovered what they supposed was a small black lamb. One of the boys remained to play with it while the other went home to tell their mother of their find. The mother accompanied him to where he had left his brother, but the latter had disappeared. After a search had been made, the bones of the little fellow were found some distance away from the spot, and it is supposed that it was a bear cub that the boys had found and that the mother bear had come in search of her offspring with the above sad result."

Orphanage Fire Tragedy
MONTREAL, Aug. 17.—The number of dead in the fire which destroyed the Jewish Boys' Orphanage at Shawbridge, Que., last night, is placed at ten. The fire broke out at one of the windows of the building, but the wind changed in time and blew the flames in the opposite direction.

Remarkable Courage.
Stories of remarkable discipline and courage by the boys in the orphanage and by the lads in the Boys Farm and Training School nearby are told. When the fire was discovered the youngsters in the orphanage were marshaled in the upstairs rooms by the attendants and through them to a balcony. It was impossible to get the inmates down the stairs because the flames soon cut off this section. The bigger boys made rope ladders of sheets and coolly lowered the younger ones to the ground with them.

Those who reported on the scenes at the fire stated that there were no fire escapes on the building.

In the meantime the lads of the Boys Farm brought to the scene some of their chemical fire apparatus and ran several lines of hose up to the blazing pile. Their action prevented the fire spreading to the village, it is thought.

Discovery of the fire was made by Paul Legault, a son of the caretaker who was on his way home after visiting friends in the village. He attempted to open the door and awaken the inmates of the building but he had made too great a headway and he was obliged to run for shelter.

Young Legault gave the alarm and a number of the citizens gave what aid they could. The older boys of the Boys Farm at Shawbridge together with the superintendent J. M. Bars, also gave assistance. The building which is a three story brick one, was then a mass of flames and there was no chance of saving the victims.

The work of ascertaining exactly how many victims were in the ruins was much hampered by all the heat of the smouldering building. It was stated that six orphans were missing when the flames were taken to the hospital of the boys farm where they were provided with cots. Thomas Le Gault, the caretaker, and his wife

with two children were trapped in the tower rooms and burned to death. It was thought the fire originated in the basement.

The Jewish Boys' Home was a summer annex of a Montreal institution. It accommodated fifty children. The building was of brick construction and three stories high.

The boys farm and training school at Shawbridge is an institution for juvenile delinquents.

Good Attendance at Electric Light Sports Held Last Night

The electric light sports held last night at the Abegweit Athletic Association Grounds were a grand success and were witnessed by a large number of sport fans.

The weather was almost perfect and the various events were keenly contested by the different competitors who were all in the pink of condition.

The most interesting events of the evening were the 2 mile and 1.4 mile bicycle races, the former being won by "Sugar" Gordon and the latter by G. Francis.

There was a large number of entries in the runs and good time was made, especially in the dash.

The tug of war which was won by the Abbies, 2 out 3, was an exciting and hard pull and called forth every ounce of strength on the part of the winners.

The barrel boxing contest between the Steele brothers (the "candy and sugar" kids) resulted in a draw. The following were the officers and also the winners in the different events.

Starter—Jas. MacMillan.
Referee—S. F. Doyle.

Jackson Gratton Beats Edna Early In Intense Trotting

PHILADELPHIA, Aug 17.—The old Belmont Driving Park today lived up to its reputation as a wonderfully fast track for harness horses, when the time for the 2.07 pacing event was hung up at 2.02 1/4, 2.01 1/4, 2.02. The race was a battle in every heat between Jackson Gratton, the bay stallion, by Solon Gratton, and the black mare Edna Early, daughter of Robert.

Cox drove Jackson Gratton and Thomas was behind Edna Early. The event was the Keim stake of \$2,500 and the handsome Keim trophy. In the first heat the horses fought head and head all the way, with the stallion nosing out Edna Early at the wire. The second heat was just as exciting and once more the stallion won at the wire. The time was one second faster than the first. Edna Early won the final heat, the killing pace telling on both horses.
