Our Watch Repairing Speaks for Itself

We only desire to remind you that although your watch may keep on running for years, it is not always advisable to allow it to do so without a little attention, it may be wearing out for want of cleaning and fresh oil. Think it over.

ARLINGTON PITCHER SIGNS WITH GRAYS.

BOSTON, March 2—Fred Lake has signed up a promising young pitcher for his Province International team in Tom O'Neil of Arlington. This young man has pitched sensational ball for the past five years as a member of the Arlington Knights of Columbus team, and also many other fast sensational teams.

...is record as a member of the Arlington Knights is worthy of especial mention, as this team won the championship of the K. of C. League for three years running with O'Neill in the box.

O'Neill should make good with the Providence team, as he has a lot of speed and good curves, and under the tutelage of a good coach should develop into major league quality. He will leave March 1 with Fred Lake for Savannah, where the Providence team will do their Spring training.

The will of the late Alexander McKenzie, confectionery, Charlottetown, has been presented for probate. The estate was valued at $2063,50 in real and personal estate and the deceased's sons Alex R., and Lawrence C. Worthy were appointed executors. Under the will these were empowered to sell all of the estate and of the amount realized thereby $100 was to be paid to Mrs. Amelia Schurman, Summerside, P. E. I., widow, a sister of the deceased, while the balance was to be equally devided between the following of the testator's sons and daughters: Florence. Thos. J., Alex R., and Gertrude.

A Winsloe correspondent writes—The many friends of William Bryenton are pleased to see him out again after his recent severe illness. It is most pleasing to his many friends to learn that Lee Horne has recovered from his severe illness. The many friends of Miss Annie Turner will regret to learn of her departure from this community. Mrs. Leslie Bryenton is visiting at Covehead. Elijah Saunders, mail driver, who had sold his driving horse, has now purchased the well known driver, Prince, from Wallace McDonald for which he paid a handsome sum. The farmers of the vicinity are busy hauling the winter supply of firewood. Oliver Saunders has returned home from New Glasgow. Leslie and Pearl Bryenton paid a flying visit to Covehead recently. The school is progressing rapidly under the able management of Miss Campbell.—Com.

A quiet but very pretty wedding took place at the residence of H. E. and Mrs. James, Vancouver, on Wednesday, Jan. 31, 1912, when Miss Janie Gurney of Western Covehead was united in marriage to Allen A. Baird of Vancouver, formerly of Montreal. The marriage ceremony, which was a very beautiful and impressive one, was performed by Rev. H. E. Henry, only the immediate friends being present. The bride looked lovely dressed in a travelling costume with hat and gloves to match. Mrs. Baird is the youngest daughter of Thomas and Mrs. Gurney of Covehead. She went to Vancouver about two and a half years ago, where she was the guest of her brother Franklin, who resides there. Samuel Gurney, Dawson, is also a brother, also William, Henry E., and Charles in this Province and Mrs. Thomas Woolridge of Covehead, Mrs. T. E. Herferon and Mary Gurney of Somerville, Mass., are sisters. Mrs. Baird, after spending a while with her brother, where she made many friends and acquaintances, took a situation in a sewing establishment in which she took a careful interest. Mr. Baird is one of Montreal's popular young men and is also well known in Vancouver and other parts of Western Canada. The young people are travelling at present but intend returning to Vancouver where they will take up their residence in their new home which will be completed shortly. Their hosts of friends wish them many years of happy wedded life in which The Guardian joins. (Boston papers please copy.)

Wm. Munroe, of the P. E. I. R., who two weeks ago underwent an operation for appendicitis in the P.E.I. Hospital, is able to be out again.

Miss Vera Rattray, St. Peter's Bay, who has been visiting in Charlottetown for a few days has returned home.

Miss Clara Carver, Pownal, was a passenger to her home yesterday afternoon returning after a visit to the homes of Fred and Wm. Stretch West River.

The Undergraduates' Society of Applied Science of McGill College, Montreal, are electing their officers. Among the candidate nominated is Harold Stanley, Charlottetown, for Secretary.

Recently a party from Summerside who imported three racoons from the mainland via the winter steamers received only two on the arrival of the shipment at its destination. One or two days later one of the freight handlers in the Charlottetown freight office, while handling a box containing some rather heavy bundles of paper loosely packed, was greatly surprised to find a racoon therein. The little animal, on escaping from the original box in which it was shipped, had eaten its way into the box of paper and despite the loose manner in which the paper was packed, the racoon fortunately escaped being crushed to death.

The marriage of Miss Annie Gertrude Tweedy, daughter of the late Joseph Tweedy, of Earnscliffe, to John Furness Hayden, of Vernon River, took place at the home of the bride on Wednesday noon, Feb. 28. A large number of the relatives and friends of the contracting parties were present, the parlor where Rev. Mr. Orman performed the ceremony being beautifully and artistically decorated for the occasion. The bride was given away by her brother, John Tweedy, and the wedding march was played by that accomplished organist, Mrs. J. C. Irving. After the bride and groom had received the sincere congratulations of all present a sumptuous wedding feast was served. In the evening after the guests had spent a most thoroughly enjoyable afternoon and had concluded the happy time by the singing of Auld Lang Syne, Mr. and Mrs. Hayden departed for their home in Vernon River, accompanied by the hearty good wishes of their many, many friends. As testified by the large number of costly and useful presents the bride is one of the most popular and estimable young ladies of this little Province that can proudly boast of producing the smartest and best girls in the whole Dominion; while the groom is one of the Province's noblest and most honorable citizens

Baby's Rash Became a Mass of Humor

Parents Decided He Could Not Be Cured, "Cuticura" Soon Made His Skin Perfectly Clear.

A Toronto man, Mr. Robert Mann, of 758½ Queen St. East, says: "Our boy was born in Toronto on Oct. 13, 1908, and when three months old a slight rash appeared on his cheek. What appeared to be a water blister would form. When it broke, matter would run out, starting new blisters until his entire face, head and shoulders were a mass of scabs and you could not see a particle of clear skin. We did not know what to do for him and tried about every advertised remedy without avail, indeed some of them only added to his suffering and one in particular, the —— Remedy, almost put the infant into convulsions. The family doctor prescribed for him. This did not do any good, so we took him to a hospital.

He was treated as an out-patient twice a week and he got worse, if anything. We then called in another doctor and inside of a week the boy was, to all appearances, cured and the doctor said his work was done. But the very next day it broke out as bad as ever.

"We decided that it could not be cured and must run its course and so we just kept his arms bandaged to his side to prevent his tearing his flesh. The Cuticura Remedies were recommended. We started using them in May, 1909, and soon the cure was complete. Cuticura made his skin perfectly clear and he is entirely free from the skin disease." (Signed) Robert Mann, May 3, 1910.

In another letter, dated June 29, 1911, he adds: "My boy has never had any more trouble since using Cuticura."

For more than a generation Cuticura Soap and Ointment have afforded the most successful treatment for skin and scalp troubles of infants, children and adults. A single set is often sufficient. Although sold by druggists and dealers throughout the world, a liberal sample of each, with 32-p. book on the skin, will be sent free, on application to Potter Drug & Chem. Corp., 58 Columbus Ave., Boston, U. S. A.

THREE COLLEGES IN MEET AT ANNAPOLIS.

NEW YORK, March 2—Harry Fisher, graduate manager of athletics at Columbia announced yesterday that Columbia, Cornell and the Navy will meet in a three-cornered track meet at Annapolis on Saturday, May 11. This will be the first time that such a meet has ever been held at Annapolis, and it will also be the first time that Cornell and Columbia have ever met prior to the intercollegiate championships.

Columbia should holdk her own, for although the team is weak in the distance events, R. L. Beatty, the shot-putter; H. S. Bancock, the intercollegiate pole vault champion, and R. M. Bonsib, in the quarter mile, should lay a good foundation for the Columbia total, which should offset in part the points scored by John Paul Jones and Tel Berna for the Itha-

TOBACCO-CHEWING DOG'S OWNER SOUGHT.

SPRINGFIELD, March 2—Boston & Maine railroad officers are looking for the owner of a thoroughbred Boston bulldog which answers to the name Teddy, chews tobacco with obvious relish and holds its head over a cuspidor when it sneezes. The dog was left in the baggage room at the railroad station a few days ago by a student who came to Springfield on the Alpha Delta Phi special. The owner of the dog was last seen with a party of collegians who left the city singing lustily, "I don't know where I'm going, but I'm on my way."
