During the whole of last week throngs crowded the church at all the services each day, many having to stand through the evening exercises. On last Friday evening after a strong sermon on the evils of intemperance, Father McPhail called on the men and boys to come and take the pledge which was done by nearly all present. The priest of Summerside, Rev. J. C. McLean, will receive the thanks of his parishioners and of many others who were fortunate enough to listen to the instructive sermons of the Fathers. Father Flynn on Sunday morning preached the opening sermon of a mission in Miscouche.

That there is only one Best Place in Charlottetown to buy Furs whether big, or small, and that place is certainly here. We carry an immense stock of all kinds of Furs and have already this season sold more neck Furs than a great many merchants stock altogether, and yet they would hardly be missed out of the immense number in stock.  
Last year was our banner year in Neck Furs and Setts, and this year promises to eclipse it by far.  
We have the Furs the people want at the prices they like to pay, while the undoubted good quality of our stock is a household word.

We have also the sole selling right here for the famous "Coristine" Jackets—the best Jackets made, and have a magnificent line now in stock.

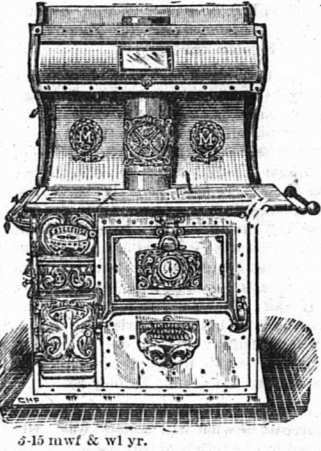

We are particularly proud of our stock of men's Coon Coats, which are the best value ever handled. Every one is new this season and made to our order from the best skins obtainable.

Come in men, examine these, compare all you wish and satisfy yourselves that for quality and price they are unapproachable values.

It will soon be time to think of Sleigh Robes, and when you do—think of us. In fact for best values in Furs of any kind. You cannot afford to forget
