Children as well as older people recognize Holman's as Santa Claus' headquarters. Many letters from children (bless their hearts) come addressed to Santa Claus, care of R. T. Holman, Limited.

Let us see to it that Santa Claus shall not overlook the least among these. Xmas is the day that little children look forward to from one year to another. Let us not disappoint them. Make the coming Xmas the happiest of their lives.

Below we give three short letters received at the store addressed to Santa Claus, care of Holman's.

Dear Santa Claus:
Please I want a tub and wash board and a doll's carriage, and a doll's sleigh, and a Xmas stocking, and a child's piano, and a bag of marbles and a doll.

Yours very truly,
Kensington, P. E. I.

Dear Santa:
Won't you bring a whole lot of candy for Willie and me; and please Santa do bring us a big pile of toys that you sent to Holman's. We are going to hang up our biggest stockings, and if there is not enough room make a pile on the floor.

Lovingly yours,
O'Leary, P.E.I.

Dear Mr. Claus:
Mamma said that perhaps you would bring me some of them toys that we saw at Holman's last Saturday, but dear Santa please don't forget me, for I've been a good, good girl.

Yours truly,
Bradalbane, P.E.I.

DOLLS AND TOYS

The expression of surprise and wonder is seen and heard on every hand in our Toy Department.

There, conspicuously placed and plainly priced is such a collection of Toys of every conceivable description as was never shown in this store before. Toys of educative merit, as well as ingenious mechanical contrivances that fairly make the little folk hold their breath in sheer delight and surprise.

Another big shipment of Toys has just been received that includes some much wanted goods.

Your money will go further at Holman's in purchasing Toys because we have made a specialty of this line, and are among the biggest buyers in Eastern Canada.

Be sure to visit our Toy Bazaar. It will be one of the busiest corners in the whole concern from now until Xmas.

It will pay you to come any distance to do your Xmas shopping, because you can accomplish more in a few hours in Holman's store than you would accomplish in a day or two searching around small stores.

Plan the visit as early as possible so that you can see the showing while it is at its best—while everything is fresh and new.

Bring the children with you. They will enjoy every minute spent in the Toy Dept.

Xmas Confectionery

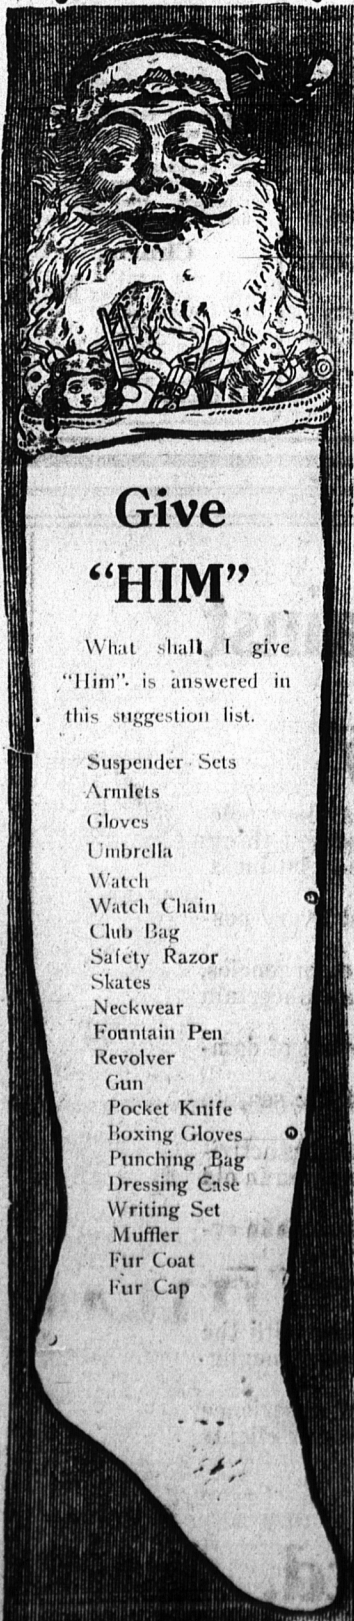

Only this week a big shipment of Xmas Confectionery arrived. This lot includes the popular Barley Toys (animal shapes), Cream Chewing of various kinds, and other popular makes in keen demand during the holiday season.

Another shipment of Willard's and Moir's Choice Chocolates has arrived fresh. You will be immensely repaid if you keep a close eye on the Confectionery Counter. You will find fresh surprises every day of the week here.

Do Your Xmas Shopping Without Delay

Every hour—every minute you delay will mean accumulated difficulties and missed opportunities. There is no time like the present to do your Xmas shopping.

There is no secret about the difficulty experienced in securing goods, irrespective of prices. While we were especially fortunate in securing a big stock at old prices, the demand exceeds anything we have ever experienced in the past, due to the scarcity elsewhere; and we can offer no guarantee as to how long our present stock will last, nor as to the possibility of securing further shipments to replenish our rapidly depleting supply. Consequently, we would sound a warning with all the emphasis in our power—and condense it down to two words—SHOP EARLY
