TRINITY UNITED CHURCH

Although still undergoing extensive repairs, the organ will take two or three weeks to complete. Prof. Kendall was able to get the organ at yesterday's service. The repairs and improvement to the organ will cost about \$500.00, and add greatly to the musical excellence of that part of the worship.

Rev. Dr. Ramsay was the preacher in the morning. His text was in Matt.: 28-20 "Lo, I am with you always." A most beautiful promise for meditation on the first Sunday after Pentecost is that one of the abiding presence of Jesus with his children and Dr. Ramsay in his sermon showed how we could experience Jesus as a personality, spirit to spirit. He comes to us as friend, as companion, as comforter and counsellor. With pure and worthy thoughts, pure language, pure lives and a willingness to give the helping hand do we keep step with Jesus.

The Sunday School closed its afternoon sessions with an attendance yesterday of 313. In future the school will meet at 10 a. m., during the summer months.

At the evening service, the subject of Rev. Mr. Brown's sermon was "What it is to be a Christian." He dealt with the relation of a Christian to Christ. A Christian is one who has knowledge of and belief in Jesus, one who walks in the way with Jesus, one who lives like Jesus in fact a Christian must have that intimate fellowship with Jesus that his heart may be open to him so that he can say with sincerity and truth "Jesus my Saviour, Jesus My Lord."

The choir sang an anthem at each service and solos were rendered in a most capable manner by Mr. Harvey McPherson in the morning and Miss Margaret Sterns in the evening and at the latter service, the choir paid a graceful tribute to an absent member, Miss Lillian McKenzie, who set sail on Saturday afternoon for a trip to Europe by singing a hymn "For those at sea."

The Maritime Conference of the United Church will be held this week at Sackville, and the reports to be submitted will be of a most encouraging nature. There has been a net gain of Communicants in the whole church during 1931 of 11,520 and the persons under pastoral oversight are now 1,572,423 a net gain of 310,648 in the six years since Union. There are now 3,040 pastoral charges, as compared with 3,001 in 1929, while the number of preaching places has grown in the year from 7,402 to 7,626, indicating expansion in a somewhat difficult time.

ST. PETERS CATHEDRAL

Yesterday being Trinity Sunday the services at St. Peter's Cathedral were bright and in keeping with the Festival. The 11 o'clock celebration of the Holy Eucharist was preceded by a hymn sung in procession about the Cathedral. Rev. Canon Malone, M. A. officiated and preached a splendid sermon on the Trinity. After the service a meeting was held in the Cathedral Hall where Canon Malone read an address and presented a purse to Mr. Dick Filler on behalf of the congregation. Dick is leaving shortly for Halifax where he will join the staff of the Bank of Montreal there. Dick will be much missed in his Church where he has for some years been a faithful server at the Altar and is also the leader of the King's Own Troop of Boy Scouts. Evensong was sung at 7 p. m. when the service was again festive and Canon Malone the preacher. During this week the following commemorations are ordered by the Prayer Book: Monday, Justin Martyr in 150. Friday, Boniface, Bishop and Martyr in 755. On Sunday next the Rev.
