## Fliers Reach Berlin And Leave Again For Moscow

### Mattern And Griffin Crossed Atlantic In Excellent Time Of 18 Hours And 41 Minutes. Plane In Perfect Condition As Landing Is Made At Templehof Air Field

(By Louis P. Lochner, Associated Press Staff Correspondent)  
BERLIN, July 6.—James Mattern and Bennett Griffin, two young aviators who are itching to glide the globe by air faster than anyone ever has, left their red, white and blue monoplane down at Templehof air field this afternoon after a record breaking transatlantic crossing, after three hours and 20 minutes after they roared into the air again, en route to Moscow.  
They were 10 hours and 41 minutes ahead of Wiley Post and Harold Gatty, the aviators whose round-the-world time of a little more than eight and one half days they are trying to beat, while they start along the brightly lit flying route toward Koenigsberg.

## Unknown Driver Is Responsible

(Canadian Press)  
AMHERST, N. S., July 6.—An unknown driver in a red sedan was responsible for the death of Murrell Mattinson of Amherst, a jury decided today at an inquest conducted by Dr. James R. Robertson. Mattinson died on July 1st as a result of injuries received on June 29, when a car he was driving turned over near Oxford.  
Frederick Windsor of Ottawa, who was injured in the accident, testified that the red sedan had come over the hill on the wrong side of the road and struck Mattinson's car a glancing blow. The red sedan continued on its way as he other car swerved into an embankment and turned over.  
Lieut. R. Cook of Montreal, and Isaac Mattinson, of Amherst, who have recovered from their injuries, corroborated this evidence.

## Judge Orders Auto Returned

(Canadian Press)  
QUEBEC, July 6.—A person whose automobile is used for the illegal transportation of liquor without his knowledge cannot be held responsible according to a ruling handed down in Court of Sessions here by Judge L. Demers.  
The case hinged around the conviction by the Quebec Liquor Commission of a car owned by Albert Coulet, which had been used by Coulet's brother for the conveyance of contraband whiskey.  
When it was brought out in court that Coulet was unaware of the purpose for which the machine had been used, the judge ordered the automobile returned to its owner.

## Champlain May Come To Montreal

(By The Canadian Press)—If dredging in the St. Lawrence River is allowed to continue uninterrupted, a 35 foot channel will be open from Montreal to the sea by the middle of next summer permitting 30,000 ton vessels to use the port. J. H. Rainville, President of the Montreal Harbor Board Commission, stated here today. With the 35 foot channel in operation the steamer Champlain, which was named after the great Canadian explorer, may come to Montreal next season, declared Mr. Rainville who has just returned from New York where he attended the celebrations in connection with the arrival of the Champlain on her maiden voyage.

## Urges Support Of U. S. Proposal

(A.P.)—Frank B. Kellogg, co-author of the Kellogg-Briand anti-war pact and justice of the world court, urged support of the United States proposal for a one-third reduction of armaments at a dinner here tonight.  
Guest of the United States delegation to the world disarmament conference at the dinner, Mr. Kellogg talked personally with the chiefs of the other important delegations, urging the necessity of increasing security and consolidating world peace by "genuine disarmament."  
He previously had been given an ovation when he attended a session of the League of Nations Assembly as a spectator and was greeted with a cordial speech of appreciation by Paul Hymans, President of the session.  
The Assembly today formally invited Turkey to join the League. A meeting later to receive the Turkish reply and to welcome that country into the League was arranged. The disarmament conference is preparing to adjourn until Autumn.

## MRS. BARNEY FOUND NOT GUILTY

(Associated Press)  
LONDON, July 6.—A jury of 10 men and two women found today that Mrs. Elvira Dolores Barney, 20-year-old daughter of a wealthy baronet, was not guilty of the murder of Thomas William Scott Stephen, her lover, who was shot to death in her flat after a party May 31.  
The verdict was reached after one hour and 53 minutes of deliberation.  
Mrs. Barney collapsed when she heard it. A short time later, wholly freed, she left the Old Bailey and went to the home of her father and mother, Sir John and Lady Maitland.  
The jury also acquitted Mrs. Barney on two other charges—one of manslaughter and another of intent to do Stephen, the son of a banker, grievous bodily harm by trying to shoot him during a quarrel a few weeks before his death.

## Member Of N. Y. Firm Drowned At Hubbards

(Canadian Press)  
HUBBARDS, N. S., July 6.—Philip Grosset, member of a New York publishing firm, was drowned late tonight when a canoe overturned on Lake Lawlor, near here.  
A double drowning was averted when A. Hefferman, of Lindsay, Ontario, rowed to rescue Mrs. Marjorie Miner, of San Francisco, California, who was thrown into the water when the accident occurred. Grosset's body had not been recovered at midnight.  
Grosset, Mr. and Mrs. Robert Wilson of New York and Mrs. Miner came here on Saturday to spend a vacation.

## News Briefs

- (Canadian Press) WASHINGTON, July 6.—President Hoover today asked Congress to appropriate \$100,000 to furnish railroad transportation home for the bonus army.
- (Canadian Press) GLACE BAY, N. S., July 6.—Residents of this town entertained a shy visitor from the forests today when a full grown deer wandered through the main streets for several miles than swam across the harbor of Quarry Island.
- (Canadian Press) QUEBEC, July 6.—Eight million feet of timber was cut in the Quebec forests during the past winter, the figures being about half of normal according to G. C. Piche, chief of the Provincial Forestry Service. The statistics show that the cutting required employment of 25,000 men.
- (Canadian Press) THREE RIVERS, Que., July 6.—At a meeting of the City Council last night all of the aldermen went on record as favoring the Gordon back-to-the-land policy, it is estimated that 200 families of this town will become settlers.
- (Canadian Press) VANCOUVER, July 6.—The plane "Vancouver Sun" landed at the Sea Island airport at 12:10 p. m. today, completing a trans-Canada flight from Montreal which was started by the pilots, R. H. Storer and B. E. Ronald, on Monday morning. The plane stopped at Grand Forks, B.C., last night and one daughter survives.

## Deer Lands In Lap Of Driver

(Canadian Press)  
FREDERICTON, N. B., July 6.—Apparently frightened by an approaching motor car near Harvey Station, a deer jumped just before it was struck by the machine and hurled through the windshield, landed upon the lap of the driver, Lloyd Cohen, who lost control of the car. The automobile went off the road and overturned, but Cohen, who had been proceeding to Fredericton, escaped with a shaking up. The deer was killed instantly.

## TWO KILLED IN COLLISION

(A.P.)  
NORWICH, Conn., July 6.—The conductor and engineer of a gas rail car was killed, and four persons were badly injured today when the car collided with a freight train at Franklin, on the Central Vermont railroad between here and Williamsville.  
Conductor John Kierce and Engineer Elmer Pierson, both of Brattleboro, Vt., were killed. The injured were brought to a hospital here.

## Senator Dennis Is Suffering From Shock

(By The Canadian Press)—One of five injured in an automobile collision which caused the death of Miss Margaret Smith last night, Senator William H. Dennis, publisher of the Halifax Herald and Mail, will be a hospital patient for several weeks.  
Hospital authorities tonight stated he was suffering from severe shock and cuts about the head, face and body. An X-ray examination today had disclosed a rib fractured close to the spine, but the spinal column had not been injured.  
The condition of Mrs. Annie Doran of Bridgewater, one of the occupants of the car in collision with the Senator's car, was showing definite improvement, and she was expected to recover. Her daughter, Miss Marie Doran, also was improving; and A. T. Smith, driver of the Bridgewater car, had been discharged from the hospital.  
Charles Briden, who was accompanying the Senator from the Dennis summer home at St. Margaret's Bay to the city, was suffering from a fractured right leg but was not in serious condition.  
Miss Smith, New York University librarian, who was returning to Lunenburg to spend the summer with her parents, will be buried on Friday. Services will be held at the home of her parents, Captain Benjamin Smith and Mrs. Smith, and St. John's Anglican Church.  
She was 23 years old and had a brilliant scholastic career at King's College and Columbia University. The Lunenburg fishing schooner Marget K. Smith, which participated in several international races, bears her name.

## Funeral Plans In Abeyance

(A.P.)—Plans for the funeral of former King Manuel of Portugal, who died at his British home in exile Saturday, were held in abeyance today to permit Portuguese notables to attend the rites.  
The body will be taken to Weybridge Friday and placed in a crypt to await the formal funeral when the notables arrive from Portugal. A High Mass at Westminster Cathedral, originally announced for Friday will not be said then, but on the later date of the funeral.  
The former King died at his home at Fulwell Park, Twickenham. Other members of the exiled royal family are buried at Weybridge.

## Inventor Dead

(By The Canadian Press)—G. William Lorimer, co-inventor of the Canadian Automatic Telephone, is dead at Troy, O., according to word reaching here today. Lorimer was 58 years of age.  
He was a former resident of Brantford, where the telephone was invented by Alexander Graham Bell. Lorimer worked with a brother, Hoyt, on the idea of an automatic telephone and succeeded in perfecting the mechanism. This was put into operation and the system he developed was taken over later by the Bell system. Lorimer in 1914, was mayor of Picqua, O. Two sons and one daughter survive.

## BANANA TRADE GOES TO WEST INDIES

(Canadian Press)  
OTTAWA, July 6.—Jamaica has captured the banana trade with Canada, which was formerly almost exclusively in the hands of the United States. During April and May imports from United States totalled 71,485 stems, as compared with 206,341 in the last two months of 1931. The import from the British West Indies of bananas in April and May was 474,850 stems.  
During the fiscal year 1928-29 imports of bananas from the United States amounted to 3,531,015 stems and from the British West Indies 57,389 stems, Jamaica alone supplying 55,785.  
During the fiscal year 1931-32 there was a complete reversal, 3,329,050 stems coming from the British West Indies and 814,898 from the United States. Jamaica's contribution to the supply from the West Indies was 3,329,017 stems.  
The importation of bananas has declined somewhat, being 3,757,117 stems in the twelve months ending with May, as compared with 3,984,267 stems in the previous twelve months.

## Opponents Of N. Y. Gov. Will Support Ticket

(Canadian Press)  
ALBANY, N. Y., June 6.—Two of the men who led the bitter fight against the Democratic nomination of Governor Roosevelt for the U. S. presidency, former Governor Alfred E. Smith and Joseph Shouse, were lined up in support of the Roosevelt-Garner ticket tonight.  
Governor Roosevelt's comment on the Smith announcement in New York was the single sentence: "Governor Smith's statement confirms my confidence that he would support the Democratic party."  
The Roosevelt headquarters here had been silent on the subject of the "happy warrior" since the Governor's return from Chicago.

## One Million Expended By Red Cross Society

(By The Canadian Press)—Norman Sommerville, K. C., chairman of the Red Cross National Council, speaking here today said that last year \$1,000,000 was expended in various activities of the Red Cross Society, and that next year we anticipate that our requirements will be almost as large. This money must come from somewhere. It comes from the pockets of our people, and we have never looked in vain."  
Mr. Sommerville outlined the activities of the Red Cross in the past year. Ten thousand dependents of men who fought in the Great War were afforded relief, while the Junior Red Cross provided for more than 900 handicapped children, and 10,000 handicapped and crippled children.  
There are 45 outposts hospitals, he said, where Red Cross nurses and doctors cared for 25,000 patients.

## Byrd's Ship Enroute To Chicago

(Canadian Press)  
QUEBEC, July 6.—On her way to Chicago, Admiral Byrd's famous Antarctic barque, City of New York, was reported at Point Tupper, N. S., early today. She is being towed from Boston to Chicago by the tug Dago, and is expected to pass Quebec next Monday.

## June Output Shows Increase

(Canadian Press)  
GLACE BAY, N. S., July 6.—Collieries of the Dominion Steel and Coal Corporation produced 288,612 tons in June, a slight increase over the May output of 272,189 tons. The output for June 1931 was 345,289 tons. Comparative figures for June 1931 and June 1932 follow:

Dom. Coal Co.	1931	1932
Scotts	245,758	199,978
Springhill	28,782	48,313
Acadia	31,099	25,688
Acadia	39,650	14,653
Totals	345,289	288,612

## White Star Line To Run Trade Mission Str.

(Canadian Press)  
NEWCASTLE, England, July 6.—The White Star steamship line intends running a trade mission steamer to Canada with British manufacturers after the Ottawa conference in the hope of stimulating commerce between Great Britain and the Dominion, it was announced today by Herbert Shaw, Secretary of the Chamber of Commerce.  
The trade ship Letitia of the Anchor-Donaldson line recently travelled to Canada with a Scottish trade mission, whose members on their return described the visit as very successful.

## Belgium To Impose Tax

(Canadian Press)  
BRUSSELS, Belgium, July 6.—A transfer tax and luxury tax on products made in or exported direct from Canada and France will be imposed on Aug. 1 by a royal decree which is being made public tomorrow. The tax will cease to have effect with the conclusion of conventions to avoid duplication in regard to the transfer.  
OTTAWA, July 6.—(By The Canadian Press)—The Canadian Government had not been advised to

## Will Support The Democrats

(Canadian Press)  
NEW YORK, July 6.—Alfred E. Smith announced today he would "support the Democratic party."  
In a formal statement the former New York governor said that he would have nothing to do with any independent political party, as he considered such a party impractical.  
He made no mention by name of Gov. Franklin D. Roosevelt, whom he unsuccessfully opposed for the Democratic nomination for the presidency.  
Questioned after he had issued the statement Smith said there was absolutely no significance to the fact he did not mention Gov. Roosevelt by name. He said he naturally could not support the party without supporting the candidates and the platform and everything connected with the party.

## Gov't. Will Not Withdraw Bill

(Canadian Press)  
LONDON, July 6.—The British Government will not withdraw its bill empowering duties against goods from the Irish Free State, declared Stanley Baldwin, acting Prime Minister, in the House of Commons this afternoon in answer to a question from John Devlin, Irish Nationalist. The latter queried concerning withdrawal "in view of the possibility of an Irish settlement."  
"I would gladly offer my services as an arbitrator," Lord Bledisloe declared today, "but it would create a precedent which the King's representatives might find it difficult to follow."  
The dispute in the coal mines began when the miners refused the owners' proposed new wage terms and went on strike throughout New Zealand. Negotiations have been at a deadlock in the past few days.

## Death Caused By Ptomaine Poisoning

(Canadian Press)  
PARRSBORO, N. S., July 6.—Ptomaine poisoning caused the death of Mrs. George A. Pippy here today. Mrs. Pippy, a graduate of Mount Allison University and a registered nurse, volunteered for service at a local clinic and it was shortly after returning from the clinic that she was stricken. She was a daughter of C. C. Langhill, terminal agent of the Cumberland Railway and Coal Company.

## BRITISH STILL HOPE FOR AGREEMENT

(Canadian Press)  
LAUSANNE, July 6.—Hope that a reparations agreement would be reached tomorrow was expressed by the British tonight, following the unexpectedly early adjournment of a general meeting which was to have threshed out the final differences.  
Following a day of feverish negotiation, of one compromise after another that seemed to sweep away practically all the major obstacles to an agreement, the heads of the delegations met this evening. Great Britain, France, Germany, Italy, Belgium and Japan were represented.  
It was intimated the conferees

## Gov't. House Is Offered For Conference

(Canadian Press)  
AUCKLAND, New Zealand, July 6.—(Canadian Press Cable)—Lord Bledisloe, Governor-General of New Zealand, has offered government house as the venue for a round-table conference between New Zealand coal mine operators and coal miners, who have been on strike since June 6.  
"I would gladly offer my services as an arbitrator," Lord Bledisloe declared today, "but it would create a precedent which the King's representatives might find it difficult to follow."  
The dispute in the coal mines began when the miners refused the owners' proposed new wage terms and went on strike throughout New Zealand. Negotiations have been at a deadlock in the past few days.
