The proposal to put on a fast-express between Montreal and Halifax this summer, it is stated has been abandoned for the present. Mr. S. J. King, master car builder, and Mr. L. B. Archibald, Supr. of dining and sleeping car service, returned from the upper provinces Saturday morning and report that it will be impossible to put on a second train between Montreal and Halifax on account of the shortage of cars.—Moncton Times.

M. A. Shaffer, the popular representative of W. B. Arthur & Co., Halifax, went east yesterday afternoon, having crossed from Pictou the previous evening. Mr Shaffer received a telegram on the morning of the 20th, while in this city, announcing the sudden and unexpected death of Mrs. Shaffer, on the 19th, and as the S. S. Princess had already left for Pictou he was obliged to wait over until the following morning. Three small children are left to mourn, and to these and a sorrowing husband the Guardian joins with the many friends in extending sincerest sympathy.

THE Guardian regrets to have to record the death of Mrs. Neil McLeod, Springton, which sad event took place Monday, April 6th., 1903. Deceased had been in poor health for several months previous to her demise.

All who had the pleasure of her acquaintance, bear witness to her pure unselfish life, her kindness as a neighbor, her faithfulness as a helpmate, her patience under sickness, and the religious faith by which she was sustained to the last, will ever be refreshing to the memory of those she has left behind, as they miss the presence of the wife, the mother and the friend. The funeral took place on Wednesday, 9th., when all that was mortal was laid to rest in Hartsville cemetery there to await the resurrection.

ENGAGED.

Marriage is very largely an accident. In few cases do men or women set up a standard of manly or womanly excellence and choose by it. In most cases people become engaged as the result of propinquity rather than because of any deep rooted preference.

And so it often happens that the wife enters upon the obligations of matrimony just as thoughtlessly as she entered on the marriage relation, because no one has warned her of the dangers she faces.

Thousands of women become invalids for lack of knowledge of themselves. It is to this large body of women that Dr. Pierce's Favorite Prescription comes as a priceless boon, because it cures womanly ills.

"Favorite Prescription" establishes regularity, dries weakening drains, heals inflammation and ulceration and cures female weakness. It makes weak women strong, sick women well.

"After my first child was born," writes Mrs. Jordan Stout, of Fawcett, Frederick Co., Va., "my health was very poor for a long time, and I could hardly move without great suffering. My husband got me a bottle of Dr. Pierce's Favorite Prescription and a trial of his Pleasant Pellets, which I used as directed. In four days I was greatly relieved, and now, after using the medicine three months, I seem to be entirely well. I know why it is that there are so many suffering women when there is such an easy way to be cured. I know your medicines are the best in the world."

Dr. Pierce's Pleasant Pellets the favorite family laxative. One 'Pellet' a laxative, two 'Pellets' a cathartic dose.
