IN MEMORIAM
EDWARD BLACK FERGUSSON
 Many citizens will regret to learn of the death of Edward Black Fergusson, son of Joseph Fergusson, formerly Chief engineer to the Minto which occurred in General Hospital, Edmonton of pneumonia, following influenza. He was sent to the Hospital from McBride, B. C., where he was operator on the Grand Trunk Pacific Railway. He was only twenty years of age and leaves to mourn his father in this city and his brother James in

NERVOUS ENERGY
 Life's momentum, depends upon a well-nourished body. When strength is depleted and the body lacking in essential nourishment, the nerves are the first to suffer.
SCOTT'S EMULSION
 Simon-pure in substance, rich in tonic qualities, nourishes the whole body and strengthens and steadies the nerves. Wherever the sun shines, Scott's is the recognized standard tonic-food and conservator of strength.
 SCOTT & BOWNE, TORONTO, ONT. 12-17

DRAUGHTS OVERHEATING WET FEET THESE 3
 are responsible for the majority of colds. You cannot always avoid these winter evils, but you can, by using Peps, stop the colds and chest troubles they cause. Peps contain absolutely no harmful drugs and can be taken with perfect safety by elderly people and young children.
 As soon as dissolved in the mouth, Peps liberate a pleasant, yet highly medicinal vapor, which mingles with the breath, and is carried to the remotest parts of the nasal passages, breathing tubes and lungs. These fumes destroy all the germs of cold, influenza and bronchitis which otherwise would develop in consequence of the body's vitality and power of resistance having become lowered. Peps strengthen the delicate membranes and make your throat and breathing passages "cold proof." By being prepared
 with Peps you can save yourself a great deal of suffering and expense, as well as time and inconvenience. Mothers should always keep a supply of Peps on hand for children's coughs and colds which should be treated immediately, as neglected colds in childhood often lay the foundations of weak constitutions. Get a box to-day. It will certainly repay you for the small expenditure—50c box, all dealers.
 Where a cold has been allowed to develop, Peps will be found equally effective. Also for coughs, bronchitis, sore throat, laryngitis and asthma.
FREE TRIAL Send this advertisement and 1c. stamp (for return postage) to Peps Co., Dupont St., Toronto, and receive free trial package.

The Canadian Navy. He learned his business in the Telegraph Office here and only left a few months ago to take up work in the West. He was very well known by those of his own age to whom this notice of his early death will come as a great surprise. He was a very fine lad of high principle, steady habits and good character. To the bereaved The Guardian extends sincere sympathy. The remains are being brought home for burial, funeral notice later.

CATHERINE MCPHERSON
 The messenger of death came into the home of Mr. and Mrs. Alex McPherson, Flat River, Friday, Dec. 27th and took from them their daughter Catherine aged 24 years, a young woman of sterling christian character, beloved by all who knew her. She had learned to suffer without complaining and was ever ready to lend a helping hand to those in need.
 For some years, she had been an invalid but was gradually improving until influenza seized her and the body weakened by previous illness, succumbed.
 The sympathy of the community has been shown in a marked way, neighbors doing all that could be done, in such distressing circumstances as the mother, two other daughters and one son, were all suffering with the same malady.
 The funeral conducted by her pastor Rev. J. C. Martin, was held Saturday afternoon, in the open air and interment was at Wood Islands Cemetery.
 She leaves to mourn besides her befeaved parents, five brothers, Dan and Bert, with the 98th Seige Battery now in Germany; Malcolm and family, Bellevue; Hugh and Collum at home, and four sisters Mrs. D. H. McPherson, Grand View, Mrs. Charles Babbitt,

Assonett, Mass. Marjorie and Annie home and abroad but with it the comfort of a host of relatives and friends who will long miss her companionship and cheerful disposition, but I will see you again, and your Plucked, as a flower in bloom, in hearts shall rejoice, and your joy, no the springtime of womanhood, sheeone taken away from you." leaves a deep sorrow in the hearts at (Patriot please copy)

Women! Keep It On Dresser! Never Let Corns Ache Twice
 Instantly! Few drops stop corn-softness, then corns and calluses shrivel, loosen and lift out with fingers—No pain!
 The world owes thanks to the genius in Cincinnati who discovered freezone.
 Tiny bottles of the magic fluid can now be had at any drug store for a few cents. You simply apply a few drops of this freezone upon a tender, aching corn or a hardened callus. Instantly the soreness disappears and shortly you will find the corn or callus so loose and shriveled that you lift it off with the fingers. Not a bit of pain or soreness is felt when applying freezone or afterwards. It doesn't even irritate the skin or flesh.
 For a few cents one can now get rid of every hard corn, soft corn, or corn between the toes, as well as painful calluses on bottom of feet without any pain. Ladies! Keep it on the dresser.
