ACCEPTS PRESIDENT'S ROLE—Mr. James MacPadden recently accepted the presidency of the Charlottetown Y. M. C. A. Board of Directors and will assume his new duties immediately. Mr. L. G. Stacey, Vice-President was acting President pending the appointment of Mr. MacPadden.

CALLING ALL SOCKS AND SWEATERS for distribution to mobilized troops. Edward Island forces. Please send your finished articles to the Red Cross, Charlottetown, AT ONCE. Send express collect if no other way. L-497-11-10-21

WILL ESCORT PRISONER—Constable William G. Poole of the City Police Force leaves this morning for Halifax to escort a prisoner back to Charlottetown for trial. The prisoner, Mr. Simon Crabbe, was arrested by the Halifax Police recently. He is wanted here on a charge of assault causing bodily harm, chief of Police A. Birlewski said last night. The man is accused of striking a railway conductor here.

ENTERTAIN MILITIA—St. Paul's and Central Christian churches were joint hosts to the Military Unit in the City at St. Paul's parish hall last night. The soldiers were entertained by a program under the direction of Mrs. Frances-Holl Trainor and Mr. Albert Dennis. Mr. Charles Earle singing solo took place at the conclusion of which the boys in khaki were fittingly banqueted by the ladies of the churches.

ADDRESS SCHOOLS—In preparation for tomorrow's forthcoming Remembrance Day celebration special speakers have been addressing the children in the different City schools this week. The following men have given appropriate addresses at the schools: Queen Square school, Capt. N. W. Lowther, M. C.; West Kent school, Mr. L. A. Goodwin, M. C.; Notre Dame Academy, Major T. E. MacNutt, V. D.; St. Joseph's Convent, Mr. Philip Rossiter; Spring Park, Capt. J. J. Leighton; Parkdale, Mr. F. A. Driscoll. Prince Street school are holding a special Armistice Day program.

CAMPAIGN PREPARATIONS—Charlottetown made literally alive with bright Red Crosses yesterday in anticipation of the National War Appeal being launched on Monday, November 13th. Members of the 4th Charlottetown Guide Company, doing their bit towards this appeal, distributed posters for window display to practically every store in the city. Four full-sized Red Crosses also carry the Red Cross War Appeal. Next week when the canvass begins every household contributing \$1.00 or more will receive a Red Cross sticker for the window.

PULLED FROM WATER—Hearing a splash in the water late last night Mr. Brian Connors, night watchman on Bruce Street, who rushed over to investigate the source of the noise and discovered a man struggling in the water below Mr. Connors rescued the man from the icy water and notified the City Police. The victim of the plunge was Mr. Jack Essory of this City. Except for a bad wetting he was none the worse for his experience and was taken to his home by the Police. It appears that the man stumbled over the edge of the wharf in the dark.

CRASHES POLICE PATROL—Charlottetown's Police Patrol was damaged last night in a collision on Kent Street, opposite the gangway of the Charlottetown Hotel. The Patrol had just left the station when it struck the other car, which was driven by a young man, crashed into them head on, although they had tried to avoid the collision. The driver of the Patrol realized that the crash was inevitable and pulled towards the right curb and came to a dead halt. The other car, however, plied into the Police wagon badly damaging both vehicles. Nobody was hurt in the collision. The driver of the passenger car was placed under arrest charged with operating a motor vehicle while under the influence of liquor. He was later released on \$1000 bail. The accident occurred shortly after midnight last night.

KINSMEN MEET—At the regular meeting of the Kinsmen held at the Charlottetown last evening the speaker was the Rev. Dr. Gavin Monaghan of St. Dunstan's University. He spoke on "The Problems of Quebec." He first outlined the history of Quebec from Cartier's time to the present time. With this as a background he outlined the problems and their solution, in which the character of the French Canadian and the Catholic Church played such an important part in making Quebec the great province which it is. He also spoke on the significance of the recent election, the padlock law and Quebec's educational progress. J. C. A. Gordon presented the Gemmill Trophy to George Ayers as captain of the club's bowling team which won the Canadian championship of the Kinsmen Club last season. Guests were Gordon Lapp and Earle Nor-

Y's Men Hear

Talk On Light

"Most of the defective eyesight which exists in the world at present is due to misunderstanding of the use of artificial lighting."

Mr. A. V. Ainsworth, Manager of the Maritime Electric Co. for P. E. I., told a meeting of the Y's Men's Club held in the Y. M. C. A. last night.

Mr. Willard Spencer was chairman of this regular get together of the club and the meeting went on record as enthusiastically supporting the drive for the proposed erection of a new Y. M. C. A. building in Charlottetown.

Mr. Ainsworth, the special speaker of the evening, gave an interesting and instructive discourse on "Light Its Applications and Peculiarities."

He explained the mechanism of the eye in relation to the effect which light has upon it. "To protect the eye," he said we must know something about the light which the eye uses.

"Light is measured in terms of foot candles," the speaker said explaining that by foot candle is meant the amount of light spread over a surface one foot distant from a lighted candle. "To understand why so many people are victims of eyestrain," 20 feet of candle light is the low level of the eye, after that is decreased, eyestrain results.

Clare is one of the most serious problems to be dealt with in the proper lighting of a home according to Mr. Ainsworth. He also mentioned the need for better lighting in our schools to protect the eyes of the pupils.

Mr. Ainsworth's talk was thoroughly enjoyed by all present and a vote of thanks was moved by Mr. Bert Sim and seconded by Mr. Roy Dunning.

The meeting opened with "O Canada" followed by the special conclusion of which a very enjoyable sing-song was conducted by Mr. E. Dunning.

Mr. Roy Dunning, President of the Y's Men's Club, in a short talk stressed the need of a new Y. M. C. A. building in this City.

Mr. James MacPadden told the members that not only was this building needed but that it would be built and asked the co-operation of the Club in this worthy cause.

Other speakers included: Mr. Frank Clarke, and Mr. Reule Le-

Special Services

At Trinity Church

On Sunday Next

Outstanding feature of the services at Trinity United Church next Sunday, celebrating the 75th anniversary of the dedication of the church will be the presence of Rev. Principal Kerr, of Pine Hill Divinity Hall, Halifax, who will preach both morning and evening; and the unveiling at the morning service of a memorial window in honor of the men and women who caused the erection of the building in 1864.

Rev. A. E. Kerr, D. D., is a Canadian, a Maritimer, and a veteran of the Great War. He was born in Lunenburg, while a student at Dalhousie University he enlisted in the Royal Flying Corps. After the war, he resumed his studies in Halifax, graduated at Pine Hill Divinity Hall there, and then proceeded to New York, for graduate work. With the excellent training thus acquired, he entered upon his ministerial career as assistant pastor of the American Presbyterian Church, Montreal. From there he was called to the pastorate of St. Andrew's, Vancouver. Under his ministry St. Andrew's entered the United Church of Canada, merging with Wesley Church, the largest Methodist congregation in the city, to form St. Andrew's-Wesley United Church. Dr. Kerr served five years in Vancouver and then ten years as minister of Augustine Church, King Peter. The pastorate of Pine Hill Divinity Hall then having become vacant by the lamented passing of Dr. Clarence McKinnon, Dr. Kerr was called to this responsible position and entered upon his new duties this fall.

The first appearance of this distinguished preacher and leader in our city will be as the special preacher in Trinity United Church on Sunday next.

The memorial window has been provided on the initiative and in large part at the expense of the Ladies Aid Society. Commemorating an undertaking to erect a place of worship which should serve for generations, it appropriately depicts a scene at the building of the Temple, wherein King Solomon is shown seated in the partly finished structure, with the architect at his side, giving instructions to the workmen.

The window was produced by the Luxfer Window Company of Toronto, after a design by an artist in their service. It was installed under the direction of Mr. J. M. Hunter, Architect. There are two panels forming a single scene. The following inscription appears at the base of the window:

1864—They rest from their labors and their works do follow them—1893 Rev. A. E. Kerr, 13th.

To the memory of the men and women who in 1864 erected this church, the congregation on the occasion of the 75th anniversary, November 12th, 1939, dedicated this memorial.

Mr. Henry Smith, who was present at the dedication services in 1864, and who all his life since that congregation will unveil the window.

Many of our citizens, not now connected with Trinity United Church, are descendants of those who took part in the effort now being commemorated. To all such, the ministers and members of Trinity extend most cordial invitation to attend the anniversary services.

rest of the guilty person or persons.

This reward would be paid at any German consulate.

Himmeler said his investigation showed "the trail of the perpetrator leads abroad" and for that reason the reward in foreign exchange was offered.

Authorities Silent

Officials, however, declined to comment on whether there was a "Jewish angle" to the case, saying it would "prejudice" the investigation to surmise Jews were responsible.

The entire press charged Jews and the British secret service were responsible.

In Munich, Nazis honored the 18 "martyrs" of the unsuccessful bear cellar plot as though nothing untoward had occurred to mar the observance of the anniversary.

Rudolf Hees, Hitler's representative, laid wreaths from Hitler at the memorial to the 18.

(There had been rumors Wednesday night that Hees was killed in the blast.)

German Jews were nervous for fear new measures would be taken against them, recalling the wave of anti-Semitic violence just a year ago following the death of Ernest Von Rath, secretary of the German Embassy in Paris, at the hands of a Polish Jew.

War In Quest

(Continued from page 1)

she realized it was a "just cause." The question, he said, involved Canadian "interest, security and obligation."

Saying that he could not venture a prediction whether the United States can remain neutral, the Canadian premier, however, quoted the words of a former prime minister of Canada that "Hitler is not defeated on the banks of the Rhine he must be defeated on the banks of the Mississippi."

"In spite of our divergent positions—one as a belligerent and the other as a neutral—may nothing be done to impair the cordial relationship between the two peaceful democracies of North America, said Premier Campbell.

Dr. A. J. A. Campbell, President of the Canadian-American League, was chairman at last night's dinner. Michael A. McKinnon was toastmaster.

BOSTON, Nov. 9—(CP)—With Canada at war, Canadians never before have appreciated the good-will and friendships existing between the Dominion and the United States, Premier Thane A. Campbell of Prince Edward Island said in a speech today.

The Canadian premier spoke at a breakfast tendered him by Mayor Maurice Tobin. He was here for the annual banquet of the Canadian-American League, at which he was guest of honor tonight.

Two fortifications existing between the Dominion and the United States, Premier Thane A. Campbell of Prince Edward Island said in a speech today.

Force Only Answer To Force

"To those who speak no language but that of force, force is the only answer, and since we have been compelled to take up arms we shall not lay them down till we are assured that Europe has been freed of the threats which have so long paralyzed the life of her peoples."

With the progress of "this strangest of wars," which by comparison with the first Great War must seem to many to wait at all, but rather a state of siege," the allies' position has been strengthened by conclusion of a mutual aid pact with Turkey and by refusal of the United States neutrality act, Mr. Chamberlain said.

The latter development "opens for the allies the doors to the greatest storehouse of supplies in the world."

"On the other hand," he said, "the pact between Germany and the Soviet Union has gained indeed great advantages for the Soviet but has brought only humiliation and loss for Germany."

The Prime Minister expressed gratification over the fact there has as yet been none of "the terrible casualty lists that were only too familiar to us in the last Great War" and that "the British expeditionary force has been transported to France without the loss of a single man or a single piece of equipment."

He devoted a large portion of his speech to complaints against war restrictions and controls. He pleaded "not for total abstention from criticism but for a generous amount of tolerance of inevitable errors and a more generous recognition of the really good work that has been done."
